DIVORCE OF VICAR ACKLEY FROM WIFE BECOMES EFFECTIVE

(By the United Press)

New York, Aug. 23.—The divorce of the Rev. Charles B. Ackley, vicar of St. Bartholomew's chapel and assistant to the Rev. Dr. Leighton Parks, rector of St. Bartholomew's Episcopal church here, from Henrietta L. Ackley, a belle of Atlanta and Washington, when he married her in 1907, became effective in the New York Supreme Court here today.

No one knew there was any trouble between the prominent couple until the case came up and the interlocutory decree was granted in Supreme Court May 25th.

According to the testimony of witnesses for Dr. Ackley, none of which was contested or even replied to by Mrs. Ackley, she had been guilty of the impropriety of traveling through Italy and other parts of Europe for her health with one "Sam Charles."

Any time after today the Rev. Mr. Ackley may remarry, but his former wife is forbidden to remarry in less than five years.

Nobody seems to know exactly who Sam Charles is.

Mrs. Ackley is a niece of the widow of General John B. Gordon, once United States Senator and Governor of Georgia. She was an intimate friend of Miss Theodora Shotts and her sister, the Duchess de Chauvines.

JUDGE HAS TO APPOINT CLERK FOR DURHAM COUNTY

Judge Devin of Oxford is expected to appoint during the next day, or two a successor to "Judge" Caleb Green, Clerk of Superior Court of Durham county, who died recently after many years in office. A Durham paper had this in part to say of the late Clerk: "Judge Green was most widely known through his staunch and lifelong political associations. Having served in the General Assembly, he later became Clerk of Superior Court and served nearly 22 years in this position." Judge Devin may make appointment to the office before he winds up the term of court he is holding here, it is thought.

ALL WORN OUT.

Does morning find you with a lame, stiff and aching back? Are you tired all the time—find work a burden? Kinston people endorse Doan's Kidney Pills. You can rely on their statements.

Mrs. Sarah J. Dupree, 301 Gordon street, Kinston, says: "My kidneys were weak and gave me lots of trouble. I also suffered a great deal from inflammation of the bladder. The kidney secretions were unnatural and caused me much annoyance. I have used Doan's Kidney Pills, procured from J. E. Hood & Co.'s drug store, and they have never yet failed to relieve me. I keep them on hand all the time and cannot praise them too highly."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Dupree had. Foster-Milburn Co., Buffalo, N. Y. adv.

DOCTOR SAYS NUXATED IRON WILL INCREASE STRENGTH OF DELICATE PEOPLE 200 PER CENT IN TEN DAYS

In many instances—Persons have suffered Awful Agony for years doctoring for nervous weakness, stomach, liver or kidney disease or some other ailment when their real trouble was lack of iron in the blood—How to tell.

New York, N. Y.—In a recent discourse Dr. E. Sauer, a well known Specialist who has studied widely both in this country and Europe said: "If you were to make an actual blood test on all people who are ill you would probably be greatly astonished at the exceedingly large number who lack iron and who are ill for no other reason than the lack of iron. The moment iron is supplied all their multitude of dangerous symptoms disappear. Without iron the blood at once loses the power to change food into living tissue and therefore nothing you eat does you any good; you don't get the strength out of it. Your food merely passes through your system like corn through a mill with the rollers so wide apart that the mill can't grind. As a result of this continuous blood and nerve starvation, people become generally weakened, nervous and all run down and frequently develop all sorts of conditions. One is too thin; another is burdened with unhealthy fat; some are so weak they can hardly walk; some think they have dyspepsia, kidney or liver trouble; some can't sleep at night, others are sleepy and tired all day, some fussy and irritable; some skinny and bloodless, but all lack physical power and endurance. In such cases, it is worse than foolishness to take stimulating medicines or narcotic drugs, which only whip up your flagging vital powers for the moment, maybe at the expense of your life later on. No matter what any one tells you, if you are not strong and well you owe it to yourself to make the following test. See how long you can work or how far you can walk without becoming tired.

Next take two five-grain tablets of ordinary nuxated iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous run down people who were ailing all the time double, and even triple their strength and endurance and entirely get rid of their symptoms of dyspepsia, liver and other troubles in from 10 to 14 days' time simply by taking iron in the proper form, and this after they had in some cases been doctoring for months without obtaining any benefit. You can talk as you please about all the wonders wrought by new remedies, but when you come down to hard facts there is nothing like good old iron to put color in your cheeks and good sound, healthy flesh on your bones. It is also a great nerve and stomach strengthener and the best blood builder in the world. The only trouble was that the old forms of inorganic iron like tincture of iron, iron acetate, etc., often ruined people's teeth, upset their stomachs and were not assimilated and for these reasons they frequently did more harm than good. But with the discovery of the newer forms of organic iron all this has been overcome. Nuxated iron for example, is pleasant to take, does not injure the teeth and is almost immediately beneficial.

NOTE—The manufacturers of Nuxated Iron have such unbounded confidence in its potency that they authorize the announcement that they will forfeit \$100.00 to any Charitable Institution if they cannot take any man or woman under sixty who lacks iron and increase their strength 200 per cent. or over in four weeks' time, provided they have no serious organic trouble. Also they will refund your money in any case in which Nuxated Iron does not at least double your strength in ten days' time. It is dispensed in this city by J. E. Hood & Co. and all other druggists. adv.
