PINK HILL NOTES
OF INTEREST

Pink Hill, N. C., Dec. 29.—Mrs.
Lola Williams and children, of Rox-
boro, are visiting Mrs. Williams'
father, Mr. J. W. Worley.

Mr. and Mrs. Ernest Willard, of
Kinston, were here recently, the guests
of Mr. G. S. Willard.

The teachers and pupils of the Pink
Hill school were greatly pleased last
Tuesday, when the school suspended
for the holidays, when they were visit-
ed by the trustees and Mr. T. S.
Grady and others. The children ren-
dered a short program, including new
Christmas songs, and Mr. Grady made
a talk, alluding to the history of the
school and its progress. In the course
of his remarks he noted the fact that
school was without library and ex-
plained that the county would give
\$10 and the State \$10 if the school
would raise the same amount. The
money was quickly raised.

Then came a surprise. Each child
was given a sack of confectioneries
and a toilet set was presented to each
of the teachers, Misses Celia Maxwell
and Sadie Tyndall, as gifts from the
board of trustees.

Scientific Relief
for all pain

You suffer because your circula-
tion, in the affected part, is disturbed
—because of congestion and inflam-
mation, causing the pain. Ask your
doctor—he cannot deny this truth, be-
cause it's scientific. Nixon's Men-
thol Balm (which is a noted special-
ist's favorite prescription) recognizes
this scientific cause of pain and gen-
tly stimulates, restoring the circula-
tion to its normal (and painless) con-
dition, and at the same time heals
and soothes in a most comforting way
because of its antiseptic, penetrative,
and healing qualities. Used external-
ly only—for coughs, colds, sore
throat, carache, pleurisy, La Grippe,
pneumonia, tonsillitis, hoarseness, ca-
tarrh, burns, soreness and stiffness
of all kinds, including rheumatism. Easy
and pleasant to apply. Not a "cure-
all," but a wonderful scientific reme-
dy for all sufferers. To be had in
Kinston, N. C., only at the drug store
of J. E. Hood & Co., for so little as 25
cents a bottle.

Beware of Ointments for Catarrh
That Contain Mercury

As mercury will surely destroy the sense of smell
and completely derange the whole system when
entering it through the mucous surface. Such
articles should never be used except on prescrip-
tions from reputable physicians, as the damage
they will do is too foul to be told to the good you can
possibly derive from them. Hall's Catarrh Cure,
manufactured by F. J. Cheney & Co., Toledo, O.,
contains no mercury, and is taken internally,
acting directly upon the blood and mucous sur-
faces of the system. In buying Hall's Catarrh
Cure be sure you get the genuine. It is taken
internally and externally. Sold by Druggists. Price, 75c. per bottle.
Take Hall's Family Pills for constipation.

VERY IMPORTANT IS
WOMEN'S PART IN THE
EUROPEAN STRUGGLE

London, Nov. 16. (By mail to Nev
York)—If the British Royal family
ever have to work for their livings,
Princess Mary will have no difficulty
in getting a job as stenographer or
secretary. During the present crisis
she has made herself invaluable to
her father, and has been acting as
sort of extra special private secretary
to the King. She is a capable short-
hand writer and typist and the king
has been glad of an assistant whom
he can trust with the family secrets
and weighty affairs of the state. She
shows no signs of feeling the strain of
carrying stupendous state secrets.

Petrograd (By Mail to New York)—
A Russian sister of mercy, named
Yevgheneeya Korkeenh, has been
decorated with the band of St. George
and a medal in recognition of her re-
markable bravery and devotion in
moving, single-handed, a field hospital
under fire.

Ms. Korkeenh was working in a
Russian hospital in the neighborhood
of Soldau, East Prussia. When the
Germans attacked the Russian posi-
tion she remained all alone in the hos-
pital attending to the wounds of offi-
cers and privates. The hospital was
quickly in the zone of the enemy's
fire, and the brave nurse seeing that
her patients must be moved, went out-
side and procured a number of horses,
harnessed them, found several vehi-
cles and drove them away to a place
of safety. The hardships and dan-
gers which Nurse Korkeenh experi-
enced have greatly affected her health
and she has come to Petrograd with
a view to taking a short vacation, be-
fore returning to the front. The
Minister of War personally presented
the medal and decoration, and thank-
ed her for her heroic services.

Capetown (by Mail to New York)—
All South Africa is ringing with the
praise for bravery of a young woman
at Winburg, Orange River Colony.
When the town was occupied by the
Boer rebel General DeWet and his
followers, some of the men hauled
down the Union Jack from the court
house and trampled it in the dust.
The young woman, Mrs. Elizabeth
Pionaar, rushed out into the street
and forcing her way through the
group of rebels, snatched up the flag
and bound it around her waist like a
sash. The men demanded to know
what she intended to do with the flag.

"For the present I carry it with me,"
she said, "and you dare not to touch
me. When decent people return we
will hoist it again." The rebels abus-
ed her, verbally, but did not touch
either her or the flag, which was very
promptly hoisted again when General
Botha recaptured the town.

Vienna (by Mail to New York)—
In order to provide her son with win-
ter underclothing, the fifty-year-old
mother of a young volunteer serving
with the Austrian army tramped in
the rain for three days from her home
at Szegeedini Hungary, to field head-
quarters.

London (by Mail to New York)—
Two weeks ago Miss Dorothy Thomp-
son, a wealthy young woman of Blyth,
offered to give \$500 to the War Relief
Fund if an additional 100 of the un-
married young men of her town would
enlist in Kitchener's new army. The
desired number of recruits was ob-
tained in ten days and today the
Prince of Wales received Miss
Thompson's check for the promised
amount.

BOXING IN NEW YORK

Reformers Say Boxing Commission
and Frawley Law Have Failed to
Keep Sport Clean—Just Prize-
fighting and Simple Order
Now

By Hal Sheridan
(Written for the United Press)
New York, Dec. 29.—If the reform-
ers of the fighting game in this state
have their way during the coming ses-
sion of the Legislature there will be
no more boxing. Despite the efforts
of the Boxing Commission to keep the
sport clean the reformers declare the
Frawley law hasn't abolished betting
and brutality. They maintain that
the sport as it is played now is still
prizefighting, pure and simple.

It can be said that the reformers
are not entirely without support and
sympathy. When the last attempt was
made to repeal the Frawley law it
almost met with success. Lawmakers
from upstate sustained the repeal
vigorously as the sentiment toward
the sport in their districts was any-
thing but favorable.

During that time the reformers
spread stories of frame-up fights, bet-
ting, and gave instances of brutality.
The same tactics it is believed, will be
resorted to this time with the Smith
Coffey bout which was fought early
this month used as an instance.

It is alleged that during the fight
ringside spectators violated the bet-
ting law and several witnesses can be
produced who saw transactions made
and odds offered of 11 to 10 on Smith.
It is quite possible that Gov-elect
Whitman will do something to save
the exit of the pugilist. But his atti-
tude is unknown beyond that he has
stated that he is not opposed to the
game, properly conducted.

It is being broadly hinted that de-
spite the ruling of the National
League that no club should report for
Spring training before March 1, sev-
eral managers have ordered the appear-
ance of their teams at least one week
ahead of that date for practice.
