PARKER, N. C. MAN GETS QUICK RELIEF.

W. R. Davenport Better After First Dose of Remedy.

W. R. Davenport of Parker, N. C., long suffered from a peculiar malady of the stomach. He sought treatment with but little relief. At times it seemed that he would have to give up hope.

He took Mayr's Wonderful Remedy and found immediate benefit. He wrote:

"For years I have suffered from a disease which puzzled doctors. They termed it catarrh of the stomach, saying the only hope would be a change of climate, and that in all probability I would never get well. Then I heard of your remedy. One bottle gave me instant relief. I feel like a new man. Your full course of treatments has about cured me. Several of my friends have also been cured."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

FIRST REAL SNOW OF SEASON "PEACH"

Stuck Four Inches or So of It, Over All the Immediate Creation—Getting Rid of It in the Business Section, Where Holiday Shoppers Must Have Clear Track

The Weather Bureau Monday forecasted "rain or snow" for this section on Monday night or Tuesday. It did both. The rain was a drizzle and probably wouldn't have filled a bucket. The rain lasted only a short time, and then was mixed up with the snow which from the start was the big snow. It snowed, feathery, tiny flakes, which filled up every crack and crevice presenting for some hours, and the blanket of it by morning was something over six inches. It was the "prettiest" snow in years, leaving fantastic shapes in the trees and giving the whole landscape an appearance of a Swedish Christmas scene.

In the business district tons of the white stuff was shoved away before traffic had started good. Scores of clerks and shop boys did for it in front of the stores. The temperature was not so low, and the sun which got in a look once in a while made the snow hum.

There will be a service of prayer and church at 10:30 a. m. Saturday. As there will be no union service this Christmas owing to the fact that the day is Saturday, the Christian congregation will hold one with a cordial invitation to others to join with them. The pastor says that he cannot feel that Christmas day is properly celebrated without a religious service and therefore will have one even if it is on Saturday. He requests that all who desire to honor the Lord in this way plan to be present on Christmas day.

GOWANS Rub-It-On SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell. I tried most every kind of medicine, but none did me any good. I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlasting tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century. Begin taking Cardui to-day. You won't regret it. All druggists.
