CHILDREN'S DAY AND MOTHER'S DAY IN ONE

Big Program at Queen Street Methodist Church for Sunday Week—Annual Revival Series Begins at Same Time—Preacher and Singer of Note to Participate—For the Public

Children's Day and Mother's Day will both be observed at Queen Street Methodist church Sunday morning, May 14, from 9:30 to 11 o'clock. The children are getting up a most beautiful program, the church will be handsomely decorated, and a flower will be furnished every corner to Sunday school or church in honor of mother, if she is living, in memory of her if she is dead.

The annual revival meeting will begin with the 11 o'clock service, and will last for two or three weeks. Rev. Luther B. Bridgers of Gainesville, Ga., will do the preaching and have general management of the meeting. Mr. Bridgers is one of the general evangelists of the M. E. Church, South, a man of wide experience in holding evangelistic meetings, a preacher of power and attractiveness, and also a splendid singer. He will be assisted by Mr. D. Ward Milan of Atlanta, Ga., choral director and soloist. Mr. Milan has sung in meetings for Bishop Kilgo, Dr. R. A. Torrey and other preachers and evangelists of note.

These services will be held in the church, which can seat in absolute comfort eight hundred people. The hours of service will be 10 o'clock a. m. and 8 p. m. The public generally is invited to attend these services, and the Christian people in the community, who love a real revival and desire to see one in our city, are urged to throw themselves into this meeting without reserve. No effort will be made to alter the faith or to change the church relationship of any genuine Christian. Neither will any attempt be made to secure for church membership those who have been reared in Christian homes of other denominations or brought up in other Sunday schools and churches. The whole force of the meeting will be delivered on one point—to get sinners, out of the church, and in it, fully saved. The pastor, Rev. H. A. Humble, earnestly desires the interest and the prayers of all good people for the meeting.

MOREHEAD CITY PUTS ON DRESS FOR SUMMER

Season Opens There In June—Improvements to Big Hotel—Town a Healthy Place, With a New Sewer and a Modern Dairy—Amusements Alluring

(Special to The Free Press) Morehead City, May 6.—The pulses of thousands of folks in North Carolina quicken perceptibly when they think of June and Morehead City together. The town is now putting on its summer dress in preparation for the coming season. The sounds, the fishing, the ocean bathing and the comfortable, roomy hotels appeal to the up-state population.

The Atlantic, the Norfolk Southern's big resort hotel here, is being overhauled by carpenters, plumbers and painters to make it ready for an early start. This will be the biggest season yet for the town. The porches have been remodelled at the Atlantic, the great roof built over, and a lot of other improvements made. Morehead City is healthier than ever, too. A new sewer system has just been completed. The water supply is from artesian wells, sunk to a great depth. A model dairy has been established.

You cannot win one of the cars unless you try. The thing to do is to try.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The promoters have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address P. J. CHENEY & CO., Toledo, O.
