**GOOD NEWS TO CALOMEL USERS**

Dodson's Liver Tone is a perfect vegetable remedy to take instead of calomel and is guaranteed to be harmless. If you have trouble with constipation or biliousness, be careful how you take calomel, because calomel is a form of mercury, and if mercury remains in the system very long, it will salivate and seriously injure the strongest person that ever lived.

If you need something to start the liver to working take Dodson's Liver Tone. It is a harmless vegetable liquid which will liven up the liver as well as calomel does and without any bad after effects. No restriction of habit or diet is necessary. Dodson's Liver Tone is as safe for children as it is for grown people and everybody likes its taste.

Buy a bottle for five cents from E. B. Marston-Drug Company and if you do not find that it absolutely takes the place of calomel, the drug store will give you your money back as soon as you ask for it. No argument—this is the guarantee that talks. AC7

**Littleton College**  
A well-established, well-equipped, and very prosperous school for girls and young women. Fall term begins September 16, 1914. For catalogue, address  
J. M. RHODES, Littleton, N. C.

**SOCIAL  
And  
PERSONAL**

Miss Beulah Speight is visiting friends in Pitt county.

Mrs. W. B. Stox of Pitt county is the guest of relatives here.

Miss Myrtle Heath recently visited friends in Greene county.

Miss Kate Chapman of Winterville was a visitor in the city this week.

Mr. Leon Simmons, of Mt. Olive, has been on a visit with relatives here.

Mrs. Klebear Denmark is spending a few days with her sister, Mrs. W. M. McArthur at Smithtown.

Miss Irma Tapp has returned from a visit with friends in Bessemer, Alabama.

Miss Catharine Wooten is visiting a relative, Mrs. Lillie Lamb, in Sampson county.

Misses Hattie Lou Whitfield and Nannie Smith are the guests of Mrs. W. A. Whitfield in Clinton.

Miss Nannie Frizzelle is visiting in the home of Mayor J. Paul Frizzelle at Snow Hill.

Prof. J. M. Perry of Dawson has been assisting in a series of meetings at the Christian church in Pungo, N. C.

Mr. B. A. Wooten of Demopolis, Ala., is a visitor here. Mr. Wooten left this county in 1887, and is now a prosperous planter of Southern Alabama. He has a number of brothers and sisters living in Lenoir county, one of whom, Mrs. H. W. Russell, will give a dinner in his honor this evening at her home near Kennedy's Mill.

Miss Sybil Hyatt has returned from Durham, where she attended the State Council of the J. O. U. A. M. Miss Hyatt is interested in the furtherance in North Carolina of the Daughters of America, the woman's auxiliary of the Junior Order. Three national officers of the Daughters were at Durham. There are now only five lodges of the Daughters of America in this State.

A report from the bedside of Mrs. L. N. Montgomery, who has been in a Greensboro hospital for some time, and whose life was despaired of several weeks ago, is to the effect that she is now on the road to recovery and is expected to be able to return home in a few weeks.

**MRS. L. O. HAYES DEAD.**  
Wilson, Aug. 21.—Mrs. L. O. Hayes, wife of a prominent Fremont physician, died in a hospital here yesterday, after an extended illness.

**SHERIFF COULDN'T LOCATE MURDERER.**

Sheriff Taylor has returned from Dunn, N. C., where he went upon receipt of intelligence that Simeon Jones, colored, who murdered Haywood Caho, another negro, near Pink Hill, in April, was believed to be there. The quest was unsuccessful.

5 or 6 doses of 666 will break any case of Fever or Chills. Price, 25 cents. (Adv.)

**Children Cry FOR FLETCHER'S CASTORIA**

**BOLD BURGLARS WORK  
IN BROAD DAYLIGHT**

Three vagrant negroes, all unknown, commenced a remarkably daring series of housebreakings in the extreme northeastern part of the city at 10 o'clock this morning which resulted in the calling of every policeman and sheriff's officer in the city to the scene.

In broad daylight the trio broke into a dwelling, from which the colored family was absent, and rifled the contents of a trunk and drawers, securing articles of trifling value. The house was one of several located in close proximity to the Kinston Silk Mills. After leaving this house they attempted to enter another, but were frightened off by dogs. A negro woman saw them in the attempt to break into a third house, and telephoned for a policeman. Patrolman J. F. Skinner called for assistance when he arrived, and the downtown section was the scene of considerable excitement when the unfounded rumor was circulated that the robbers had disarmed and terribly handled Skinner. Officers rushed to the scene, finding the policeman unharmed and the criminals gone.

Woods were handy in which the negroes found concealment, and it is believed they finally escaped by a country road. The roads leading out of town are being watched.

**"TIM" BRYMN, FORMER  
PRESS FEEDER, IN TOWN**

Now a Musician of Some Note, and Composer of "Josephine, My Jq."

Timothy Brymn, who forfeited a bond and left this, his native town, nineteen years ago, is back again after having achieved more fame possibly than any other citizen who ever left Kinston. Brymn is the country's foremost negro composer. The pompous, sleek individual who came to be at the bedside of a very ill father, is as much a Southern darkey as was the strapping who left his native heath nearly two decades ago.

Brymn "took up" in New York, where he was a Pullman porter for a time. He then drifted into music, and displayed such talent that by some means or another he got to Berlin, where he received the best tutoring obtainable. In 1902 and 1903 one of his compositions, a rag, with the title "Josephine, My Jq," was the sweep of the country. Brymn has written many pieces which have had national and international circulation.

"Tim" Brymn, when a boy, fed the press in The Free Press shop. Steam, gasoline and electricity were not much in use as motive power in country printeries at that time, but good muscle power was much in demand. Mr. L. J. Mewborn, cashier of the Farmers and Merchants Bank now, was the foreman then. While "Tim" Brymn stuck the sheets back in the grippers one at a time, Peter Brinn, his father, laboriously turned the big wheel which revolved the cylinder and dragged the platen back and forth, and ground out the papers. Peter Brinn, patriarch of his race, and having the esteem of the whites of his community after a life nearly done, but very well spent, was replaced by an engine, and Timothy Brinn set forth and found fame.

**DR. FOLEY RETURNS  
FROM VERA CRUZ**

New Bern, Aug. 21.—Dr. J. F. Foley, a local veterinarian, has returned from Vera Cruz, where he was stationed as a veterinary surgeon with the American occupying force. With no prospect for active service, the staff of animal doctors with the army is being curtailed, and Dr. Foley took advantage of this to secure his discharge from the service, although he enjoyed the time spent in the Mexican seaport.

**CHECK FLASHERS AT  
WORK IN RALEIGH.**

Raleigh, Aug. 20.—A young woman now giving her name as Lena Smith, of Petersburg, but who registered at Wright's Hotel early in the week with her male companion, as "Charles S. Wells and wife, Baltimore," is in the city prison here and the police are looking for Wells, the two being wanted for passing bogus checks on a number of Raleigh merchants. The woman was arrested near Selma yesterday after she and Wells had slipped out of the hotel by way of the fire escape and gotten out of the city.

**CHILE INTERESTED IN  
SOUTHERN MADE GOODS.**

Chattanooga, Tenn., August 21.—Southern manufacturers will be interested in the announcement made by Mr. C. L. Chandler, South American Agent for Southern Railway and affiliated lines that the director general of public works at Santiago, Chile, has established an office for the collection of catalogues, price lists, and circulars of construction material, also data concerning improvements in construction material and methods.

This bureau will be frequented by the official Chile engineers and architects as well as by private constructors. Catalogues, circulars and quotations should be sent to La Direccion Jeneral de Obras Publicas, Santiago, Chile. All such matters should be in the Spanish language, and, if possible, weights and measures in the metric system and prices in the Chilean currency. In the opinion of Mr. Chandler the move is one of importance to Southern manufacturers generally, as it will give them an opportunity to place their products before an open court where material will be judged on their merits entirely, and that on this ground American manufacturers should easily outstrip their European rivals.

**HEALTH OFFICER  
FOR PITT COUNTY.**

Greenville, Aug. 21.—The mayor of Greenville has been instructed by the council to communicate with the mayors of the other towns in Pitt county, relative to hiring a "whole-time" county health officer. The officer would have an office here, but work throughout the county.

**HAIR MADE BEAUTIFUL.**

Beautiful hair, thick, fluffy, lustrous and absolutely free from dandruff is not so much a gift of nature as a matter of care and proper nourishment. Hair is like a plant—it will not grow healthy and beautiful unless it has attention and proper nutriment.

Parisian Sage, daintily perfumed and easily applied, tones up and invigorates the roots of the hair, and furnishes the necessary nourishment to not only save and beautify the hair, but also stimulate it to grow long, heavy, soft, fluffy and radiant with life.

When used frequently and rubbed into the scalp, it will simply work wonders. Just one application stops itching head, removes dandruff and cleanses the hair of all dust and excessive oil.

Since Parisian Sage, which can be obtained from J. E. Hood & Co., or at any drug store, never disappoints, it is no longer necessary for any woman to be humiliated because of thin, streaky, faded, lifeless or unattractive hair.

FOUNDED 1838 CHARTERED IN 1859

**TRINITY COLLEGE  
DURHAM, N. C.**  
A Southern College of liberal arts with an established national reputation for high standards, noble traditions, and progressive policies. Its large endowment fund makes possible its first-class equipment and large faculty of well trained and carefully chosen teachers. Student fees low. How the Largest Exclusive Tire Factory Keeps Cost Down and Keeps Quality Up

**Firestone  
TIRES**  
Cost No More Than Average

Every facility for economical production that science has been able to produce has been brought to bear in the Firestone plant to give you Firestone quality at ordinary price. The power plant, where one man feeds the boilers that produce 9000 horsepower, is one example of Firestone scientific management.

Every man in this factory is a tire specialist, doing his work with skill and accuracy. Here nothing but tires is made, and every ounce of steam power, every effort of the workmen, every bit of study and thought, are focused on the making of Firestone Tires. This concentration and specialization in production make it possible to give highest quality at a cost no greater than only average tires.

The great Firestone plant naturally attracts the country's greatest tire experts.
