

**OF LOCAL INTEREST**

**MASONS TO MEET.**

St. John's Lodge, No. 4, A. F. and A. M., will meet in regular communication this evening at 7:30 o'clock.

**DOG BIT BOYS.**

City Veterinarian J. F. Foley has tied up a vicious dog which on Sunday bit the small sons of K. M. Harris and G. E. Rayner. Neither of the boys was seriously bitten. Dr. Foley declares the animal was not rabid.

**THREE ARRESTED FOR AFFRAY ON SUNDAY**

Gus Shivers, Oscar Tyndall and Pete Phillips, three white men, were arrested by a deputy sheriff at a place near the iron bridge Sunday afternoon for affray. The officer was on the scene when the fight started. The trio were ordered to trial this evening at 8 o'clock.

**OLD SOLDIER TO HOME.**

Veteran Jimmie Jones of Contentnea Neck township, was sent to the State's Home at Raleigh this morning by Clerk of the Court Heath. Comrade Jones is eighty years of age and a veteran of the 67th North Carolina regiment. Comrade James Banks, now at home on furlough, is the only other Lenoir county man at the home.

**CIVIL SERVICE EXAMS.**

A. S. Taylor, local secretary to the United States Civil Service Commission, announced today that competitive examinations under the rules of the commission will be held throughout the United States on March 10, between March 11 and May 17, and on April 14, for something like 75 positions in the government service. Prospective applicants can get detailed information from Mr. Taylor at the postoffice.

**MRS. DODSON'S BODY TAKEN TO RICHMOND.**

The remains of the late Mrs. Chas. E. Dodson, wife of the prominent tobaccoist, who passed away at her home in North Kinston Friday of apoplexy, were taken to Richmond Sunday morning, with the expectation that the funeral would be held about 5:30 o'clock that afternoon. Mr. Dodson, who was summoned home from the Kentucky tobacco region, missed a connection and met the remains in Weldon.

**GOOD PROGRAM AT GRAND TODAY, MATINEE AND NIGHT**

The Grand's program today and tonight includes some of the best pictures shown in the city. "The Wishing Ring," a great Shubert feature in four reels, is the top liner. "Dear Old Girl" and Hearst Sellig features will complete the program—seven reels in all. Tuesday afternoon the management will introduce their great serial, "Runaway Jane," with a complimentary presentation during the afternoon. Everybody will be admitted free. Tuesday night the musical comedy, "The Prince of Tonight," will be shown.

**CASE STRONGER AGAINST APOSTLE TOM MILLER.**

The State's case against Tom Miller, apostle of the unique East Bright street negro, religious cult now in trouble with the authorities, has been made stronger, it is asserted, by the discovery of new evidence which will make another and distinct charge against him possible. Abduction, adultery, disorderly conduct, and the new charge, if it is brought, make the "Rev." Tom's little affair with the authorities rather complicated. His second hearing, set for Saturday, was postponed. It is supposed that the action will progress far enough before the next term of Superior Court to have him indicted then, since it seems almost certain that "probable cause" will be found in some of the counts at least.

**SEVENTY SEVEN YEARS OLD**

George W. Clough, Prentiss, Miss., who had suffered greatly with kidney trouble, writes: "Foley Kidney Pills are the only remedy that ever did me any good at all." Just think of the relief and comfort that means to him. Foley Kidney Pills are recommended for sleep disturbing bladder troubles, pain in sides or back, rheumatism and kidney and bladder ailments. For sale by J. E. Hood & Company, adv.

**MARRIAGE LICENSE.**

One marriage license was issued to Harry Grubbs, 24, and Marion Harrison, 18, white, both of Lenoir county.

**SUFFRAGISTS MEET TUESDAY.**

There will be a called meeting of the Equal Suffrage League Tuesday afternoon at 4 o'clock, at the home of Miss Sybil Hyatt on Queen street. All members are urgently requested to be present, as there is important business to be taken up.

**FUNERAL OF F. R. HODGES.**

Hundreds of friends and relatives from throughout the county attended the funeral in Maplewood cemetery Sunday afternoon of the late F. Roland Hodges. Other members of Mr. Hodges' family were laid away in Maplewood cemetery before his demise, and that was the reason for bringing the remains here, although his home in Institute township was nearer by six miles to LaGrange.

Mr. J. C. Caldwell, president of Atlantic Christian College at Wilson, assisted Mr. C. W. Howard and Mr. B. P. Smith in conducting the funeral. There were many friends gathered to pay the last tribute to their departed friend, and perhaps there was never a more largely attended funeral in the history of Kinston.

**ENGINEER WHITE EXPECTED TO COME ABOUT MARCH 1.**

Gilbert White, the noted consulting engineer, who was retained by the officials to supervise the extensive street, lighting and sewerage improvements to be made next summer, is expected to arrive here about the first of March with his plans, specifications and contracts all ready to give out. The \$100,000 bond money is confidently expected to be available some time this week. Mr. White may advertise for bids as soon as he receives notice that the money is in hand, and actual work, it is expected at City Hall, will be commenced not later than March 15.

If a better cough syrup than Foley's Honey and Tar Compound could be found, we would carry it. We know this reliable and dependable medicine has given satisfaction for more than forty years; therefore we never offer a substitute for the genuine. Recommended for coughs, colds, croup, whooping cough, bronchial and lagrippe coughs. No opiates. Sold by J. E. Hood & Company, adv.

**MATERIAL TO COMPLETE PEYTON AVE. PAVING.**

The city authorities have ordered enough Lillington cement-clay-gravel material to complete the improvement of a block on Peyton avenue between Queen and Heritage streets. A carload of the material presented by the manufacturers to the city paved about a third of the block, and it was decided to order about twice as much more. The demonstration proved everything the makers claimed for the composition, it is said. Bryant Taylor, the county roads superintendent, declares it is the best material for roadways he has yet seen. Its cost is about 40 cents a square yard, or less than one-sixth the cost of brick. The pavement somewhat resembles asphalt, is smooth and easily placed, and if oiled frequently enough can be easily rendered waterproof. The mixture is made at Lillington, N. C.

**NEGRO ACCUSED OF FORGING A CHECK.**

A negro named John Watson, from the Smithfield section, was held and committed to jail in default of bail by Municipal Court Saturday on the charge of forging a check. Watson had been employed by Amos Becton, the well known Jones county planter, who had been in the habit of paying the negro with checks. He gave an order on a bank for \$60., bearing a good imitation of Mr. Becton's signature, to the management of the Oettinger furniture store. It was cashed and Watson disappeared until late in last week. The authorities are looking for a negro who had been Watson's intimate, whom they suspect of complicity.

**OSTEOPATHY DEFINED**  
Osteopathy is a system of healing disease by scientific manipulations, the purpose of each manipulation being either to adjust some derangement in the position of the tissues or to increase or to decrease the activity of some organ. It is not a remedy for some particular disease, but successfully treats all curable non-surgical, acute and chronic diseases.

**CYPHERS' SELF-REGULATING INCUBATOR**

In four sizes—70, 144, 244 and 390-Egg Capacity. It is the Incubator that hatches from 75 to 100 per cent. of the fertile eggs and makes Strong, healthy Chicks that Grow Fast. Only a few minutes each day required to adjust and regulate the machine. Put it in your bed-room or other convenient place and start a flock of Spring Chickens that will lay your winter eggs next winter.

The Cyphers' Incubator is used by most large poultry raisers, which is one of the best reasons why you should use one.

We have Incubators from Six Dollars to Thirty-eight Dollars, in all sizes from fifty to three hundred and ninety-egg capacity.

Brooders, Chicken Feed, Grit Shell, Charcoal, Beef Scrap, Poultry Necessities
