TUESDAY EVENING, Oct. 6, 1903

Advertisements to be changed must be in by 10 o'clock, day of publication

The millinery people are advertising their goods and expect a large crowd at the opening tomorrow.

Prof. Rhodes says that the R. M. I. still continues to grow, it having received six additional students this week.

The members of the Jr. O. U. A. M. will meet at Stanley's Hall tonight at 7:30 o'clock. A full attendance is desired as there will be degree work.

Cotton continues to decline and the price on the local market today reached 8.75. Quotations on the New York market show October to have reached 9.12. The ruling price here was 8 1/2.

Messrs. R. F. Hill, H. I. Sutton, W. F. Dibble and H. C. Edwards were appointed poll holders yesterday by the county commissioners, to conduct the dispensary election here October 27th. Mr. O. T. Boney is the registrar.

The board of county commissioners at their meeting yesterday offered a reward of \$100 for the apprehension and evidence to convict the person or persons that ambushed and shot Charles F. Pate, in Neuse township last week.

Joe Taylor, a youthful colored incorrigible, was arrested this morning here by Policeman Taylor and turned over to an officer from LaGrange who took him to that place to answer to a charge of disorderly conduct. Joe is only 16 or 17 years old, as years go, but his experience in the police courts would do credit to a much older person.

Reaping the Harvest, one of the most delightful melodramas ever produced on the Kinston stage, will be put on at Mr. Loftin's opera house Thursday evening, October 8th. Theatre-goers will recall with pleasant remembrance this delightful play which was here last season and which had such liberal patronage. Seats will be on sale at Dr. Woodley's drug store tomorrow morning at 8 o'clock and to insure a choice seat, persons who intend seeing the play had better select their seats early.

An amusing incident occurred last evening when two rival Jewish merchants whose stores adjoin undertook to conduct auction sales simultaneously. Each had a large dinner bell and standing in front of their respective stores rang them strenuously. The deafening din caused by the ringing of the bells attracted quite a crowd and the sale began, the crowd alternately going from one store to the other. The woe-begone expression on the face of the merchant when the crowd would leave him was a picture.

Mr. Pearsall, a machinist from Goldsboro, has been here for the past two weeks overhauling the fire engine and has completed the job and tested the engine this morning. For some time previous to the overhauling the engine had given very unsatisfactory service and when examined it showed to be in bad fix. The flues were corroded, causing leaks in a great many of them, but these all being replaced with new ones the engine did fine work at the test. The trial this morning was only a short test but sufficiently proved that the work had been done well and Kinston will have much better fire fighting apparatus than before. Water was thrown 100 feet straight up, easily, and better than that can be attained. A fuller trial will be made at the slough late this afternoon.

A Birthday Party.
I'm going to have a party,
I'm eight years old you see
And if it's bright and sunny
We'll play beneath the tree
Out in the bright, green forest
My friends I wish to see
Don't any disappoint me
But come at half past three.

The above pretty lines and a dainty little invitation card was sent to a number of little Miss Helen Harrell's friends and they responded yesterday afternoon at 3:30 o'clock and were taken in charge by Misses Lula and May Harrell.

The rollicksome young folks went over into the park "a-gyping" and spent several hours "beneath the trees" in pleasant childish amusements. Refreshments were served over there and a general good time had by all.

Better Than Pills.
The question has been asked—In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills? Our answer is—They are easier and more pleasant to take and their effect is so gentle and so agreeable that one hardly realizes that it is produced by a medicine. Then they not only move the bowels but improve the appetite and aid the digestion. For sale at 25 cents per bottle by J. E. Hood & Co.

PERSONAL MENTION.

(Before leaving town or if you have friends visiting please notify this office for the benefit of your friends.)

Mr. John Ivey, of Seven Springs, was a Kinston visitor today.

Mr. Claude Gray returned yesterday afternoon from Seven Springs.

Miss Ada Moore returned from Goldsboro yesterday afternoon.

Mr. and Mrs. H. W. Simpson, of Newbern, spent yesterday in the city.

Mrs. J. C. Wagner and children returned from Beaufort this morning.

Mrs. Kleber Denmark is visiting her parents, Mr. and Mrs. Starky, in Greenville.

Mrs. Zulleme Wooten and two little children went to Falling Creek this morning to visit.

Col. W. D. Pollock returned yesterday afternoon from New Haven, Conn., where he has been attending a special course of law lectures at Yale College.

Miss Lou Wescott and niece, little Miss Ella Tuttle, of Elizabeth City, who have been spending some time here, returned home yesterday afternoon.

HEAD-ON COLLISION.

The Southern Has Another Wreck at Goldsboro This Morning.

A head-on collision occurred on the Southern this morning just beyond the city limits of Goldsboro, in which the engineer on the incoming train was right badly hurt. No one else was hurt seriously, though all the passengers were badly shaken up.

The collision was between two passenger trains due to meet in Goldsboro but the incoming train being late, had instructions to go on the siding at Grant's brick yard, a suburb of Goldsboro, and failed to obey the orders. The incoming train was going at a low speed, but the train going out was making good time, and there being a curve did not see the approaching train until close to it.

The crews of both trains jumped and were not hurt, except the engineer. The engines were thrown from the track and badly damaged.
