**CHANCES FOR PENNANT  
TO BROOKLYN ARE SLIM**

By Hal Sheridan  
(Written for the United Press.)  
New York, March 5.—Chances for  
a pennant going across the bridge  
this season are rather cloudy. Neither  
the Brookfeds nor the Dodgers ap-  
pear to stack up favorably with  
the other clubs in their respective  
leagues. If the Brookfeds are success-  
ful in getting Rube Marquard, the  
erratic portlander, their chances will  
look better, as they have a fair array  
of pitching talent, already.  
Wilbert Robinson, the copulent  
leader of Ebbets' crew, declares his  
club's chances of getting into the  
world's series rest largely on how his  
veteran pitchers, particularly Nap  
Rucker, perform. Rucker was out  
most of last season with a bum  
shoulder, but he has been taking  
treatment all winter and is now at  
Hot Springs, Ark., taking the baths.  
If he is in shape and Jack CoCombs  
should pull a come-back, the Dodgers  
are going to prove extremely annoy-  
ing to the pace setters, for they've  
a gang of sluggers any manager  
might be proud of.  
Hard luck camped on their trail  
incessantly last year. After Rucker  
went out, O'Mara, whom many critics  
declare the most promising young  
shortstop in either league, also went  
out with a broken leg. He was cer-  
tainly living up to the critics' opin-  
ions when he had the accident. He is  
in shape again and will undoubtedly  
fill the short field berth.

**Colonial Dames  
Meet Saturday.**

The Lenoir County Committee of  
the Colonial Dames will meet with  
the Misses Hyatt at Queen and Blount  
streets, Saturday afternoon at 3:30  
o'clock.

**The Spring millinery opening at  
Mrs. M. L. Braswell's popular Queen  
street ladies' store is being conducted  
today and Saturday. The showing is  
one of the most elaborate yet made  
in that establishment. The spring  
styles are a revelation. Rumors of  
radical things in the world of femi-  
nine fashions are fulfilled in this dis-  
play; the made-in-America idea being  
pronounced throughout. It is a fact  
that many of the handsomest styles  
are of American origination. There  
is more commonsense exhibited than  
in former years in the fashions, too.  
The stock was selected with infinite  
taste and wisdom, and there is gen-  
eral gratification on the part of the fair  
people who braved the weather to  
take in the show, and they were nu-  
merous.**

**LIKELY YOUNGSTERS IN  
GRIFFITH'S PROSPECTUS**

Increasing Interest and Better At-  
tendance Shown by Lists For-  
warded to Supt. Kinsey's Of-  
fice During the Week.

(By a United Press Staff Corre-  
spondent.)

Washington, March 5.—It's the  
same old song—"wait 'till next year"  
—but the fans along the Potomac are  
joining in stronger on the chorus than  
they used to.  
Now that the dope specialists have  
assigned Griffith's American League  
climbers to a place among the first  
four likely candidates for bunting  
honors next fall, the Old Fox's tribe  
is flocking in from the provinces for  
the spring training camp at Char-  
lottesville, Va.  
Charlottesville is some three hours  
ride from Washington and the Sena-  
tors, on February 28, left for Dixie.  
Just why Charlottesville should be  
selected for this honor never has been  
learned. In previous years, the Na-  
tionals have done most of their train-  
ing in the Payerweather gymnasium  
of the University of Virginia and it  
has been suggested that Griffith  
train his squad in the local Y. M. C.  
A. and save carfare.

**MRS. MARY CARRAWAY  
DIES AT MONTICELLO.**

Mrs. Mary B. Carraway died on  
Thursday night at Monticello Farm,  
north of this city. Her demise was  
due to the infirmities incident to old  
age. She was 69 years old. Mrs. Car-  
raway was the widow of the late  
Capt. W. W. Carraway. Her death  
was not known until this morning,  
when the body was discovered in the  
home. She is supposed to have expired  
suddenly after the retiring hour.  
Children surviving are: Peter H. Eli-  
as Carr and Bruce Carraway of this  
county, Sidney B. of Mangham, La.,  
Sam A. of Mulberry, Fla., and Gor-  
don B. of Fort Barnwell. A brother  
is Dr. S. P. Hilliard of Rocky Mount  
and sister is Mrs. Blanche Williams  
of Tarboro. The funeral will be con-  
ducted Sunday afternoon at the fam-  
ily burying ground, on the farm.

animals will be invited to enter.

at home to furnish very exciting sport  
in this line, the fair promoters say,  
and by making the racing local and  
barring professionals, the effect for  
encouraging the betterment of the  
section's fancy stock will be all the  
greater.

"The Thinkers of the  
Country Are the  
Tobacco Chewers"

said one of the greatest thinkers  
this country ever produced.

**Says the Pilot:**

"Nosing a big stern wheeler  
along a muddy river with sand-  
bars reaching up to grab her—  
that's when you need real stead-  
iness. When there's nothing but  
your judgment between your  
boat and a shoal, take a chew  
of PICNIC TWIST."

In every convenient twist of PICNIC you'll find the  
true tobacco uplift without the letdown that comes from  
dark, heavy, rank tobacco. PICNIC TWIST  
is a light colored, soft twist of the mild,  
mellow parts of the leaf.

Men accustomed to "strong" tobacco will  
be surprised how much they can chew of  
this mellow twist with its sweet, lasting taste.

"The Thinkers of the Country Are the Tobacco Chewers"

It comes, also, in economical, freshness-preserving  
drums of 11 twists for 50c.
