New York, Feb. 23.—The recent increase in the cost of wheat bread and flour will not cause suffering among the poor, in the opinion of C. H. Canby, president of the Chicago Board of Trade, who testified today at the investigation of the New York State attorney general into the causes of this increase. The witness also expressed the belief that there will be a surplus of wheat at the end of the crop year June 30.

"The poor will not stop eating bread because it is raised in price one cent a loaf," asserted Mr. Canby, "but they will economize."

MOTHERS OF DELICATE CHILDREN

Should Read the Following Letter—Mrs. Slack's Story About Her Child's Recovery Is Entirely Reliable.

Palmyra, Pa.—"Three years ago my little girl had black measles which left her with a chronic cough and so awfully thin you could count all her ribs, and she coughed so much she had no appetite.

"Nothing we gave her seemed to help her at all until one day Mrs. Neibert told me how much good Vinol had done her little girl, so I decided to try it for my little one, and it has done her so much good she is hungry all the time, her cough is gone, she is stouter and more healthy in color, and this is the first winter she has been able to play out in the snow, coasting and snow-balling without any ill effects."—Mrs. Alfred Slack, Palmyra, Pa.

We know Vinol will build up your little ones and make them healthy, strong and robust, therefore, we ask parents of every frail and sickly child in this vicinity to try a bottle of Vinol, our delicious cod liver and iron tonic without oil.

If we can induce you to try a bottle of Vinol as a body-builder and strength-creator for your child, and you do not find it is all we claim, we will return your money on demand. J. E. Hood & Co., druggists, Kinston, N. C., and at leading drug stores everywhere. adv
