GRANDSON OF SUN GODDESS VISITED BY NEW EMPEROR

(United Press Correspondence) Kioto, Japan, Nov. 25.—In conclusion of his coronation as Emperor, Yoshihito tomorrow will journey to Ise, to the tomb of Jimmu Tenno, grandchild of the Sun Goddess and founder of the first dynasty nearly 3,000 years ago, to tell him that he, Yoshihito, now by divine right rules Japan. There also the new Emperor will "worship the gods of heaven upon earth," who are of course, his dead ancestors. Within the next 72 hours the Emperor will in person visit the tombs of the last 4 Emperors, telling each one of the happy conclusion of the coronation ceremonies. This reporting of great events to the dead rulers is very important in the ritual of ancestor worship. These visits and the attending ceremonies concluded, the coronation events proper will have been completed. The Emperor will return to Tokio November 28th for a grand review of the army and navy, following which he will be feted by the citizens.

PAINS OFTEN MEAN URIC ACID POISON

Pay Attention to Pains—Most People Have Rheumatism and Don't Know It. Ouch! Does it hurt to move your arms, legs, bend your back or stretch your muscles? Be careful and take heed in time. Rheumatism is stealing on you and may cripple you if you don't stop uric acid from settling in your veins and muscles. Rheuma, a great specialist's prescription, chases this poison out of the system and gives relief from all forms of rheumatism. It acts through the seat of the trouble, the kidneys, stops the formation of uric acid, then drives out through the bowels that which is in the blood. Genuine Rheuma (see that you get the trade-marked package) is sold by J. E. Hood & Co., and all druggists for 50 cents. Money back if not satisfied. adv

THE WHITE HOUSE YELLOW BOOK IS PRESIDENT'S BAROMETER OF SENTIMENT OF PAPERS OF NATION

(United Press Correspondence) Washington, D. C., Nov. 25.—Joseph P. Tumulty, is a devoted reader of The Yellow Book. This is not a magazine of French yarns nor a theatrical publication, nor anything like that. In fact the public cannot purchase it at any newsstand or book store. There has been only one issue, a strictly limited edition consisting of a single copy. The Yellow Book is a collection of clippings from fifty representative newspapers published throughout the country, dealing with administrative, political and general governmental questions. It is through the daily additions to this book that President Wilson keeps in touch with public thought. Every evening, as he leaves the White House, Secretary Tumulty stops

SOW RYE, OATS OR WHEAT RIGHT AWAY, SAYS EXPERT HERE

Local Farm Demonstrator, O. F. McCrary, who is agitating the matter of winter cover crops for Lenoir county farms, today issued the following statement: "Mr. Farmer, how many acres of your farm are in cover crops? Are your fields green, or do they look as if fire had passed over them and scorched everything? "Only a few farmers in Lenoir in Lenoir county are growing clover this fall. Some are growing patches of oats or rye, but the great majority are leaving their fields naked, and exposed to every change of the weather. The man who has his farm sown in some cover crop will be in better circumstances this winter than his less progressive neighbor. Can you imagine how much better Lenoir County would look if our barren looking fields were covered with a carpet of living green? "Too few of our farmers realize the importance of a winter cover crop in building up a permanent and profitable agriculture. The principle reasons why winter cover crops should be grown are as follows: To protect the soil from washing; to prevent soils from blowing away; to prevent soluble plant food from being lost by leaching out; to furnish winter and early spring grazing; to enrich the soil by adding vegetable matter and humus; cover crops can be converted into hay in spring; mineral matter in the soil will be liberated by the chemical action of the plant roots. "It is not too late to sow cover crops. Sow rye, oats or wheat as soon as possible. Let's change the winter color of Lenoir county."

FAYSSOUX OPENS AT THE GRAND TONIGHT

It remained for Fayssoux, the psychic marvel, to bring out in his exhibitions the comic possibilities of hypnotism. The old time hypnotists, with their limited abilities, had made feeble attempts in this direction before the coming of Fayssoux, but they were extremely feeble in comparison to the mirth-provoking scenes originated by the youngest and greatest of living demonstrators, the brilliant Fayssoux. "It beats the best comedy I ever saw," "It's funnier than a barrel of monkeys with their tails chopped off," "A whirlwind of gaiety," Fayssoux makes you laugh until your sides ache. "It's the greatest comedy of them all," are some of the expressions heard in the theatre lobby after the show. Fayssoux, the famous hypnotist and mental telepathist, will begin an engagement tonight at the Grand theatre.

BETTER THAN CALOMEL

"Liver Health Recommended as Safe, Effective Substitute. Hay's Liver Health, substitute for calomel, action on the liver is almost instantaneous. It is the result of a specialist's determination not to treat liver and bowel complaints with dangerous, poisonous calomel. This pleasant remedy does the good that calomel does, but has no bad after effects. It doesn't injure the teeth like calomel. It takes hold of the trouble and quickly corrects it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. Always avoid taking dangerous, poisonous calomel. Let Hay's Liver Health take its place. Most headaches, "dullness" and that lousy feeling come from a disordered liver. Take Hay's Liver Health if you've a dark brown taste, that dull, tired feeling, if you feel dizzy and headachy and upset generally. You'll find quick, sure and pleasant results from it. Be sure to ask for Hay's Liver Health at any druggist's to prove to yourself what it means to keep feeling fine all the time.
