### THE COAST GUARD

Combining of Two Great Services Would Be Welcomed by Lifesavers Along North Carolina Coast.

Oeraoke, N. C., March 6.—United States lifesavers at the two stations here are favorably anticipating the passing by congress of a bill by Senator Townsend, of Michigan, now pending which would combine the lifesaving and revenue cutter services in one force. Both services are now under the treasury department. The bill provides that as one body they would operate under the treasury department in time of peace, and as a military force under the secretary of the navy in war. Whereunder the latter's order, the expense of the force would be paid by the navy department. Officers and men in the revenue cutter service would retain their grades and entitlements, and with the lifesavers under the same head captains of stations, called keepers, would become warrant officers, No. 1 surfmen in each station would be a petty officer and surfmen would be rated as seamen. Pension after 30 years is provided with 75 per cent. pay, with the understanding that light duties may be assigned the lifesaver if he is physically competent. An increase in the pay of commissioned, warrant and petty officers of 10 per cent. for every five years is another feature pleasing to the men who patrol the beach. The act would become effective about four months after passage. On the North Carolina "banks" are many lifesaving stations, with a keeper and seven surfmen in each, besides an unenlisted cook. The pay of surfmen is about double that of able-bodied seamen and nearly thrice that of ordinary seamen in the revenue cutter service, but the understanding at the stations is that their rating as seamen in the coast guard would not reduce their salaries commensurate with those of seamen on the cutters. Keepers as warrant officers would fare as well as at present or better with the pay of that grade in the revenue cutter service. A number of the stations are in the immediate vicinity of Hatteras and Oeraoke, and nearly every man of the splendid personnel in this district is a native North Carolinian.

No man ever lived long enough to do all the things his wife wanted him to do.

### Mrs. Kornegay's Orphanage.

Mt. Olive, March 6.—Mrs. Henrietta C. Kornegay, given positive instructions in Duplin county court a year or more ago not to resume operation of her so-called "orphanage" without a charter, at which time four or five indigent children were taken from her custody, is alleged to be in the business again. E. D. Cobb and wife, of McCall, S. C., have taken from her three small children, orphan nephews and niece of the Cobbs, after locating them at her place. Mrs. Kornegay, soliciting funds for her orphanage in many places, is said to have represented that her "orphanage" was a legitimately-conducted institution. Instead of being well cared for, it is charged, inmates, were the victims of indifferent treatment.

### How To Heal a Stubborn Abscess

A Home Method Sure to Restore Flesh to Natural Health.

Here are some very valuable facts for all who have any blood trouble with external sores.

Do not cover any sore so as to interfere with perspiration and the formation of protective scabs. Keep it clean and bandaged. If it is a stubborn case, flush your blood with S. S. S. This famous blood purifier works wonders. And you can easily give your blood a good, thorough cleansing by using S. S. S. There is no need for anyone to be dependent over the illness of blood impurities. No matter how badly they attack the system or how unsightly becomes the skin, just remember there is one ingredient in S. S. S. that so stimulates the cellular tissues throughout the body that each selects its own essential nutriment from the blood.

Do not fail to get a bottle of S. S. S. to-day. If your abscess is of such a nature that you would like to consult a specialist, write to the medical department, The Swift Specific Co., 214 Swift Laboratory, Atlanta, Ga.

Beware of any attempt to sell you something else for the blood. Many people have been imposed upon by having some mineral mixture palmed off on them. Ask for S. S. S. and insist that S. S. S. is what you propose to get.

### THE BEST PROOF

Kinston Citizens Cannot Doubt It

Doan's Kidney Pills were used—They brought benefit.

The story was told to Kinston residents.

Time has strengthened the evidence.

Has proven the result lasting.

The testimony is from this locality.

The proof convincing.

Mrs. Lavenia Hall, 30 George St., New Bern, N. C., says: "I suffered from a weak back and pains across my kidneys that made me restless at night. In the morning, I felt tired and had no strength or energy. Secretions from my kidneys were unnatural and caused me no end of annoyance. When I read about Doan's Kidney Pills, I got a supply. They removed the pains and aches. Since then I have had a better appetite and my entire system has been toned up."

### A Lasting Effect.

When Mrs. Hall was interviewed some years later she said: "I take pleasure in confirming my former endorsement of Doan's Kidney Pills. They gave me permanent relief from kidney trouble. During the past few years, I have enjoyed good health."
