MONDAY EVENING, Sept. 10, 1900.

A protracted meeting is in progress at Parrott's school house.

Quite a large number of Kinstonians went down to Morehead yesterday to take in the sea breezes.

There were two additions to the M. E. church yesterday, four penitents and one profession of faith.

Dr. C. B. Woodley is fitting up an up-to-date drug store in one of Nelson's new brick stores on Queen street.

Rev. D. C. Geddie is protracting a meeting this week at Sharon church, Neck township, assisted by Revs. Royall and Tuttle.

Lucie Gardner, aged two months and one day, daughter of Mr. and Mrs. Bryan Gardner, of Grifton, died on Thursday, Sept. 6th. We extend sympathy to the bereaved parents.

Tomorrow—Tuesday—night the Junior Missionary Society will give a measuring party at the engine house. Go round, get measured and get free refreshments. Everyone is invited.

The White Supremacy club at Institute will be changed to a Bryan-Stevenson-Kitchen club next Saturday afternoon at 4 o'clock. Every white man is invited to come out and join regardless of former party affiliations.

Kinston is the best cotton market we have heard of this season. It sold in Kinston Saturday at 9.80 to 10 cents. Mr. A. L. C. Hill bought 50 bales Saturday from Mr. W. L. Kennedy for 10 cents straight through.

Rev. F. M. Royal, returned missionary from North China, will address the people of Kinston on present conditions there at the Baptist church tonight. Everybody cordially invited to attend. It is an evening of great privileges to those interested in the Chinese question.

R. E. Pipkin, the popular and successful excursionist, will run another excursion to Baltimore and return. The time is tomorrow. The fare will be lower than ever. From Kinston to Washington, D. C., and return is only \$6.00; to Baltimore and return only \$6.50. The weather will be cooler and the trip will be a pleasant and cheap one. Further particulars will be given by Mr. John F. Mewborne.

A very amusing "drunk" was carried to the lock-up Saturday night. He was a white man, and he evidently started out to "paint the town red." Policeman Rouse speedily put an end to the fun, though, as he put the irons upon the gray young fellow. This did not stop his tongue, however, as he enlivened the occasion by first roundly abusing the officer, and then breaking into lively song, attracting no little attention. When the guard-house door closed upon him, he, seeing a partner in distress already in the lock-up, greeted him with: "Hello, son," then continued his song. Soon a heavy fall was heard upon the floor, then a long, long silence.

Mayor's Court.

The following cases were disposed of by Mayor Webb this morning:

Monroe Willis, col., for assault on Emma Wade, col., was fined \$5 and costs.

Geo. Pettiford, col., for using profane language on the streets, was fined \$10 and costs.

David Organ, alias Doc Scott, for using vulgar and profane language, was fined \$10 and costs.

Bryan and Kitchen Clubs.

In accordance with the request of the president of the national association of Democratic clubs and the recommendation of the State Democratic executive committee the voters of Lenoir county are requested to meet and organize Bryan and Kitchen clubs at their polling place, or at the most convenient place in the precinct for that purpose on Sept. 15, 1900.

The voters of LaGrange and Kinston townships are requested to meet Friday night, Sept. 14th, for such purpose, instead of on the 15th.

Precinct chairmen are earnestly requested to give this their attention at once, and send in to the county chairman a list of their members.

Every prospect for victory in November is bright and encouraging. Let us begin the campaign with energy and enthusiasm for the principles of Democracy upon which hang the preservation of the the Republic.

J. W. GRAINGER, Chairman Co. Democratic Executive Committee.

British Occupy Lydenburg. London, Sept. 8.—A dispatch from Reiffontion of the 7th says the British have occupied Lydenburg. The Boers were completely manouvered. They bolted through the village in the direction of Pilgrims Rest. Hamilton outflanked them on the right, causing them to evacuate their strong positions. They abandoned some artillery. It is reported that Presidents Kruger and Steyn have fled and that Hamilton is in pursuit.

AUGUST FLOWER.

"It is a surprising fact," says Prof. Houten, "that in my travels in all parts of the world for the last ten years, I have met more people having used Green's August Flower than any other remedy for dyspepsia, deranged liver and stomach and for constipation. I find for tourists and salesmen, or for persons filling office positions, where headaches and general bad feelings from irregular habits exist, that Green's August Flower is a grand remedy. It does not injure the system by frequent use, and is excellent for sour stomach and indigestion." Sample bottle free at Temple-Marston drug store. Sold by dealers in all civilized countries.
