KINSTON VS. DOVER HERE THIS EVENING

The Kinston Commodores will play Dover again tonight in Knott's warehouse at 8 o'clock. The Commodores have defeated Dover twice this season, but the latter will not give up, and they promise to give Kinston an interesting game tonight.

Tyndall will be in the line-up for the Commodores tonight at forward in place of James, whose eye was injured in the game at Dover last week.

Prof. Gaston of Dover was in the city yesterday, and he said that Dover had been practicing hard and would present a much better team than the ones that have played before.

The Commodores are negotiating for more games, and expect to stage some first class contests in the near future. The game tonight will be played regardless of the weather.
