**VANDERBILT COMPETING  
IN ST. LOUIS HORSE SHOW.**

St. Louis, Oct. 26.—With the entire stable of Alfred G. Vanderbilt entered, competition between Eastern and Middle Western exhibitors at the St. Louis horse show was keen today on the eve of the opening night. Among the Vanderbilt entries are Vigilant, Viking, Vogue and Victor, which escaped British military authorities when they commandeered a portion of the Vanderbilt British stable. Percy Vanderbilt will officiate as judge of jumpers during the show. Charles Wilson will act as whip for the Vanderbilt entries. Ten army officers in the vicinity of St. Louis will show their mounts and another exhibitor will be Miss Loula Long, of Kansas City, owner of many famous horses. Edward Von Der Horst Koch, a German authority, will judge the heavy harness class.

**REPUBLICANS CUT  
DOWN REPRESENTATION  
FROM SOUTHERN STATES.**

New York, Oct. 25.—The bitter struggle waged since 1880 to reduce the representation of southern states in Republican national conventions has been won. Charles D. Hilles, chairman of the Republican national committee, announced today that the call for the convention of 1916 would be on the new basis, which reduces the number of delegates by 89. Most of this loss falls on the south.

**FOURTH AMERICAN ROAD  
CONGRESS NOVEMBER 9**

Atlanta Will Entertain Distinguished Gathering of Good Roads People. Railroad and Automobile Folks Much Interested.

Nearly every railroad president in the south and southwest will be in Atlanta upon the occasion of the Fourth American Road Congress, which convenes in that city for the week of November 9. It is probable that eminent railroad executives from other sections of the country will also attend the meeting. In addition to these chief executives there will be a large number, possibly running into the hundreds, of officials representing traffic and industrial departments of railroads. Prominent among the men who will emphasize the fundamental importance of relation between the railroad and the wagon road at the Atlanta meeting are Fairfax Harrison, president, Southern Railway; L. E. Johnson, president, Norfolk and Western Railway, and Geo. W. Stevens, president, C. & O. Railway. This important representation of prominent railroad men in connection with the Fourth American Road Congress emphasizes not only the newer conception of railroad policy that "railroads must be traffic makers as well as traffic carriers, but also indicates that these men look upon the American Road Congress as a vital factor in the development of the south's transportation system. It is probable that as a result of this feature of the Atlanta meeting the propaganda work by railroads for the furtherance of road improvement will be made much more systematic and effective than it has been in the past. This improvement will come through correlation so that the less progressive will benefit by the working policies of the more progressive railroads.

**PRISONER WHO ESCAPED  
WHILE TRIAL WAS GOING  
ON AGAIN IN CUSTODY.**

Asheville, Oct. 26.—After remaining away from Asheville for more than a year following his sensational escape from the court house, where he was awaiting trial, Milton Hensley was captured at Weaverville yesterday and is being held at the county jail to face the charges on which he was arraigned when he slid from the court chamber to the ground, three stories below on a rope. The prisoner recently was captured at Columbia and requisition papers were issued for his return to this State. The papers, however, were not honored by Governor Blease, who heard Hensley's tale of woe at the latter's cell. When caught, the prisoner stated that he was released from jail at Columbia and decided to return to Western North Carolina to "look around."

**A GOOD MEDICINE  
FOR POOR BLOOD**

Mrs. Brunson of Bellefontaine, Ohio, Believes Vinol is the Best Remedy in the World. Her Personal Experience.

Bellefontaine, Ohio.—"My blood was very poor and I was in a weak, nervous, run-down condition. I tried different medicines without benefit and one day my druggist told me about Vinol. In all I took four bottles and certainly got the results I was looking for. It built me up in every way, blood, strength and nerves and I tell my friends it is the best medicine on earth. Many of them have used it and found it so."—Mrs. Earl Brunson, Bellefontaine, Ohio.

As long as the blood is impoverished, thin and poor you will be weak, pale and tired all the time. Vinol, our delicious cod liver and iron tonic, supplies iron to the blood, purifies and enriches it, while the cod liver elements contained in Vinol creates strength, and rebuilds wasting tissues.

Vinol is not a secret nostrum, simply the medicinal elements of the cods' livers, with the useless nauseating oil eliminated, and tonic iron added. Try a bottle of Vinol with the understanding that your money will be returned if it does not make you stronger, feel younger and give you an added interest in life. J. E. Hood and Co., Druggists, Kinston, N. C.

NOTE.—You can get Vinol at the leading drug store in every town where this paper circulated. (adv.)
