Board Asks for Time.

New York, Aug. 11.—The Federal Board of Arbitra-tion and Mediation and the railroad brotherhoods this afternoon agreed upon delay in submitting the final proposition for a settlement until tomorrow mornin gat 10 o'clock. The decision on the question of a nation-wide walkout probably hangs on whether this report will be acceptabel to the men. The roads, it is believed, would make concessions, but the men are declared to be firm in their demands for full acquiescence in their demands.
