**Most Skin Trouble Readily Overcome**

The Active Principle of a Famous Remedy Works Wonders.

Many people have misread the way S. S. S. overcomes skin troubles. The explanation is the fact that S. S. S. works in the blood and the blood is really a most intricate and extraordinary mass of arteries and veins.

When you come to realize that the skin and the flesh beneath are composed of a network of tiny blood vessels you solve the mystery.

There are wonderful medicinal properties in S. S. S. that follow the course of the blood streams just as naturally as the most nourishing food elements.

It is really a remarkable remedy. It contains one ingredient, the active purpose of which is to stimulate the tissues to the healthy selection of its own essential nutriment. And the medicinal elements of this matchless blood purifier are just as essential to well-balanced health as the nutritious elements of the meats, grains, fats and sugars of our daily food.

Not one drop of minerals or drugs is used in its preparation. Ask for S. S. S. and just insist upon having it. And if you desire skillful advice and counsel upon any matter concerning the blood and skin, write to the Medical Department, The Swift Specific Co., 529 Swift Bldg., Atlanta, Ga.

Do not allow some scoundrel clerk's eloquence ever something "just as good" as S. S. S. to fool you with the same old mineral drugs. Beware of all substitutes. Insist upon S. S. S.

**WISHED SHE COULD DIE**

And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering, from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework."

The least amount of work tired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.

**SOCIAL And PERSONAL**

Mr. W. G. Grady is spending a few days at Morehead City.

Mr. E. B. Hargett spent Friday in New Bern.

Misses Agnes McLean, of Lumberton, N. C., and Miss Jean Harris, of Wilmington, who have been guests of the Misses Shaw at Liberty Hill, returned to their homes this morning.

Between the hours of 5 and 7 Friday evening, little Miss Adelaide Randolph gave a party at the home of her sister, Mrs. J. E. Hudson, on North Queen street, complimentary to her guests and several other visiting little ladies. The guests were met at the door by Miss Margaret Copeland and introduced to the honor guests by Misses Margaret Whitaker and Adelaide Randolph. Miss Mary Hardy invited the party to the punch bowl, where Misses Doris Hooker and Parrott served. Miss Charlotte Harding, of Alabama, and others rendered musical numbers. The dining room, decorated in white and yellow, was a charming scene when the young people repaired there for an ice course. Souvenir fans and chains were presented the guests. The out-of-town little folks present were: Masters Joe and John Carleton, Princeton, Va.; Misses Helen Thompson, Aurora, N. C.; Margaret Waters, New Bern; Della D. Slaughter, Goldsboro; Louise Best, Warsaw; Thelma Underwood, Clinton, and Charlotte Harding, Montgomery Ala. Those who called to meet them were about 40 young Kinstonians.

Young men of the city were the hosts on a hay ride to Kelley's Mill Wednesday evening, in honor of visiting young ladies. After the journey to the mill a watermelon feast was served at the ice house. Those who spent the pleasant evening were Roger Brooks with Miss Adelle Medlin, of Bennettsville, S. C.; Roger Sutton with Miss Mamie Ruth Churchill, Eugene Norris with Miss Helen Mason, of Rocky Mount; John Haskitt with Miss Sadie Braxton, Kirby Tyndall with Miss Zeldia Brooks, Tom Knott with Miss Letha Hargett, Corny Tyndall with Miss Hilda Braxton, and Mrs. J. W. Braxton, chaperone.

Sixteen young men and ladies enjoyed a hay ride Wednesday evening. The party drove to a farm about three miles from the city, and there were served watermelons. The return was made about 10 o'clock.
