Stallings fooled the wise ones around the Tener circuit by keeping Schmidt on first base. When the season opened and ti was seen Stallings was going to depend on Schmidt to hold down first base, the critics began to pan the Boston manager. Schmidt wouldn't do, they said. Schmidt fooled the wise ones and proved the worth of Stallings' judgment. The big fellow has been playing a remarkably good fielding game. He was raw at the start of the season, but he improved noticeahly every day, and it wasn't long until he took on a polish that stamped him as better than the ordinary. And he has been hitting at

Crutcher and Strand have both taken part in several games and look to have the makings of stars.

The outfield is a well balanced department. Devore, former Giant; Cather, former Cardinal; Whitted, Connolly, are most frequently in the lineup. Stallings uses many changes in his outfield, using left-hand batters on the day right-hand pitchers are working against his club, and right-hand hitters when southpaws are working. That his judgment has been good is shown by the standing of the Braves in the percentage col-
