LIKE A BOY AT FIFTY BUBBLING OVER WITH VITALITY—TAKING IRON DID IT

New York, N. Y .- Not long ago a man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance. I was astonished to find him with the blood pressure of a boy of 20 and as full of vigor, vim and vitality as a young man; in fact, a young man he really was notwithstanding his age. The secret he said was taking iron-nuxated iron had filled him with renewed life. At 30 he was in bad health; at 46 careworn and nearly all in. Now at 50 a miracle of vitality and his face beaming with the buoyancy of youth. As I have said a hundred times over, iron is the greatest of all strength builders. If people would only throw away patent medicines and nauseous concoctions and take simple nuxated iron. I am convinced that the lives of thousands of persons might be saved, who now die every year from pneumonia. grippe, consumption, kidney, liver and heart trouble, etc. The real and true cause which started their many another has gone down to indiseases was nothing more nor less glorious defeat simply for the lack than a weakened condition brought of iron.-E. day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous, rundown people who were ailing all the while, double their strength and endurance and entirely get rid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days' time simply by taking iron in the proper form. And this after they had in some cases been doctoring for months without obtaining any benefit. Dut don't take the old forms of reduced iron, iron acetate or tincture of iron simply to save a few cents. You must take iron in a form that can be easily absorbed and assimilated like nuxated iron if you want it to do you any good, otherwise it may prove worse than useless. Many an athlete or prize-fighter has won the day simply because he knew the secret of great strength and endurance and filled his blood with iron before he went into the affray, while

Deering Ideal mower

The way to get full value for your hay crop is to use Deering hay tools. Thousands of farmers can testify to the excellent results obtained from using Deering mowers, rakes, stackers and tedders. They are reliable machines, and will do the same work for you that they have done for other farmers we have sold in your community. Come in and see us about a Deering machine next time you are in town. You don't have to buy, but you may learn something of value to you about raising hay. You can make our store your headquarters when you are in town if you desire. Ask for a Deering catalogue which explains details better than we can.
