HAVE PRETTY HAIR
Thick, Soft, Fluffy, and no Dandruff.
Use Parisian Sage.

If your hair is losing its natural
color, coming out and splitting, or
lacks that enviable softness, gloss
and beauty, do not despair—pretty
hair is largely a matter of care. If
it is too thin make it grow. If it is
harsh and brittle soften it up—lubri-
cate it. If you have dandruff it is
because the scalp is to dry and
flakes off. Freshen up the scalp
with Parisian Sage, all dandruff dis-
appears, falling hair and itching head
cease, your hair is doubly beautiful.
Parisian Sage, sold by J. E. Hood
& Co., and at all drug counters, is
just what you need—a large bottle
costs but 50 cents. It surely makes
the hair lustrous and seem twice as
abundant. You cannot be disappoint-
ed in Parisian Sage. (adv)

Scores of Kinston people can tell
you about Doan's Kidney Pills. Many
a happy citizen makes a public
statement of his experience. Here is
a case of it. What better proof of
merit can be had than such endorse-
ment?

Mrs. S. A. Simmons, 504 N. Her-
itage St., Kinston, N. C., says: "My
kidneys bothered me and I suffered
from dull pains in the small of my
back. The trouble made me restless
at night. I finally got a box of
Doan's Kidney Pills at the Marston
Drug Co. and they improved my con-
dition in every way. I think just as
highly of Doan's Kidney Pills today
as when I endorsed them some years
ago."

MERE MAN.

Mayor Sutton has gone to Char-
lotte, to attend the Carolina Muni-
cipal Association's annual conven-
tion.

THEY DIED WELL.

(Continued from page 1.)
naughts Wyoming and Texas and be-
hind the bands 600 bluejackets, from
these ships.

Next came the coffins in single file.
At the side of each rode a police-
man and at the corner of each cais-
son trudged a National Guardsman.
The Stars and Stripes alone covered
the caskets.

Behind the last caisson came the
carriages bearing the Secretary of
the Navy, senators, congressmen and
representatives of the state and city.

At the city hall, whose columns
and portico were draped in black,
the cortege halted while Mayor
Mitchell placed upon a caisson a
wreath of orchids, the city's tribute.

As he did so the bluejackets stood
at present arms, and 800 school chil-
dren sang "Nearer, My God, to
Thee."

Gathered at the city hall were per-
haps 10,000 spectators. From there
the course lay north, across Man-
hattan bridge to Brooklyn and
the navy yard. There the ceremonies,
as arranged, were simple and compara-
tively brief. A hymn by the battle-
ship bands, an invocation by Chap-
lain William G. Cassard of Annapo-
lis, then President Wilson's address.

Prayers by Rabbi Stephens Wise
and Father John P. Chadwick, chap-
lain of the Maine. Three volleys
fired by a detachment of marines
from the Texas and "taps" by a bug-
ler concluded the program.

IN BEHALF OF JUDGE ALLEN.

(Continued from page 7)
county has ever had down for one
from another county and that the
only Republican county in the eastern
part of the state? I do not believe
that our people are wanting in that
patriotism that rejoices at the success
and promotion of its own citizens
and that prefers its own to those of
another county. We may have our
own differences here but when it
comes to deciding between a Lenoir
county man and a Sampson, or any
other county, man I do not believe
that our people will hesitate as to
which shall receive their support.

Judge Allen is not only the one
judge that Lenoir county has ever
had on the bench but he is the only
state-officer Lenoir county has turn-
ished the state since the time of
Governor Caswell. And should we
follow the policy some would suggest
no one knows when we will have an-
other. Away with such a policy.
And let us as loyal citizens of Len-
oir county show to the state that we
believe that Lenoir county men are
as good as any other.

It is not only a credit and an hon-
or to the county to have a judge on
the bench but it is a very great ad-
vantage and convenience to have a
resident judge. There are always in
all counties a number of special pro-
ceedings and other matters that are
heard at chambers, and numerous or-
ders to be signed or approved by the
judge, and it is no little inconve-
nience and expense to have to run
around to look for a judge to attend
to such matters. We have been saved
this inconvenience and expense in
Lenoir for sometime and I trust will
for sometime to come.

The favorite criticism of Judge
Allen's critics is his goodness, that
is, his leniency. I cannot imagine a
more horrible thing than an in-
humane Judge on the bench. I know
of no public officer who has more
power than a judge, who has to pass
upon the rights of both of the per-
son and property. The judge who
fails to realize his responsibility and
to exercise his powers humanely is
a monster and dangerous. "To terr-
ify is human," and it is easy to ter-
rify him who errs on the side of
mercy. But it is, only divine to ter-
rify the inhumane man especially a
judge who has been given a position
of so much power. I do not believe
the people of Lenoir county want
such a man on the bench.

Deafness Cannot Be Cured
by local applications, as they cannot reach the
diseased portion of the ear. There is only one
way to cure deafness, and that is by constitu-
tional remedies. Deafness is caused by an inflamed
condition of the mucous lining of the Eustachian
Tube. When this tube is inflamed you have a
rumbling sound or imperfect hearing, and when
it is entirely closed Deafness is the result, and
unless the inflammation can be taken out and
this tube restored to its normal condition, hear-
ing will be destroyed forever; nine cases out of
ten are caused by Catarrh, which is nothing but
an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case
of Deafness (caused by catarrh) that cannot be
cured by Hall's Catarrh Cure. Sent for cir-
cular free.
