W. D. Barwick, a planter of the New Hope section of Wayne county, is the owner of a turkey gobbler that is "mothering" 13 little turkeys. Suggs Batted Hard But Wins.

The St. Louis Federals Thursday batted George Suggs, of the Baltimore Terrapins, for 12 hits, but luck and good support were in the Kinstonian's favor and he stuck the nine innings out and won, 5 to 4. Florence Told All the Neighbors

"You come in and see my Florence oil cook stove work just once—and you won't be happy until you have one."

"You can have a slow, simmering fire on one burner at the same time you have a quick, hot fire on another—and the other one regulated exactly to any work you want done. Just set the levers as you want them—and you can go away for two hours and find all the burners at exactly the same heat when you come back. That's because the oil supply is automatic and there are no wicks."

"It's so simple, so clean, so convenient, so cool, that I don't know what I should do without it."

"My husband has tested the FLORENCE with other stoves and he says it produces a wonderful amount of heat for the oil consumed and that it costs only about two cents an hour to run four burners."
