## EDUCATIONAL DAY WEDNESDAY, TENTH, BIG DAY AT FAIR

**There May Be Two or Three Thousand Children in the Parade — Marshals Unmounted and in Direct Charge of Children**

Every indication is that Wednesday, the 10th, "Educational Day" at the Fair, will not be overshadowed even by Tuesday, the opening day, except for the speeches of Messrs. Bryan and Daughtridge.

"With good weather conditions, those in attendance upon the Fair on that day will witness a school parade the like of which has never been seen in this section before," according to Chief Marshal Thomas Moseley. From 2,000 to 3,000 children will actually participate. There may be hundreds more, Mr. Moseley says. Every white school in Lenoir county will participate, as well as a number of schools in other counties, among them the Dover High School and the East Carolina Training School at Greenville.

Every detail for the successful handling of this parade has been carefully planned. It will be formed at the Courthouse Square at 10 o'clock sharp. Each school in the county will march under its own school flag and will be under the personal care of a marshal for that particular school. All of the schools in a township will be grouped together and carry township as well as school banners. Each township's contingent will comprise a separate section of the parade, with its quota of marshals and a chairman over each section of the parade, with its quota of marshals and a chairman over each section of marshals. The line of march will be from the Courthouse to the Norfolk Southern station, from where trains will take the children to the Fair grounds.

The school marshals selected by Chief Marshal Moseley for this event are as follows:

Contentnea Neck Township—D. W. Hamilton, chairman. Bethel School, Clyde Braxton, marshal; Barwick's, W. C. Wetherington; Hugo, Frank White; Sharon, J. R. Fields; Grainger, Kenneth Tilghman.

Falling Creek—R. G. Hodges, chairman. Daly, G. F. Parrott; Farm Valley, Henry Herring.

Institute: Hugh Bryan, chairman. Institute School, Cleveland Dawson; Dails, Frank Sullivan; Aldridge, Alva Hardy.

Kinston, township: Dunn's, V. R. Jackson.

Moseley Hall—R. J. Dawson, chairman. Hickory Grove—G. H. Sutton; Fairview, Leon Wiggins.

Newse: W. C. Croom, chairman. New Hope, Clyde Dudley; Sandy Bottom, Rufus Croom; Piney Grove, J. H. Albritton; Bland, H. C. Williams.

Pink Hill: G. S. Willard, chairman. Pine Forest, A. C. Howard; Cedar Grove, J. J. Davis; Worley, C. A. Davis; Taylor, J. D. Harper; Pink Hill, L. P. Tyndall; Lawson, McCoy Howard.

Sand Hill: Decatur Nobles, chairman. No. 1, Norman West; No. 2, O. A. Kennedy.

Southwest: G. F. Loftin, chairman. Coahoma, Forrest Kennedy.

Trent: Ernest Jones, chairman. Oaky Bottom, J. S. Rouse; Byrd, Lonnie Williams; Moss Hill, Herbert Jones; Smith, C. M. Fordham; Deep Run, E. V. Stroud; Trent School, Joel Howard.

Vance: W. O. Taylor, chairman. Airy Grove, J. E. Forrest; Fairfield, N. P. Mewborne; White, A. C. White; Oakdale School, Heber Worthington; Wheat Swamp, Claud Rouse.

All marshals and others in authority on this occasion will be dismounted. Not a horse will figure in the parade. Sheriff A. W. Taylor has offered a substantial prize to the school which has the largest number of children, according to enrollment in the parade.

Mothers, Dr. Bell's Pine-Tar-Honey is just the remedy for your children's cold ailments. The fact is that pine is a quick enemy of cold conditions. Its qualities loosen the mucous in the throat, soothe the lungs and open up the air passages. The combination of honey, soothing and pleasant, with the loosening pine quality makes this an ideal cough remedy for children. Each passing year brings for it, new friends. ## When You Are At the FAIR or Any Other Place DRINK MINT COLA

A JULEP WITHOUT A KICK

MINT COLA is truly, "A Julep without a kick." A pure and sparkling drink, containing only the very best of extracts, oils and flavors. It is made to please those who insist on having the best that money can buy.

The MINT COLA formula was originated by a learned German chemist, who recommended it as a beneficial tonic; and after several years, under every test, it has proven to be as near perfect as human skill can make it.

The Cola drink was first put on the market in the Southern States some eighteen or twenty years ago; since then, through its great popularity, it has pushed its way into every city and town in the United States and many foreign countries. Its manufacture is a highly specialized industry, requiring the constant supervision of a skilled chemist. Of the great number of so-called "Colas" offered, only a very few possess real merit.

MINT COLA is never offered as a "Something just as good" article, but really "Something better." It contains nothing to create a habit or thirst for it. It is simply an invigorating, healthful, restful, all-satisfying smooth drink, which makes you feel happier and better toward the whole world. For that lazy, drowsy, tired feeling, there is nothing that will equal a MINT COLA, except—another MINT COLA. Each time you take one you will like it better. Call for it everywhere. Say MINT COLA when you want Something extra good.
