Many a Kinston Citizen Knows How Sure They Are.

Nothing uncertain about the work of Doan's Kidney Pills in Kinston. There is plenty of positive proof of this in the testimony of citizens. Such evidence should convince the most skeptical doubter. Read the following statement: Mrs. Maria Taylor, 201 W. Peyton Ave., Kinston, N. C., says: "I gladly confirm the public statement I gave several years ago telling how beneficial Doan's Kidney Pills had been in our family. This remedy was procured at the Marston Drug Co. and gave prompt and permanent benefit from kidney complaint."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Taylor recommends. Foster-Milburn Co., Props., Buffalo, N.

Masculine Outfit for Tiny Boy

ON THAT happy day when the baby boy discards dresses and proudly disdains them forever afterward he dons a distinctly masculine outfit like that pictured in the pleasing illustration given here. Lace and thin fabrics are a thing of the past with him, and he is hereafter to be clothed in substantial stuffs to fit the rough-and-tumble experiences of his boyhood which lie before him.

All the world over mothers might follow this manner of dressing the small man, and find it in every way the most satisfactory of styles. It allows the child absolute freedom, is easily kept clean and is smart in appearance. It is so simple in construction that the most ordinary of needlewomen can undertake the making.

All the strongly-woven cotton, linen and plain woolen fabrics, and especially those that will stand tubbing, are used for the tiny boy. Serges, chevots, velveteens (for dressy wear), gingham, coarse, unbleached linens, cotton or wool corduroy, pique and white linens (the last two for dress-up occasions in summer time) and other desirable fabrics make it easy to choose something for him. In the picture shown here the blouse is of a gray flannel, with collar and cuffs of a ribbed fabric in red. The pants are of the same material as the blouse.

The little gray hat of felt has a ribbon band of red and ribbon ties in gray. These ties and the lad's curls are all that is left to him of babyhood, and by the time his years amount to four they must disappear.

It is usual to make two or three pairs of pants to one blouse and to provide a generous hem on the blouse in case of shrinkage. A belt made of two thicknesses of the material in the blouse and strengthened by machine stitching is best fastened with button and buttonhole. Wash fabrics should be shrunk before the suit is made.

Plain fabrics make the most attractive clothes for little boys. On linens or other material suited to embroidery, small patterns appear on the cuffs and collars. Machine stitching makes an appropriate decoration also for boys' clothes. But no ornamentation at all is better than much ornamentation, and embroidery or machine stitching or braiding is to be sparingly used.

Wayne county on a Norfolk Southern train at 10:30, became excited at the idea of being interviewed. He earnestly implored, protested and persuaded, and finally emphatically forbade. Then when he was certain he had secured the tormenter's confidence, he winked and said, "You see, it's a hopeless case; I married her to take care of her." Of course, Mrs. Lee has relatives, but no one who she could depend on.

"Does she have property or money? Well," the bridegroom hesitated, spluttered, and was lost. "Both of us have a little." The train rolled in and Lee called to the bride, "Come on; come along," and bustled out of the door ahead of her. Mrs. Lee, apparently infirm, very wrinkled and grayed and looking much older than the age claimed for her, was helped aboard a coach by the groom and a sun-bonneted personage with them.

Rheumatic Throat Is Common Trouble

Should Be Treated in Blood To Prevent Recurrence.

There are successful gargles that stop soreness in the throat, but to prevent their necessary return, the blood must be put in order. The best remedy is S. S. S. as it influences all the functions of the body to neutralize the irritants or waste products and to stimulate their excretion through the proper channels.

Rheumatic sore throat is a dangerous indication, as it means that the blood is loaded with more uric acid than the kidneys can excrete, and may thus lead to serious general disturbance.

The action of S. S. S. stimulates cellular activity. It prevents the accumulation of irritants in local spots. It enables the arteries to supply quickly the new red blood to replace worn-out tissue.

For this reason uric acid that finds the throat an easy prey to its breaking-down influence, is scattered and eliminated. In other words, S. S. S. prevents chronic conditions of voice with thick, grayish expectorations is overcome. S. S. S., well diluted with water, means a blood bath, since it is welcome to any stomach and at once gets into the blood.

S. S. S. is free of all minerals and contains ingredients wonderfully conducive to well-balanced health. You can get it at any drug store, but do not accept anything else. There is danger in substitutes. S. S. S. is prepared only by The Swift Specific Co., 528 Swift Bldg., Atlanta, Ga. Our Medical Dept. will give you free instruction by mail on any subject of blood disorders. Write today.

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill.

GROOM 26; BRIDE 60

David Lee Married His Wife Through a Purely Humane Motive, He Says

David J. Lee, whose age is recorded as being 26 years, and Caroline Merritt, entered on the books in the register of deeds' office as 60 years of age, were married this morning by Magistrate H. C. V. Peebles. Both are of Wayne county.

This morning about 8 o'clock a young man inquired in a Queen street pharmacy if "an old lady" might rest there a while. The bride-to-be was given a seat and much consideration by the clerks in the store, while her escort went off, presumably to get the license. No one suspected the couple of nuptial intent.

A WOMAN'S CHARM

Beautiful hair, fluffy, lustrous, abundant and free from dandruff, is one of woman's greatest charms—it's her main delight—yet many who would be most attractive but for their streaked thin and lifeless hair, think there is no remedy and that pretty hair is a gift of nature. Beautiful hair is really a matter of care and attention. Parisian Sage, when rubbed into the scalp and applied to the hair, will work wonders—you will be surprised and delighted with the first application—not only will the hair appear abundant, soft, fluffy, radiant with life, but really doubly beautiful.

Parisian Sage supplies hair and scalp needs. It surely removes dandruff with one application and cleanses the hair of all dirt and excessive oil. It is an inexpensive, scientific tonic, and contains nothing to injure the hair or scalp. It can be secured from J. E. Hood & Co., or at any other drug store.
