We call attention to advertisement of the Kinston Cycle Co.

Mr. J. M. Stephenson has a new advertisement in THE FREE PRESS. Read it.

The L. T. L. will meet tomorrow afternoon at 4 o'clock, at the home of Mrs. J. T. Ball.

Mr. Geo. M. Tucker, while carelessly handling a pistol at his home near Kinston this morning, was shot through the right hand. Dr. W. T. Parrott dressed the wound.

THE FREE PRESS was in error in publishing in its State news column that the postoffice at Scotland Neck was short \$170 in its funds. We got the item from some other paper.

Mr. C. M. Kirkman, of Smithfield, recently of Littleton, a registered pharmacist, has accepted a position with his uncle, Mr. J. E. Hood. We are glad to number Mr. Kirkman among the Kinstonians.

Capt. George Turner, of Pink Hill township, has been appointed and has accepted the appointment of sub-electoral for Bryan and Stevenson and will at once proceed to organize the clubs and canvass the county.

The ladies are making vast preparations for the bazaar that will be held shortly for the benefit of the Library. Many handsome donations have been made, and it promises to be a greater success than last year.

Mrs. Sallie Edwards, wife of Dr. G. C. Edwards, of Hookerton, died last night and will be buried near that town this afternoon at 3 o'clock. We could get no further particulars of her death. She is a sister of Mrs. H. H. Wilson, of Kinston. We extend sympathy to the bereaved.

Two of our tobacco buyers were on another market the other day and bought a lot of tobacco on a warehouse floor. They shipped the tobacco to Kinston and sold it again at one of our warehouses. The lot—450 or 500 pounds—brought \$33 more in Kinston than on the other market.

Mr. W. H. Rountree was buried yesterday at the cemetery at 5 o'clock. A large crowd was present. Rev. S. W. Sumrell, of near Kinston, conducted the funeral services, after which the Masons performed the burial services according to their usual rites. Mr. J. H. Rountree, of Fitzgerald, Ga., a son of the deceased, came to be present at the burial.

IMMENSE SALES.

300,000 Pounds of Tobacco in Kinston Today. Big Prices and Pleased Farmers.

Probably more tobacco was brought to Kinston today than ever before in one day. There were nearly or quite 300,000 pounds of tobacco brought in, but all of it could not be sold—all could not be gotten on the warehouse floors, pack it as close as could be.

The first sale was at the Carolina. The floor was covered with 65,000 pounds of the weed, and many loads had to be put away in the prize house until Monday's sale.

The next sale was at the Central where the floor and even the driveway were covered with big piles jammed together. The Central sold about 85,000 pounds and put away about 30,000 pounds until Monday's sale.

At the Eagle was the greatest sale since the house was established. About 80,000 pounds were crowded on the floor and many loads were placed in the prize house to await Monday's sale.

We go to press too early to know if the sales will block, but the race to finish is a close one.

The nicest part of it is that, notwithstanding the tremendous rush, tobacco is selling way up yonder. Prices are high and the farmers are pleased.

The reason of such big sales is that Kinston warehousemen and buyers are hustlers. We have twenty strong buyers who have orders at good prices for more tobacco than they can buy, causing them to bid way up for it. The big prices obtained on the Kinston market cause farmers to bring it in from all the surrounding country and from long distances.

Kinston is the best tobacco market in the State.

The negroes have taken entire control of the Republican organization in South Carolina and elected a negro as chairman of the executive committee. Five negroes and four whites were nominated for presidential electors.

AUGUST FLOWER.

"It is a surprising fact," says Prof. Houten, "that in my travels in all parts of the world for the last ten years, I have met more people having used Green's August Flower than any other remedy for dyspepsia, deranged liver and stomach and for constipation. I find for tourists and salesmen, or for persons filling office positions, where headaches and general bad feelings from irregular habits exist, that Green's August Flower is a grand remedy. It does not injure the system by frequent use, and is excellent for sour stomach and indigestion." Sample bottle free at Temple-Marston drug store.

Sold by dealers in all civilized countries.
