There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Foley's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and cures the system. They offer you a hundred dollars for every case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Beware of cheap imitations.

HERE IS GOOD NEWS FOR STOMACH VICTIMS.

Some very remarkable results are being obtained by treating stomach liver, and intestinal troubles with pure vegetable oils, which exert a cleansing, soothing and purifying action upon the lower bowels, removing the obstructions of poisonous fecal matter and gases and preventing their absorption by the blood. This done, the food is allowed free passage from the stomach, fermentation ceases and stomach troubles quickly disappear.

George H. Mayr, for twenty years a leading Chicago druggist, cured himself and many of his friends of stomach, liver and intestinal troubles of years' standing by this treatment, and so successful was the remedy he devised that it has since been placed in the hands of druggists all over the country, who have sold thousands of bottles.

Though absolutely harmless, the effect of the medicine is sufficient to convince any one of its remarkable effectiveness, and within 24 hours the sufferer feels like a new person. Mayr's Wonderful Stomach Remedy is now sold here by J. E. Hood & Co.

YOUNG MAN VICTIM OF CONFIDENCE GAME

W. O. Colie, a young man of Institute, was robbed of \$30 in the Neuse Hotel, a south Queen street boarding house, when he spent Friday night there with Ernest Allen, who was employed as a rehandler in a tobacco warehouse. Allen told Colie, who was fresh from the country, that he intended to join the Board of Trade and buy on this market, and promised the youth that he should be his agent on one warehouse floor. Allen took Colie to his room to spend the night. "I've got \$30," said Colie, shoving a \$20 and a \$10 bill into his watch pocket. In the morning the money was gone. Allen paid his bill and left the house, telling the proprietor that he intended going to Ayden. The officers are seeking him.

NEAR DEATH BY SMOTHERING

But Husband, With Aid of Cardui,
Effects Her Deliverance.

Draper, N. C.—Mrs. Helen Dalton, of this place, says: "I suffered for years, with pains in my left side, and would often almost smother to death.

Medicines patched me up for awhile but then I would get worse again. Finally, my husband decided he wanted me to try Cardui, the woman's tonic, so he bought me a bottle and I began using it. It did me more good than all the medicines I had taken.

I have induced many of my friends to try Cardui, and they all say they have been benefited by its use. There never has been, and never will be, a medicine to compare with Cardui. I believe it is a good medicine for all womanly troubles."

For over 50 years, Cardui has been relieving woman's sufferings and building weak women up to health and strength.

If you are a woman, give it a fair trial. It should surely help you, as it has a million others.

Get a bottle of Cardui to-day.
