

OF LOCAL INTEREST

H. N. HARDY TO BE SENT BACK TO NEW BERN MARKET

Mr. H. N. Hardy, who was stationed on the New Bern tobacco market a few months ago, and has since been buying here, is to be returned to New Bern by his company.

MARRIAGE LICENSES.

Marriage licenses were issued Friday to two couples: White, Edgar Howard, 29, and Vley Brown, 25, both of Lenoir county. Colored: George Perry, 22, and Olivia Sutton, 18, both of Lenoir county.

COMING BASKETBALL EVENTS.

Kinston and Dover High School quintets play in Knott's Warehouse tonight. The local amateurs are trying to secure a game with a recently organized team of similar class in Goldsboro. High school teams of the section are displaying a hesitancy in accepting invitations from the Kinston amateurs, to play, and so far none have accepted. There are few other quintets of their class in towns in this vicinity and the local team is having trouble in staging events.

NO DELAYS BETWEEN REELS NOW AT THE GRAND THEATER

The additional machine has been installed at the Grand, and was in operation Thursday afternoon and night. There will be no more delays incident to changing reels and a saving of about one-fourth of the time in covering the picture program will be possible with the two machines. The first installment of Zudora was shown Thursday and attracted a large attendance. A special four-reel feature, "Lay down your arms" is the leader for today and tonight. Next Tuesday afternoon the serial, "Runaway June" will be begun and admission to the first performance will be free. Ladies and children will be especially welcome. The picture program will be suspended Tuesday night to make way for the presentation of the musical comedy, "The Prince of Tonight."

MUSICAL NUMBERS IN THE "PRINCE OF TONIGHT."

Among the hits being sung in "The Prince of Tonight," the big Chicago success to be seen at the Grand Theater here Tuesday night, are the following: "Her Eyes are Blue for Yale," "The Girls That Can Never Be Mine," "I Wonder Who's Kissing Her Now," "I Don't Want to Marry Your Family," "Can It Be Love?" "Tonight Will Never Come Again," "You Won't Know Anybody There," "You're a Dear Old World After All," "The Best Thing a Waiter Does is Wait," "Follow the Rainbow Trail," "I Fell in Love on Monday," "I Can't Be True So Far Away," "My Lady Nicotine," "Everything That Father Did Was Right," and others. The production is a beautifully and extravagantly mounted spectacle, with many scenic features, and 45 people on the stage at one time. Constance Skinner said of the chorus of twenty beauties, "All the girls are dreams."

JUDGE ALLEN DELIGHTED OVER LEGISLATIVE ACT

Judge O. H. Allen is taking a week off at home. He conducted court in Robeson county last week, and cleared the business of a two weeks' term off in half the time, thereby pleasing the people there immensely and earning a vacation for himself. Judge Allen is one of the jurists most enthusiastic about the passage by the Legislature of the act making Eastern and Western judicial districts in the State, and having ten judges in each. The new system will, by the method of rotation in vogue, put a judge on the bench in his home district once in five years, that is for six months, and he will never be more than a couple of hundred miles away from his family. Heretofore they have often been required to remain in districts four or five hundred miles distant from their homes for months at a time. In such instances the traveling expenses often totalled more than the allowance for such expenses. North Carolina is one of the only two States in the Union with judges traveling in such rotation, Judge Allen states.

Asthma-Catarrh and Bronchitis

Can Be Easily Relieved by the New External Vapor Treatment.

Don't take internal medicines or habit-forming drugs for these troubles. Vick's "Vapo-Quin" Salve is applied externally and relieves by inhalation as a vapor and by absorption through the skin. For Asthma and Hay Fever, melt a little Vick's in a spoon and inhale the vapors, also rub well over the spinal column to relax the nervous system. 25c, 50c, or \$1.00.

VAPORUS
FOR COUGH AND SALVE

WAS NO DEFENSE LEFT FOR CLAUD FERRELL

Stole One Part of a Hog, Had It Taken From Him and Placed in Juxtaposition with Other Part, and is Convicted.

Claud Ferrell, colored, plead guilty when arraigned before Magistrate C. V. Peebles at the Courthouse this morning on the charge of larceny. Ferrell is a country black who several nights ago was arrested upon the complaint of South Kinston negroes who declared that Ferrell, representing himself to be the proprietor of a pressing club, had kept and secreted clothes given him when he solicited "work." He was jailed. Doc Farrow, another colored man, residing some miles from here, learned of his detention and came to town and preferred the larceny charge. He accused Ferrell of the theft of a section of a dressed pig. Officers located the meat in Ferrell's possession.

Ferrell was confronted with an exhibit which took all the starch out of what defense he may have intended. Lying on a table was the larger portion of a salted hog, presented before the court by Farrow. On the table with it was about two-fifths of unquestionably the same porker, the meat taken by the officer. The two were placed together and Ferrell squinted at the sight visibly embarrassed. The two-pieces fitted together perfectly.

WOMAN ESCAPES FROM COUNTY ROADS CAMP

Sophia Midyette, Cook, Sentenced From Onslow County. Simply Walked Away—Efforts Being Made to Capture Her

Probably the first woman to ever "escape" from a penal institution in this section is Sophia Midyette, a negro, who walked away from the county convict camp a few miles from the city Thursday afternoon. She has not been seen since. Immediately after her departure the authorities were notified to keep a watch out for her. It is believed the woman is hiding in the woods and making her way by degrees towards Onslow county. She is described as being of slight build and a little more than five feet tall. Sophia Midyette was sentenced to six months in jail by Superior Court at Jacksonville, under the vagrant act, but was turned over by the commissioners to the Lenoir county authorities to serve her time as cook for the county roads gang.

BOY SHOOTS HIMSELF WITH SMALL RIFLE.

"J. W." Black, Jr., the small son of General Manager J. W. Black of the Caswell Cotton Mills and Mrs. Black, shot himself through the foot at their home on East Gordon street, Thursday, while playing with a .22-calibre rifle. The cartridge contained shot, but the whole load went through his foot as easily as if it had been a bullet.

NORFOLK SOUTHERN WILL NOT APPEAL STATION CASE

The Norfolk Southern Railroad's appeal from a judgment of Superior Court, requiring it to establish a station on the George F. Parrott farm near Falling Creek has been withdrawn, it is stated on good legal authority. The case was a notable one in court here last year. The old Atlantic and North Carolina Railroad agreed to place a station on the farm many years ago in exchange for right of way privileges. The Norfolk Southern, successor to the A. & N. C., declined to live up to the contract, Mr. Parrott sued and won, and defendant gave notice of appeal. It is said that Mr. Parrott has been informed that the appeal will be withdrawn and the station, to be called "Parrott's," maintained.

It is expected also that the appeal of the plaintiff in Mallison vs. Norfolk Southern Railroad, in which Mrs. Mallison alleged injury from having to wait in an improperly-heated depot, will be withdrawn, according to a prominent lawyer. This was another contested case which required some time to try at a term in 1914.

With these two big matters out of the way, the appeals from Lenoir county to be heard by the next term of the Supreme Court will all be comparatively unimportant as well as few in number.

HOW TO CURE A CHRONIC COUGH

Told in the Following Letter by a Jackson Man Who Knows from Experience—His Word is Good.

Jackson, Miss.—"I am a carpenter, and the gripe left me not only with a chronic cough, but I was run-down, worn out and weak. I took all kinds of cough syrups, but they did me no good. I finally got so weak I was not able to do a day's work, and coughed so much I was alarmed about my condition. One evening I read about Vinol and decided to try it. Before I had taken a quarter of a bottle I felt better, and after taking two bottles my cough is entirely cured, all the bad symptoms have disappeared and I have gained new vim and energy."

—John L. Dennis, 711 Lynch Street, Jackson, Miss.
The reason Vinol is so successful in such cases is because the active medicinal principles of cod liver oil contained in Vinol rebuilds wasting tissues and supplies strength and vigor to the nerves and muscles while the tonic iron and wine assist the red corpuscles of the blood to absorb oxygen and distribute it through the system, thus restoring health and strength to the weakened, diseased organs of the body.

If Vinol fails to help you, we return your money.

NOW...TODAY

Is the time to start your INCUBATOR for EARLY SPRING CHICKENS. If you haven't one, begin now to investigate and see the

CYPHERS' SELF-REGULATING INCUBATOR

In four sizes—70, 144, 244 and 390-Egg Capacity. It is the incubator that hatches from 75 to 100 per cent. of the fertile eggs and makes Strong, healthy Chicks that Grow Fast. Only a few minutes each day required to adjust and regulate the machine. Put it in your bed-room or other convenient place and start a flock of Spring Chickens that will lay your winter eggs next winter.

The Cyphers' Incubator is used by most large poultry raisers, which is one of the best reasons why you should use one.

We have Incubators from Six Dollars to Thirty-eight Dollars, in all sizes from fifty to three hundred and ninety-egg capacity. Brooders, Chicken Feed, Grit Shell, Charcoal, Beef Scrap, Poultry Necessities

OSTEOPATHY DEFINED
Osteopathy is a system of healing disease by scientific manipulations, the purpose of each manipulation being either to adjust some derangement in the position of the tissues or to increase or to decrease the activity of some organ. It is not a remedy for some particular disease, but successfully treats all curable non-surgical, acute and chronic diseases.
