

## OF LOCAL INTEREST

### MARRIAGE LICENSE.

License was issued to only one couple to marry during the past twenty-four hours. They were Roscoe Whitfield, 20, and Letha Turnage, 19, colored, both of this county.

### RIVER SWOLLEN BY

#### RAINS AND TIDE.

Neuse river is high from the heavy rains of the past several weeks. Friday the stream at tidewater was two feet above the average also from the tide from the sound.

### BURIAL OF MR. J. G. COX

#### SUNDAY MORNING.

The funeral of the late Judge James Gabriel Cox will be conducted tomorrow morning at 10:30 o'clock by Dr. B. W. Spilman, assisted by Rev. C. W. Blanchard, pastor of the First Baptist church.

### DISEASED CATTLE IN

#### ADJOINING COUNTIES.

There is an epidemic of cattle disease of a nature not diagnosed, not very prevalent, however, in Greene and Pitt counties, veterinarians say. Lenoir, with the strict federal quarantine in effect, is practically free from all infectious stock diseases.

### FUNERAL OF MRS. SCOTT.

The funeral of the late Mrs. J. H. Scott, who died at her home on Manning street Friday morning, was conducted in Queen Street Methodist church, of which she was a member, this afternoon at 2 o'clock by the pastor, Rev. H. A. Humble. Interment was in Maplewood cemetery.

### SOUTHERN TRAIN TO

#### RALEIGH DELAYED.

A number of Kinston people were on the Southern train from Goldsboro at 10:45 to Raleigh Friday night and were delayed nearly two hours when a drawhead pulled out as the train was leaving the Goldsboro yards. The start was delayed to 12:26 and the passengers did not arrive in the Capital City until 2:30 o'clock.

### UNIVERSALIST MEETINGS

#### IN DUPLIN COUNTY.

Rev. Willard O. Bodell, pastor of the Church of the Eternal Hope here, and Rev. J. L. Everton of Clinton will conduct evangelistic meetings for the Universalist church at Magnolia and other places in Duplin county next week. The object will be to increase the membership and influence of the church in this section of the State, where it has taken on greater strength than in any other part of North Carolina.

### CLAIMS HE WAS ROBBED.

Reuben Sparrow of Falling Creek, when he was released by the police Friday night after having been locked up for drunkenness, declared he had been robbed of \$10. His statement was given credence. Sparrow, who was found lying in a back lot, said he had been paid \$391.25 for tobacco marketed here during the day. Three hundred dollars he remembered having paid out. He then took one drink of whisky with a man, after which he lost control of his faculties. When he regained them he was short \$10 of the remaining \$391.25. The police say Sparrow had the symptoms of a man who had been drugged.

### HAD 'EM AGAIN.

Clarence Daughtridge, a carpenter, who several weeks ago was rescued by the sheriff from the low-grounds near the iron bridge after he had laid out on the river bank for several days in a condition approximating starvation and insanity from over indulgence in drink, late Friday asked a policeman to protect him from frenkish monsters which pursued him in the hallucinations of tremens. He was locked up. Daughtridge created a scene in the county jail after being locked up on the previous occasion, and the jailer was required to despatch a number of theoretical pink and heliotrope snakes to pacify him.

### BAD NEGRO HAD

#### A BIG REVOLVER.

A Colt's .38 revolver, long-barrel, was taken from Lee Teachey when a policeman arrested him on Queen street Friday night for robbing other negroes at a lumber camp near Pink Hill two weeks ago. Teachey has a bad reputation. It is said that after committing the robberies he "shot up" the camp, without injury to any one. A clerk in the offices here of the lumber concern which operates the camp recognized Teachey, for whom the county authorities had searched vigorously, on the street, and informed a patrolman, who took him into custody.

### TO ORGANIZE WOMAN'S AUXILIARY OF JUNIORS

A lodge of the Daughters of America, the ladies' auxiliary of the Junior Order of United American Mechanics, will be organized Monday

evening in the Juniors' Hall. All prospective members, who will not be able to attend, are requested to send the initiation fee, which will be used as their proxy. Officers will be elected and application made for the lodge's formal institution. There will be no secret work at this initial meeting. Miss Sybil Hyatt is taking the lead in the movement for the organization.

### IGNORANCE OF LAW DIDN'T SAVE HIM.

The Pitt county officers, who arrested him, believe that Jordan Cox, colored, was sincere when he stated that he did not know the law forbade him having more than a gallon of whisky in his possession. Cox is a negro who was found with six quarts of intoxicants. Evidently the man, living remotely, had no knowledge of the new statute. A magistrate ordered him held for Superior Court.

### PALMER MEWBORN IS THE PROGRESSIVE ASPIRANT

Named By Bull Moosers for Congressional Race Against Kitchin and Dixon—One Democratic Candidate Endorsed.

The Progressive county organization is having its tickets printed for the election on November 3. To the great majority of electors who are not yet acquainted with it the ticket is interesting. Palmer Mewborn of this county, is recommended for Congress against Congressman Claud Kitchin, Democrat, and W. O. Dixon of Greene, Republican. Albert C. Brown, son of the Republican county chairman, is named for representative; Emmett Stroud for sheriff; H. I. Sutton for register of deeds and H. C. Phillips for surveyor. Jesse Heath, the Democratic candidate, is endorsed for clerk of the court. For county commissioners the nominees are: D. W. Taylor, Vance; B. F. Daugherty, Kinston; L. P. Tyndall, Pink Hill; J. G. Smith, Woodington; John P. Walters, LaGrange. F. W. Sparrow is the choice for coroner.

### WORK BEING RUSHED ON PERRY MEMORIAL.

(By the United Press.)

Put-in-Bay, O., Oct. 24.—In an effort to complete the huge Perry memorial monument at Put-in-Bay, in the few remaining weeks before the close of lake navigation, workmen are rushing the work on the stone shaft, which will commemorate the victory on Lake Erie of Commodore Perry over the British naval expedition. Roy H. Robinson, the contracting engineer, who is directing the work, now hopes to have the tower entirely finished by December 1.

W. T. Huchens, Nicholson, Ga., had a severe attack of rheumatism. His feet, ankles and joints were swollen, and moving about was very painful. He was certainly in a bad way when he started to take Foley-Kidney Pills. He says, "Just a few doses made me feel better, and now my pains and rheumatism are all gone and I sleep all night long." J. E. Hood & Co.

### KEEP YOUR STOMACH AND LIVER HEALTHY

A vigorous Stomach, perfect working Liver and regular acting Bowels is guaranteed if you will use Dr. King's New Life Pills. ### When You Buy a Chalmers You Buy More Than Just a Car

Into every Chalmers car we build goes the spirit of the Chalmers Factory—an ideal of high quality at a fair price.

Every essential part of Chalmers cars is built in the Chalmers shops by Chalmers trained men. Each part is not only fine in itself; it carries its maker's pride in his workmanship.

For the Chalmers Factory provides every essential of fine production.

1st. The buildings themselves are big, modern and light. The Factory is surrounded by wide lawns dotted with shrubs and flowers. It is a pleasant place to work.

2nd. Chalmers men know when they enter the factory that the best materials and most up-to-date tools will be provided them. And when they leave at night, it is with a sense of having built as well as human skill can build.

3rd. Chalmers workmen know that the ambition of the Chalmers Company is not for mammoth volume or quick profits, but rather for sufficient volume to give quality at medium prices, for a product of such excellence that Chalmers cars shall be always first among cars of their prices.

### The Bed is Important, But--- How About The COMFORTS?

The Selection of the Proper Comfort is just as important as the selection of any part of the bed. A Comfort that is filled with any impure or unsanitary material is a menace to health, and will inevitable be harmful. It has been found that the most sanitary, and probably the warmest comfort filling is pure white cotton down. Such is the
