**ARRANGEMENTS MADE FOR
RELIGIOUS CENSUS SUNDAY**

All Churches Have Selected Their
Quota of Canvassers to Whom
the Various Sections of the
City Will Be Assigned.
The churches on yesterday selected
a large number of canvassers who will
assist in taking the religious census
of the city on next Sunday afternoon.
The city has been divided into thirty-
two sections and to each of these sec-
tions a group of workers will be as-
signed. They will visit every house
in the district and ascertain the relig-
ious preference of the residents. The
results of this work will give to the
churches of the city very valuable in-
formation. The entire city will be
covered and it is being planned to do
all of it in two hours.

**EMMETT WOOTEN WAS LAID
TO REST IN MAPLEWOOD
CEMETERY SUNDAY EVENING**

(Continued from Page 1)
Gallatin Roberts of Buncombe, Rep-
resentative E. J. Tucker of Person,
Representative Robert S. Hutchinson
of Mecklenburg, Representative F. P.
Hanes of Forsythe, Representative D.
R. Noland of Haywood, Representa-
tive R. G. Kittrell of Vance, Repre-
sentative T. D. Brown of Rowan, Repre-
sentative D. G. Brummett of Gran-
ville, Representative J. B. Smith of
Cleveland and Representative T. F.
Cherry of Edgecombe. Dr. J. Y. Joy-
ner, State Superintendent of Public
Instruction, and Mrs. Joyner; Judge
Oliver Allen of the Superior Court
and Mrs. Allen, Supreme Court Clerk
J. L. Seawell of Raleigh, U. S. Mar-
shal W. T. Dortch of Goldsboro and
Solicitor Abernethy of New Bern
were among those around the grave.
Major W. W. Pierce of Goldsboro and
Col. J. D. Langston of Goldsboro of
the National Guard, were present in
civilian clothes.

The floral offerings numbered about
125. They came from all parts of
the State, and were the handsomest
ever seen here. Two immense pieces
came too late for the funeral. These,
the tributes of the Senate and the
House of Representatives, were placed
on the grave this morning. The
House sent a magnificent wreath sev-
eral feet in diameter of carnations,
violets and lilies-of-the-valley. The
Senate's offering was a cross over six
feet in length, comprised of lilies-of-
the-valley, orchids, violets and car-
nations. The Governor of the State
sent a beautiful design of unusual
shape, of ferns, white and pink car-
nations and gauze ribbons to match.
One of the prettiest designs of all
was that of the Knights of Harmony.
Magnolia leaves formed the base for
a wreath with pink and white carna-
tions, the circle surmounted by a
snow-white dove.

The honorary pall-bearers appointed
before the funeral were J. P. Kelly,
Southwest; Parker Howard, Pink Hill;
D. A. Whitfield, Trent; Clarence
Humphrey, Woodington, Simeon Foss,
Moseley Hall; Kirby Sutton, La
Grange; Carr Carraway, Vance; D.
Dawson, Falling Creek; E. L. Hardy,
Institute; J. R. Fields, Contentnea
Neck; John H. Sutton, Sand Hill; C.
A. Dudley, Neuse, and all the mem-
bers of the Bar Association. The
active pallbearers were Dr. Claud L.
Pridgen of Wilmington, H. H. Grain-
ger, J. G. Dawson, Guy G. Moore, Ol-
iver Miller and Postmaster W. D.
LaRoque.

It was a very sad delegation which
accompanied the body here from the
Capital. Senator Johnson of Duplin
county, who was with Mr. Wooten
when an automobile in which they
were riding was ditched near Raleigh
early on the morning of the 19th, and
the Speaker sustained the injury from
which he died Saturday afternoon.
was one of those who felt the loss
most. He was a close friend to the
unfortunate young head of the House
of Representatives. Mr. Wooten was
exceedingly popular in Raleigh, and
the city was shocked when he died.
His death occurred on the same date
that two years ago marked the death
of a brother. Mrs. Wooten, who had
been with her husband constantly
since the accident, was with him to
the end and came home with the re-
mains. Mrs. Mary Wooten, the moth-
er of the Speaker, had to take to her
bed from her grief.

Many Kinston people met the body
in Goldsboro Saturday night. The
Bar Association and the Chamber of
Commerce met between 4 and 5 o'-
clock and appointed committees to
draft resolutions and to meet the cas-
ket and the bereaved relatives in
Goldsboro. A large crowd met the
funeral train here shortly after 11
o'clock.

**NEWSPAPER REPORTER
GETS MAN OUT OF JAIL**

Characteristic Inquisitiveness of the
"Species" Discovered Order That
Had Been "Overlooked" Giv-
ing Canady His Freedom.

A Free Press representative got
Pete Canady, colored, out of jail to-
day. Canady had been ordered re-
leased by the coroner late Saturday.
The official order, bristling in techni-
cal language, informed the sheriff
that "wherein so and so," etc., and
the sheriff took it for granted, without
finishing the reading, that he was or-
dered to hold Canady right on. The
last sentence stated that he should
be released immediately. He had
to stay in jail almost forty-eight
hours through a mistake, and might
have remained indefinitely except for
the inquisitiveness of The Free Press
man. "By George," said the sheriff,
and hastened off to turn Canady out.
The negro was arrested several weeks
ago as a witness in the case of Paul
Hill, who was killed either by a train
or by John Sanders, colored, now a
fugitive, near Caswell station.

**300,000 RESERVES FOR
THE NATION'S DEFENSE.**

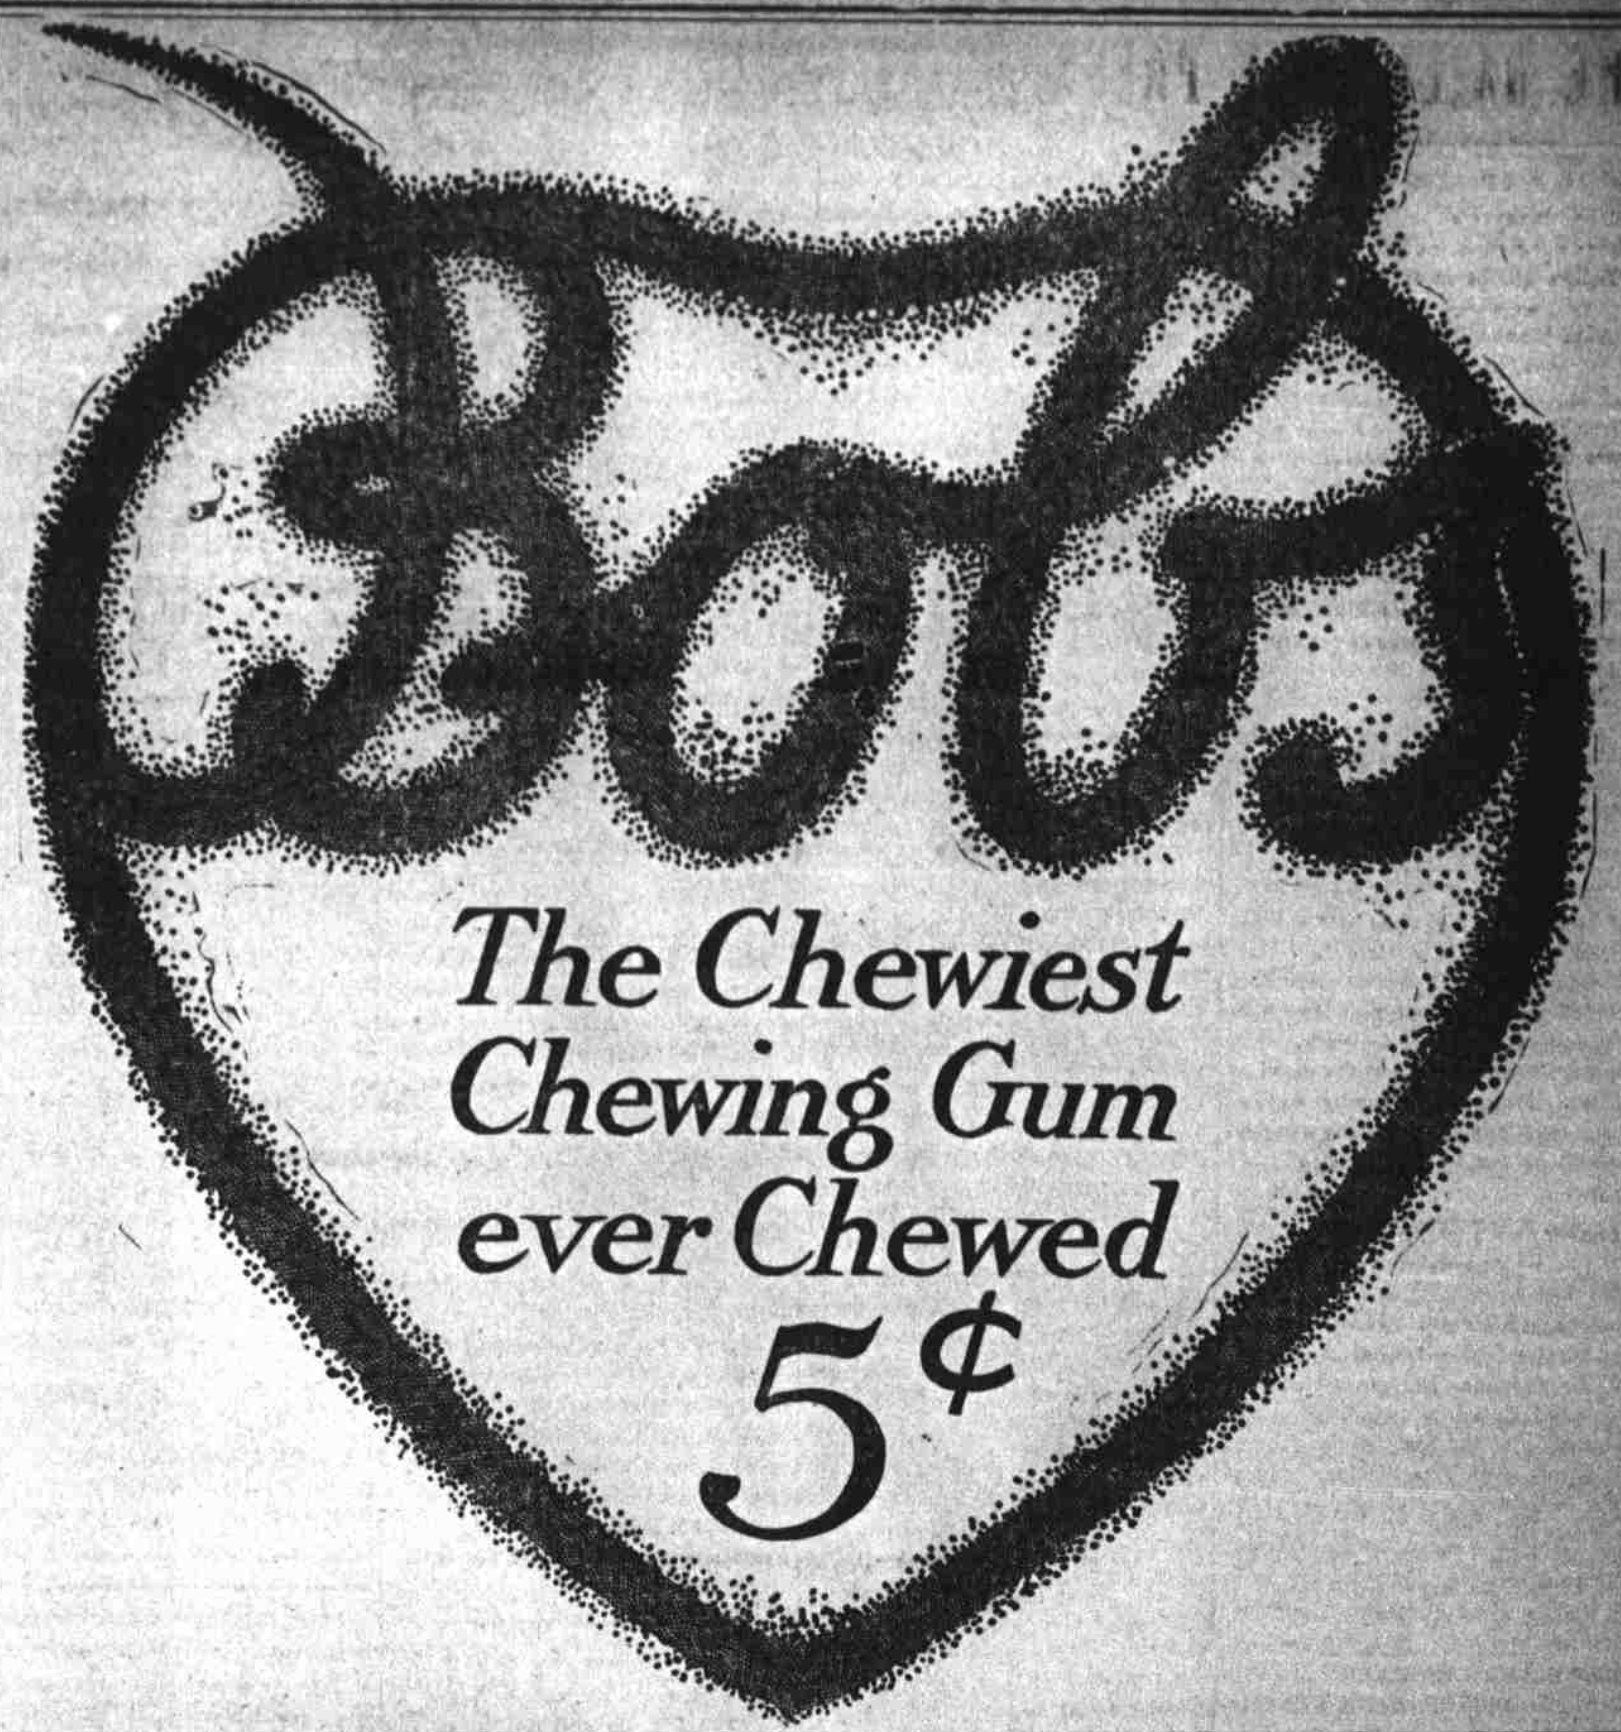

New York, Feb. 28.—Formal an-
nouncement was made here tonight of
the formation of an organization of
first reserves, to be known as the Amer-
ican Legion, and to be composed of
former army and military men, which
will better insure the nation's pre-
paredness in case of war. Captain
Gordon Johnston, aide de camp to
Major General Leonard Wood, made
the announcement on behalf of a
group of army and navy men acting
in an unofficial capacity with civil-
ians in promoting the movements. . .
Captain Johnston said it was plan-
ned to establish within a short time
a first reserve of between 250,000 and
300,000 former army and navy mili-
tiamen for instant call in case of em-
ergency.

TAX RETURN DAY TODAY.

Washington, March 1.—If, per-
chance, you, gentle reader, are a
dealer in opium or its dopey deriva-
tives, you today are subject to a fed-
eral tax.

Moreover, if you are fortunate
enough to be receiving an income
large enough on which to make it
worth while to dodge the tax collec-
tor, you should in honesty make a
tax return to the federal officials.

When sending your clothing to be pressed have you ever realized, and every clean-minded man would shudder with disgust at the thought, that the cloth used to press your suit had just previously been used to press the suit of a man suffering from disease, filthy habits, etc.—the cloth in the interim being wet and wrung out in a pail of probably dirtier water, especially so toward the end of the day's work?
To overcome this we have installed an up-to-date Sanitary Steam Pressing Machine, known as "The Hoff-man." A garment that passes thru this machine is disinfected; as no germs or microbes can exist under a temperature as high as the dry steam we inject; at the same time it removes any odor, takes away the grimy appearances, raises the nap, revives the colors and imparts to the garment that freshness desired by all dressers.
We will appreciate your patronage and guarantee quick and satisfac-
tory service.
