

"PINK HILL IS WIDE AWAKE"

PINK HILL is located in the heart of the Best Bright Tobacco Belt in the world.

PINK HILL is surrounded by a thrifty class of white farmers who pay little attention to cotton, but lots of attention to the culture of corn, tobacco, peanuts and hogs.

PINK HILL is suffering but very little from existing world wide abnormal conditions.

PINK HILL wants more merchants, more small industries, more folks and offers

Free Factory Sites

Free Business Lots

PINK HILL is a land of opportunity by reason of it's resources and possibilities.

PINK HILL has ample raw material for wood working plants and cheap material for buildings.

PINK HILL has good schools, good churches, good water and good folks--good neighbors.

PINK HILL offers large building lots at nominal prices and will heartily appreciate newcomers.
