Winston-Salem, June 23.—Southern Railway train No. 25, bound from Winston-Salem to Charlotte, narrowly escaped being wrecked this evening about 6:00 o'clock by the burning of a trestle over Lash Creek, about two and one-half miles north of Mocksville.

It is reported in a phone message received here from Mocksville that the wreck was prevented by the efforts of Hugh and Carl Anderson and their sister, Mary, eighteen years old, who saw the smoke at a distance and ran more than half a mile to flag the train.

**Predicament of West Carolina Woman in Elizabeth City.**

Elizabeth City, June 23.—Six hundred miles from home, with a sick baby and her purse containing her ticket and all her money stolen, was the predicament in which Mrs. Kate Palmer, of Murphy, N. C. found herself today at noon in the waiting room of the Norfolk Southern railroad just as the passenger train was pulling into the station.

Several people became interested in her distressed condition and a purse was made up by contributions from town people; the railroad company provided her with another ticket and she was sent on her way tonight, amply provided with funds to reach her destination.

Mrs. Palmer had been visiting her parents in Currituck county.

Women are seldom of a warlike nature, yet they are often called to arms.

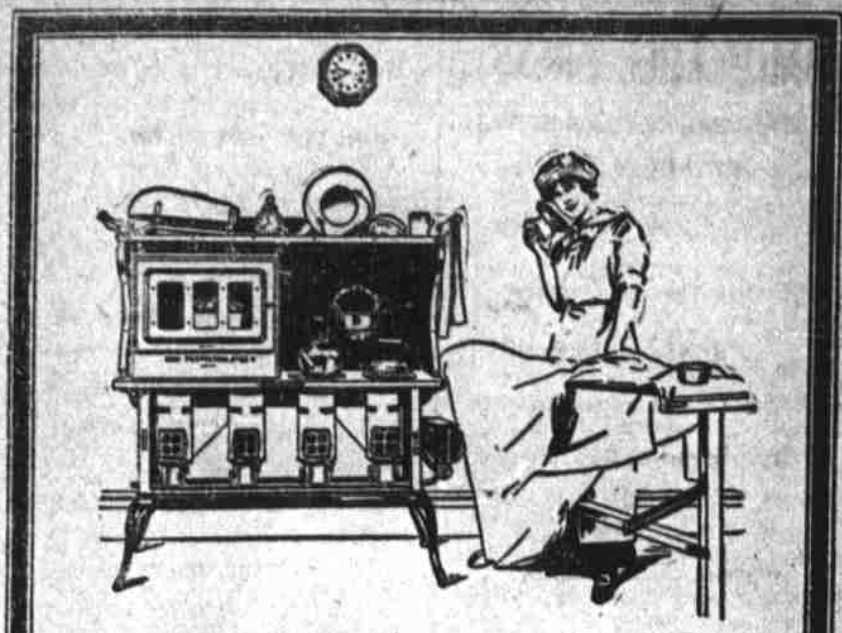

Bladder irritation, kidney troubles, dull headaches, weariness, pain in back and sides, all show the kidneys need to be toned up, strengthened, their regular action restored.
