JONES THINKS DAY OF THE BATTLESHIP PAST

Too Vulnerable to Submarine Attacks, Says "Little Navy" Leader Who, However, Won't Protest New Construction for Sake of Board's Policy

(By the United Press) Washington, Feb. 17.—"Not a single battleship should be built by this country this year," declared Senator Jones, of Washington, in discussing the naval appropriation bill. "I will not make any fight to prevent one or two battleships being built for several reasons. The most important is that the Naval Board seems to wish to keep up a certain program and I have no wish to interfere with that. But as to the actual value of battleships, I do not believe that the construction of one, two, three or four battleships this year would add materially to the strength of the power of resistance of the United States. "This great war now raging in Europe, and for that matter all over the world, has demonstrated one thing very clearly, and that is that a little submarine, costing perhaps two or three hundred thousand dollars and carrying less than one hundred men, can with comparatively immunity sink a big dreadnaught of the enemy that cost \$15,000,000 and carries a crew of about 1,000 men. When struck by the torpedo from the submarine, incidentally, the big boat becomes a mere deathtrap for her large crew, including the scores of officers which the government owning the dreadnaught had spent so much money to educate and train."

Colds Relieved Without Dosing

If you have tried "Internal" medicines without success, we want you to try the "External" treatment—Vick's "Vap-O-Rub" Salve. Apply hot wet towels over the throat and chest to open the pores, then rub Vick's in well and cover with a warm flannel cloth. The body warmth releases healing vapors that are inhaled with each breath, and, in addition, Vick's is absorbed through the pores. 25c, 50c, or \$1.00.

A WAY OUT

A Resident of Kinston Shows the Way.

There's one effective way to relieve kidney backache. Liniment and plasters may relieve it;

But they seldom reach the cause. Backache is caused to suspect the kidneys.

Doan's Kidney Pills are for disordered kidneys.

Kinston people back them up.

Read a case of it. Mrs. I. S. Andrews, 513 Heritage St., Kinston, says: "About a year ago I had kidney complaint. My back ached and pained all the time and in the morning I was so sore and lame that I could hardly stoop over. I tired very easily and it was an effort for me to do my housework. I also had headaches and spells of dizziness and my sight was blurred. Doan's Kidney Pills relieved me from the first and I continued using them until I was cured of all symptoms of kidney troubles."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Andrews had. Foster-Milburn Co., Props., Buffalo, N. Y. adv

DOVER VICTORIOUS OVER COMMODORES.

The Commodores, the local basketball quintet, fell victims to the strong Dover amateurs in Knott's warehouse Tuesday night. The score was 18 to 13, and the game was well played throughout. The Dover team had twice before played the locals and each time been defeated, and confidently announced a day or two ago that they would reverse matters this week. The Commodores are slated for a game with New Bern later in the week.

YOUTH CAUGHT IN BELT, WHIRLED TO HIS DEATH.

Winston-Salem, Feb. 16.—Oscar Spaugh, aged 17 years, was suddenly killed about six miles from here this afternoon at 2 o'clock, when he was caught by a belt which he was trying to put on the fly-wheel of a saw-mill engine. When he was caught and carried around the first time he struck the belt running the governor and knocked it off. The governor did not shut off the steam entirely and the unloaded engine ran at a terrific speed, carrying the young man around the fly wheel for about fifteen minutes before it was stopped.

Children Cry FOR FLETCHER'S CASTORIA

BELGIUM'S CAPITAL NOW IS IN SUBURB OF CITY OF HAVRE

By William G. Shepherd (United Press Staff Correspondent) Havre, France, Feb. 2. (By mail to New York)—Squeezed into a little suburb, known as Nice-Havrains, is the Belgian government. In the house once occupied by a rich German shipper, the Belgian war department carries on its busy affairs. In another mansion, deserted by a German, the foreign office holds sway and on the second floor of a long line of store buildings most of the other departments have their temporary offices. France has turned over this little spot to Belgium. Nice-Havrains is not French soil, but Belgian, and it will remain so by the promise of France until the king of Belgium rides again into Brussels.

It is the Belgian postoffice that is the most interesting spot in this little Belgium. The French postmaster moved out, bag and baggage, when the Belgians came, and the Belgian department of posts and telegraphs took it over. The telegraph business amounts to a little, but in the matter of posts this little office probably holds the world's record for its size. It is a paradise for postage stamp collectors. They besiege the place, from the opening to the closing hour. They come from all parts of the countries of the allies. Some of them live at a nearby hotel and day after day they repair to the little postoffice and buy stamps of all denominations which they affix to postal cards and thrust into the letter slots.

It strikes an onlooker—especially one who is not a victim of the postage stamp craze—as a gruesome business, this matter of making the Belgian ill wind blow well for themselves, but this as a thought appears to have struck neither the postage stamp collectors themselves nor the pretty Belgian girl and the brown-looking Belgian fellow, with the brown mustache, who preside at the stamp window. They have batches of stamps including one of every denomination—ready for any person who comes up and says, "Give me all of them."

THIS WOMAN WAS VERY UNHAPPY.

Physically and Mentally Worn Out— Tells How Nervous and Crying Spells Were Ended by Vinol. Monmouth, Ill.—"I was weak, wornout and nervous. I had no appetite, and was getting so thin and discouraged, one day I just broke down and cried when a friend came in and asked me what was the matter. I told of my condition and how nothing I took seemed to do me any good. Vinol was suggested. I got a bottle and before it was half gone I could eat and sleep well. I continued its use and now my friends say I look ten years younger, and I am well, healthy and strong. I wish I could induce every tired-out, worn-out, nervous woman to take Vinol."

Mrs. Harriet Gale, Monmouth, Ill. There are many over-worked, tired-out, care-worn, nervous women in this vicinity who need the strengthening, tissue building, and vitalizing effects of Vinol, our delicious cod liver and iron tonic, and so sure are we that it will build them up and make them strong that we offer to return their money if it fails to benefit.

Vinol is a delicious preparation of the extract of cod liver oil and peptonate of iron and contains no oil. J. E. Hood & Co., Druggists, Kinston, N. C., and at leading drug-stores everywhere. adv
