Mr. W. D. Pollock will speak with Hon. T. D. Warren in Jones county, at Haskins' Chapel on Friday night, and at Tuckahoe on Saturday.

The Chapter of the Oxford Orphan Asylum that gave a concert here last night went to Greenville this morning to give a concert there tonight

"Our Burden Bearer" (Ps. 55; Matt. 11:28-30) will be the subject for prayer meeting at the Christian church tonight. All are invited, members especially.

Prof. L. C. Brogden returned to Chapel Hill this morning. Prof. Brogden will attend the University and work for the degree of master of arts during the remaining part of the summer.

Mr. L. Jarman's little daughter had her arm badly dislocated and broken on Tuesday. Mr. Jarman lives in Jones county and rode 20 miles to Kinston to get a physician. Dr. W. T. Parrott rendered the medical attention.

A little colored boy named Thompson was arrested this morning for riding on the train. He was placed in the calaboose, while the officer of the law was looking for his parents, we suppose. The last we saw of him he was crying "I won't riding on no train"

There will be a grand german at the Atlantic hotel, Morehead City, Saturday night. The A. & N. C. railroad will sell return tickets to the above at \$1.10 from Kinston—on other stations at proportionate prices. Tickets good on any of Saturday's trains, and good to return until Tuesday.

White men, Democrats, take notice! Just nine days from and including today in which to register for the coming August election. Former registration will not answer. Each voter must go, and in person be registered anew. Let no one who loves his State fail to attend to this important duty.

The State has chartered the LaGrange Manufacturing Co., of LaGrange, with power to manufacture cotton goods, ice, build and operate water, ice and electric light plants, authorized capital \$50,000. The Collins Gin Co., of Maysville, Jones county, has also been chartered, with power to manufacture cotton goods, authorized capital \$10,000.

A business establishment can no more afford to be careless and slipshod in its advertising than in any other department. Just as good window-dressing is essential to the success of a store, so its freshness, novelty and whatever attracts favorable attention necessary to the best results in advertising. There is nothing hap-hazard and accidental about an alluring window display. Not less care should be given to the advertising display.—Philadelphia Record.

It is said that LaGrange has it in for Kinston; that some of the LaGrange sports have put up a lot of money and engaged a professional battery for the baseball game here tomorrow afternoon. Kinston's team is weakened by some of the players being away, and it would be no great surprise if LaGrange should win with her hired men. The Kinston boys will, however, put up a brave and determined game, and win, if it is possible for pluck and determination to do so.

The new brick warehouse of the A. & N. C. R. R. in Kinston will be about 40x250 feet, and will be located where the old wooden warehouse now stands. Work on it will be begun next week and it is to be completed by September 1st. It will be large enough to take care of the shipments of both cotton and tobacco. Skylights will be put in the roof of the building. While the force of workmen are erecting this building the long needed covering over the platform in front of the ticket office will be built.

Hons. Lee S. Overman, of Salisbury, and Ed W. Pou, of Smithfield, have accepted invitations to be present and speak at the great White Supremacy rally in Kinston on Thursday, July 26. They are among the finest speakers in the State. Col. A. M. Waddell, Gov. Jarvis and Hon. Dan Hugh McLean have also been invited to be here on the above occasion, but have not been heard from yet. It is hoped that they will also accept the invitations. It will be the greatest rally of white men and women ever held in Lenoir county.

NEWBERN A WINNER.
