There will be no prayer meeting at the Baptist church tonight on account of the meeting of the presbytery now in session in the Presbyterian church. The postmaster says she wants to thank the patrons of the postoffice who have paid their box rent and urges those who have not paid to do so promptly.

A LaGrange dispatch to the News-Observer says that Mr. W. R. Simmons, of Seven Springs, is extending his telephone line from LaGrange, by way of Jason, to Snow Hill.

Mr. R. E. Bland lost a valuable cow yesterday in a peculiar way. She became fettered in some way in a branch and was drowned. The cow was a valuable milch cow, valued at about \$50.

The Chicago Stars, an aggregation of female baseballists, who performed on the Kinston diamond last year, beat the Newton boys, Tuesday, by a score of 4 to 3. A large crowd attended the game.

The Angelus recital at the opera house tonight deserves a large attendance and no doubt will have a full house. To music lovers it will afford a rare treat. The proceeds go to the local league of Elks.

A full dress rehearsal of the Masonic entertainers will be held at the court house tomorrow night, at which meeting the date for the entertainment will be arranged and announcement to the public the following day.

Under the auspices of the Woman's Presbyterian Union, a popular meeting will be held in the interest of home and foreign missions, tonight, at 8 o'clock, in the Presbyterian church. Addresses will be made by Rev. W. D. Morton, D. D., and Rev. Jas. H. Henderlite, the moderator.

Gentry's Famous Dog and Pony show delighted a large crowd at this place yesterday. A pretty day brought out a large crowd of women and children at the afternoon performance but the inclement weather in the evening kept the people away to a great extent. With one accord those that attended the performance speak in highest praise of the remarkable doings of the well trained animals. Especially well performing in a manner that was almost human. Gentry's show is deservedly popular in this city, and weather permitting, always draws a crowd.

## A GOOD REGISTRATION

For the Spring Election, 778 Voters Enrolled, 19 of Whom are Colored.

The registration books closed last night with the largest enrollment of names ever had in Kinston for the city elections.

Seven hundred and seventy-eight persons have registered for the municipal election, 19 of whom are colored, and of course will not enter the Democratic primary, leaving 759 voters who will determine who is to be the next mayor and aldermen of this city. If every white man on the books votes at the primary it will require 380 for a choice for mayor. This is not likely, though for various reasons, and probably 320 or 300 voters will nominate the mayor, as it is very likely that that number will be a majority of the votes cast.

The registration by wards is:  
 First Ward: 203 whites and 7 colored.  
 Second Ward: 286 whites and 8 colored.  
 Third Ward: 273 whites and 4 colored.

As the week draws to a close and the end is near, the campaign grows warmer and decidedly interesting to students of the situation.

The campaign has been conducted in a quiet manner and entirely free from unpleasant features calculated to engender bitterness of feeling, which is highly complimentary to the candidates and their supporters.

## Letter to J. A. Pridden, Kinston, N. C.

Dear Sir: Is a gallon of paint a gallon of paint, or half-a-gallon? Sometimes one, sometimes the other. E. P. Lynch and his predecessor, Delih, N. Y., sold a well-known Mixed Paint for twenty years.—It's a good paint, as mixed paints go.

N. Avery owns two houses exactly alike there. He painted one four years ago with this Mixed Paint—took twelve gallons. Last spring, he painted the other house with Devco; bought 12 gallons and had six gallons left. Same painter; George Gilbert. Same result, so far as looks go.

But the point of this tale is; 1st, That a paint is dear or cheap according to what it is; no matter about the price. 2nd, That a gallon of one kind of paint can contain twice as much paint as a gallon of another kind of paint.

Devco goes twice as far as Mixed Paint—two to one—but that isn't all. This story, however, skips the rest—how it wears is the rest.

Another, same town.—Ferguson & Thompson's store was painted some years ago with this same Mixed Paint—32 gallons. Repainted last spring with Devco. Mr. Lynch said 16 gallons would be enough. They have 3 gallons left.

Yours truly,  
 F. W. Devco & Co.  
 P. S.—B. W. Canady & Son sell our paint.

## THE MYSTIC CIRCLE ENTERTAINS

Complimentary to the Supreme Mystic Ruler and Delegates.

Neuse Ruling No. 294 of the Fraternal Mystic Circle gave an entertainment last night at Canady's hall complimentary to the Supreme Mystic Ruler, Mr. T. H. Duckwitz, and the delegates to the Grand Ruling which met here yesterday.

One of the principal features of the entertainment had been kept a great secret and every one expected something new. It revealed itself as a contest of skill in pinning the tail on the donkey. It was very laughable. The prizes were two beautiful water colors. Mrs. R. E. Bland received the first prize, a landscape; Mrs. Laura Brewer, the second, a head.

The program was:  
 "Flower Solo," Miss Claypoole, with violin obligato, Miss Lula Kate Mewborn.  
 Vocal Solo, "The Cat and the Canary," Miss Lillie Parker.  
 Vocal Solo, "Under the Bamboo Tree," Miss Kate Chadwick.  
 Recitation, "Almost Beyond Endurance," Miss Payne Kilpatrick. (Encore.)  
 Duet, "Under Southern Skies," Miss Inez Wooten and Mr. Jesse Ball.  
 Cake Walk, Miss Kate Chadwick and Mr. Jesse Ball. (Encore.)  
 "Angel's Serenade," Miss Inez Wooten, violin obligato, Miss Lula Kate Mewborn.

At the conclusion, by special request, Miss Kilpatrick recited "Adam an' Eve an' de Apple Tree," which was highly enjoyed by every one.

Every number on the program was rendered in a most perfect manner, and the visitors expressed themselves as being delighted with the entertainment and as having a determination to return home to their own rulings and do like-wise.

The lodge is under many obligations to the young ladies and the young gentleman whose kindness made it possible to have such a pleasant affair.

Immediately after the completion of the program, Mr. Duckwitz made a short talk about the order, which was much appreciated by the members.

Then refreshments were served and at a late hour the meeting broke up.

## Commencement Speakers.

Davidson College is peculiarly fortunate in her list of speakers for the approaching commencement, May 24th-27th.

The baccalaureate sermon is to be preached on May 24th by Rev. John Sparhawk Jones, D. D., of Philadelphia, one of the most brilliant pulpit orators of the whole country. On the evening of the same day the annual sermon before the Young Men's Christian Association is delivered by Rev. R. F. Campbell, D. D., of Asheville, N. C.

On the evening of Monday, May 25th, the speakers before the literary societies are Hon. W. E. Stevenson, of Cheraw, S. C., and A. L. Gaston, Esq., of Chester, S. C.

The commencement orator is President Ira Remsen, of Johns Hopkins University, who speaks at 11 a. m., Tuesday, May 26th. Dr. Remsen is not only a profound chemist, and a great administrator, but also famous as a public speaker. He has made very few public addresses in the south, and the friends of Davidson are to be congratulated on this opportunity of hearing him.

Wednesday, May 27th, is commencement day, the exercises consisting of orations by representatives of the senior class, the delivery of diplomas, etc.
