Mr. Alex Tilghman killed a large rattlesnake near Hines' mill, between Kinston and Dover, last week, that had 17 rattles and a button, indicating that it was 18 years old. The reptile weighed 5 1/2 pounds and measured 5 feet and 2 1/2 inches. Mr. Tilghman's brother, Joe, killed a rattler last year within a few feet of where this one was killed that had 18 rattles.

Miss Maye Harvey gave the members of her Sunday school class a pleasant outing Saturday evening and the 15 or 20 little folks enjoyed the event very much. Miss Harvey's class is composed of young folks 7 to 10 years old, and she took them in wagons and gave them a pleasant ride across the river, where a delightful watermelon feast was had of watermelons taken from the ice factory. The party returned to town as the evening shades were gathering.

CRUSHED UNDER A HAND CAR.

Albert Barwick Suffers a Compound Fracture of the Leg by Car Running Over Him.

Mr. Albert Barwick fell from a hand car yesterday morning while on his way home near Graingers from Kinston, and falling under the car was run over and sustained injuries which are serious if they do not prove fatal. There is a compound fracture of the left leg below the knee, and internal injuries from a bruise on the chest, the extent of which are not fully determined yet.

Mr. Barwick and some young men came to Kinston Saturday night from Graingers, over the A. C. L. on a hand car and were returning Sunday morning about daybreak when he fell from the car, which ran over him.

Dr. F. A. Whitaker was called to Mr. Barwick yesterday morning and rendered medical attention. The leg was not amputated but the physician thinks it will be necessary to do so, and also fears for the internal injuries are entertained as hemorrhages have already occurred.

Potent Pill Pleasure.

The pills that are potent in their action and pleasant in effect are De Witt's Little Early Risers. W. S. Philpot, of Albany, Ga., says: "During a bilious attack I took one. Small as it was it did me more good than calomel, blue-mass or any other pills I ever took and at the same time it effected me pleasantly. Little Early Risers are certainly an ideal pill." Sold by J. E. Hood & Co.
