"Bumps" Turner of Kinston, using the toe hold, downed Jack Stevens of Richmond in 25 minutes for the one fall agreed upon before a wrestling match in Loftin's opera house Tuesday night. VOTED FOR MAN KIND TO HIM IN JAIL; AND BLACK BECAME D'CRAT

Philip Skeene, colored, of Southwest township, will vote the full Democratic ticket in the fall. Skeene was converted to the Democratic faith in the Lenoir county jail. At the recent primary the darky appeared at his precinct polling place and expressed the desire to exercise his right of suffrage. It was discovered that his name had been on the registration book for several years. The constitutional amendment had nothing on Philip; he was qualified in every particular. But everyone around was a white man. Philip did not demand to be allowed to vote—he courteously asked for the privilege. "I just wantter vote for one man; an' if I kin do that, I'll vote for the whole Democratic gang in the Fall," he stated. It developed that Skeene wanted to exhibit his gratitude for kindness shown him by Sheriff Taylor—for renomination—by adding his ballot to those of Taylor's white friends. Skeene had been in jail for moonshining, and became a fast friend of the sheriff there. The sheriff wasn't in jail. Skeene voted.

GARRIER PIGEON GETS FRIENDLY WITH ELKS
A carrier pigeon, very tame, was an interesting visitor to the Elks' lodge at New Bern Tuesday afternoon. The bird flew into a fifth story window. It refused to leave for an hour. It was banded on one leg; its number was 19. Finally the little fellow resumed its trip without warning.

EQUIPMENT ARRIVES FOR IMPROVING LOT LENOIR COTY ROADS

Three carloads of equipment for road building is expected to arrive here this afternoon from Birmingham, Ala., to be used by contractors who are to modernize between thirty and forty miles of highway in Lenoir county during the coming ten or twelve months. The contractors are allowed more time than that, but expect to complete the work with several months to spare. The roads are to be sandelayed. Between 30 and 40 men will be employed. The county's convict labor will be kept at work on the present schedule; the contract work is special. The contractors will get busy in a day or two.

DERAILMENT ON N. S. YARDS AT NEW BERN

A line of the Norfolk Southern Railroad was blocked for several hours at New Bern Tuesday afternoon by the derailment of three rock cars on the yards. One car remained off today.

DEMOCRATS MAY GET RID TWO-THIRDS' RULE

(Continued from Page One)
Democrats alone were permitted on the ground floor, permitting more comfortable seating space for the men who actually do the convention work. The Two-Thirds Rule. One topic which was eagerly discussed by the crowds in the streets and hotel lobbies was the so-called "unit rule" and "two-thirds" regulation which from time immemorial has ruled at Democratic conclaves. There was general belief expressed that the regular quadriennial attempt to overthrow these ancient rules would succeed this year. Delegates recalled that the attempt was made four years ago in Baltimore and defeated mainly because there was such bitter strife between the candidates. If the two-thirds rule had not been in effect at Baltimore, Champ Clark, Missouri's favorite son, would have been named. Time to Abolish the Rule. This year, it was conceded, will be an excellent opportunity for the Democratic party to abolish the precedent requiring a two-thirds majority as necessary to a choice. There is only one candidate in the minds of the delegates—Wilson—and this offers a free road to revision of the rules. Most important also, in the minds of the gossipers and hotel lobby debaters, was the platform upon which Democracy will make this year's race. The Democrats believe they have the "edge" on the Republicans simply because they will have an opportunity to see what sort of a statement of principles the Chicago convention has enacted, and to meet those principles in the Democratic pledges. A new highway to connect Craven and New Hanover counties is planned.

WHY ENDURE SUMMER COLDS?

It isn't necessary to have a stuffed head, running nose. To cough your head off as it were. All you need do is to use Dr. Bell's Pine-Tar-Honey. The soothing and healing balsams open the clogged air passages and in a short time you get relief and start on the road to recovery. Your nose stops running, you cough less and you know you are getting better. Get a bottle, use as directed. Keep what is left as a cough and cold insurance. adv.
