## HAVE YOU CATARRH

That's the Way You Use Hyomei, the  
Safe Catarrh Remedy.

The most pleasant, easiest, harm-  
less, and the really sensible method  
for the cure of catarrh is Hyomei,  
which can be had from any drug store.  
Just put twenty drops of the liquid  
in the small inhaler that comes with  
every complete outfit—then breathe  
it. A few minutes' use almost in-  
stantly clears the head and stops that  
annoying sniffing.

When using Hyomei every particle  
of air that enters the breathing or-  
gans is charged with an antiseptic,  
healing balsam that destroys the ca-  
tarrh germs, stops the unclean dis-  
charges from the nose, relieves the ir-  
ritation and quickly heals the sore  
and inflamed tissues. The first day's  
use of Hyomei will show a decided im-  
provement no matter how distressing  
the trouble.

Catarrh, which usually begins with  
a neglected cold, often becomes a very  
serious ailment, so don't wait, but  
start using Hyomei today—it is in-  
expensive and—J. E. Hood and Co.  
always sells it on the "No-cure-no-  
pay" plan. (adv.)
