

AMERICA MAY NOT ALLOW GERMAN SUBS. TO HARASS SHIPPING ON THIS SIDE THE OCEAN; CONSTANT MENACE TO THE NAT'N

Lansing Returns to Washington After Long Conference With President—Feeling Against Activities of Submarines—U-53 Has Not Violated Any Stipulation So Far, Said—Craft Believed to Be Headed South Along the Coast for More Prey—British 'Planes' Scouring the Sea for Glimpse of Vessel—May Spread Nets Off Nantucket—Many Persons Change Minds About Crossing Water at This Time

(By the United Press)

New York, Oct. 11.—British aeroplanes from Halifax are reported to be sweeping the Atlantic in search of the submarines. The U-53 is believed to have turned southward to prey upon Allied shipping. Submarine nets will be spread in the vicinity of Nantucket, it is intimated. Twenty-five per cent. of the bookings on the Adriatic, which sails tomorrow, have been cancelled.

Washington May Interfere.

Long Branch, Oct. 11.—Secretary Lansing left for Washington this morning after a long conference with President Wilson last night on the problems raised by the activities of the German U-53. While the submarine appears to have complied with all stipulations by the United States, the larger question is whether the United States can tolerate further submarine activities outside her ports. With the menacing of commerce and constantly endangering of lives of American men, women and children, there is a strong undercurrent of feeling against any such practice which might be contemplated by Germany.

Give Up Search for Survivors.

Newport, R. I., Oct. 11.—United States destroyers looking for survivors from the steamer Kingston, reported torpedoed, have given up the search after three days of fruitless cruising. Doubt still exists that such a vessel was sunk.

Judge J. S. Manning, Democratic nominee for Attorney-General, and Solicitor Walter E. Brock of the Thirteenth district, will speak in the Courthouse Wednesday night at 8 o'clock. The occasion has been widely advertised and the biggest attendance at a political gathering this campaign is looked for. Both men are leading figures in the Democratic offensive in the State.

The public is invited to hear Judge Manning and Mr. Brock. Each of them has local ties: The former is father of John Hall Manning of this city; now in the National Guard in Texas; Mr. Brock is related to Senatorial Nominee Furnie Brock of this district.

PEACE THAT PASS'N UNDERSTANDING OF KAISER IS DEMAND'D

(By the United Press)

London, Oct. 11.—Premier Asquith received a tremendous ovation in the House of Commons today when he declared in the midst of a speech moving for a \$1,500,000,000 war credit, that "this war cannot end in patched-up, precarious, dishonoring compromise, masquerading under the name of peace. The Allies are not vindictive, but will demand from their enemies full reparation for the past, and security for the future."

"This is not a moment for faint-hearted, wavering counsels. Britain's expenditures daily are twenty-three million dollars."

TELLS ALLIES THEY CANNOT DICTATE TO THE UNITED STATES

No Misunderstanding the Meaning of Words Used in Reply to Submarine Memorandum—America Acts to Suit Self

Washington, Oct. 10.—The text of the American memorandum replying to that of the Allied governments regarding treatment of belligerent submarines in neutral ports, is in part, as follows:

"The Allied governments hold that 'submarine vessels must be excluded from the benefit of the rules heretofore accepted under international law regarding the admission and sojourn of war and merchant vessels in neutral waters, roadsteads or harbors; any submarine of a belligerent that once enters a neutral harbor must be held there,' and, therefore, the Allied governments 'warn neutral submarines attending the navigation of waters visited by the submarines of belligerents.'"

"In the opinion of the government of the United States the Allied powers have not set forth any circumstances, nor is the government of the United States at present aware of any circumstances, concerning the use of war or merchant submarines which would render the existing rules of international law inapplicable to them."

"In view of this fact and of the notice and warning of the Allied powers announced in their memoranda under acknowledgment, it is incumbent upon the government of the United States to notify the governments of France, Great Britain, Russia and Japan that, so far as the treatment of either war or merchant submarines in American waters is concerned, the government of the United States reserves its liberty of action in all respects and will treat such vessels as, in its opinion, becomes the action of a power which may be said to have taken the first steps toward establishing the principles of neutrality and which for over a century has maintained those principles in the traditional spirit and with the high sense of impartiality in which they were conceived."

APPEAL TO PEOPLE TO EXHIBIT RELICS DURING FAIR WEEK

Directors of Antiques and Curios Department Say "Nothing Brings Colonial History Closer to This Generation"

"We appeal to the patriotic men and women of the district to exhibit their historical relics and family heirlooms," says a letter from the directors of the Antiques and Curio Department of the Fair Association. "Nothing brings colonial history closer to the present generation than to see the articles that were intimately associated with the people of that period. The silver and china that were used on their tables, their quaint costumes and beautiful handiwork make us understand the lives of our grandmothers, while the firearms and old documents and books reveal to us what trying experiences were those of our grandfathers. The committee will be at the fair grounds on Saturday and Monday to receive and register the entries, and suitable provision has been made for taking care of valuable relics."

Comprising the committee are Mrs. W. T. Hines, Mrs. N. J. Rouse, Mrs. C. W. Saunders, Mrs. Clarence Oettinger and Mrs. James F. Parrott. Premiums given by this department

Allies Gain in West.

Paris, Oct. 11.—South of the Somme where a successful blow yesterday carried the village of Bouvent and tightened the French noose about Chaunles, Foch's troop today further progressed in grenade operations, it is officially said.

More Artillerying.

London, Oct. 11.—German artillery was more active last night on the Somme front, according to General Haig.

Variants Serbs Win.

London, Oct. 11.—The Serbs and Bulgars are battling fiercely for possession of Chuka Heights, absolutely dominating the city of Monastir. The capture of the heights would be followed by the fall of that town. On the right wing the British are driving the Bulgars back upon the Debar-Sar-Sores Railway, objective of the present advance. Eight villages and a number of prisoners have been taken in the British offensive. The fighting in Dobrudja is deadlocked.

Berlin, Oct. 11.—Bavarians under General Von Krafft, after capturing Red Tower Pass, have marched southward and invaded Roumania from the North, for the first time since the beginning of the war, says a semi-official report.

The first and second Roumanian armies that invaded Bulgaria have been annihilated by the Austro-Germans who are sweeping the enemy back upon their frontier.

Little Doing in Dobrudja.

Petrograd, Oct. 11.—Only artillery exchanges and scouting operations are occurring in Dobrudja, it is officially said.

BEST MEETING EVER HELD BY LENOIR CO. POLITICIANS, SAYS

Clerk Heath Declared Initial Campaign Rally at Sand Hill Was Daisy

LONG-WINDED ELOQUENCE

Poets and Peasants and Pink of Perfection Pigs—Campaigners at Kennedy's Mill Wednesday—Neuse on Thursday

At Kennedy's mill Wednesday the second "meeting" of the Democratic canvass in Lenoir county was held. The attendance was large. Most all of the county nominees were present. The third rally will be held in Neuse township Thursday, after which comes a respite until the 20th. Then will there be something doing, and most every day thereafter leaving out Sunday and legal holidays, such as circus days and the like.

At the opening session in Sand Hill township Tuesday the finest meeting ever held in the county was pulled off, in the belief of Clerk of Superior Court Jesse Heath, whose office is not to be filled at this election and who can be depended upon not to let his enthusiasm run away with him, whether or no.

Clerk Heath says the speakers Tuesday did their very best. Individual times were:

"Register of Deeds C. W. Pridgen, one hour.

"Sheriff A. W. Taylor, intermittently, 20 or 30 minutes.

"Col. W. D. Pollock, two and one-half hours.

"Chairman of Commissioners Churchill, 10 minutes.

"Heath, two minutes."

The statements of some of the speakers do not coincide with Mr. Heath's estimates.

Sheriff Taylor was master of ceremonies. He introduced all the speakers. While Mr. Pridgen was on the road still some distance from the scene, his fellow official was glorifying him and promising that he should say most excellent things. Colonel Pollock saw the Register in the distance—a mere speck against the landscape, and beckoned frantically. The Robert Emmett of modern spell-binding arrived in time to prevent an embarrassing lull in the program.

The audience missed their adored Uncle Johnny Dawson. The good County Treasurer was absent on account of other matters of importance to him. Mr. Dawson will be present at some of the various meetings, it is hoped.

A barbecue was served. It was no ordinary barbecue, most all said; compliments were profusely rendered to the Lenoir county pig, his heirs and assigns forever.

INTERNATIONAL NEWS BARRED FROM ENGLAND

HON. N. J. ROUSE TO SPEAK IN CRAVEN

"Hon. N. J. Rouse of Kinston is scheduled to make an address before the Democratic voters of Phillips Crossing, on Friday," said the New Sun-Journal Tuesday evening, "and indications are that there will be a record-breaking crowd on hand to hear him. Other well known Democratic speakers will be present to give assistance in this meeting." The speaking is scheduled to begin at 7:30 p. m.

RED SOX PLAYED RINGS AROUND DODGERS IN FOURTH GAME AND MADE IT THREE TO ONE FOR COVETED WORLD'S CHAMPIONSP

STANDING OF THE CLUBS:

	Games Won	Lost	Pct.

Brooklyn	4	1	.250

FINAL SCORE:

Boston	6	10	1
Brooklyn	2	5	5

(HAMILTON, Sport Writer United Press)

Brooklyn, Oct. 11.—Stung into driving action to uphold the honor of Boston, Manager Bill Carrigan is ready to apply goad to the Red Sox machine this afternoon to stop the Dodgers and carry the championship crown back to Beantown. With his great infield kept hopping by the dashing Dodger attack and the knowledge that his star flingers cannot hold down the Superbas' batting averages, Carrigan demands that his men tear into a victory Wednesday and finish off the series in Boston Thursday. The Dodgers have outthit the Red Sox throughout the series and outplayed them Tuesday both in the field and on the bases. If the gritty Brooklyn can win today the odds will be in their favor. The Red Sox were not only outplayed, but outgeneraled in Tuesday's battle. The Boston "air tight" infield developed holes, and the two nerve kings, Jack Coombs and Olsen, put the Dodgers back in the running.

Manager Carrigan sent Leonard to the hill, while he himself is doing the receiving. Marquard and Meyers are doing the honors for the Dodgers. There was no scoring for either in the third inning. Boston got one hit off of Marquard.

BROOKLYN DRAWS FIRST BLOOD.

Brooklyn drew first blood in the initial frame of the fourth world's series game Wednesday, scoring two runs and making two hits, while their opponents were unable to make a scratch.

BOSTON SCORED THREE RUNS IN SECOND.

The Boston sluggers had a regular bat-fest in the second go, and when the smoke had passed, had piled up six hits for a total of three runs. Brooklyn was goose-egged.

MARQUARD TAKEN OUT.

Cheney was sent to the mound for Brooklyn after Boston had scored again in the fourth. The Red Sox made two hits and the Brooklyn added one to their batting honors but were unable to score. At the end of the inning the score stood Boston 5; Brooklyn 2.

Boston put another tally over the plate in the fifth frame. Brooklyn could not convert its two hits into a run. Score now, 5 to 2 in favor of Beaneaters.

CHENEY GOING STRONG.

Cheney, who relieved Marquard, struck out three in the sixth inning and gave up one hit while his teammates were unable to do anything in their half.

Boston came back at the Dodgers' hurler in the seventh frame and with two hits succeeded in putting another run across the pan. Brooklyn was given the dose of noughts when she had her try at the bat.

Nap Rucker was called upon by Manager Robinson as his third sacrifice to the rushing Red Sox and sent to replace Cheney.

There was no scoring in the last two frames and the fourth game went the Boston way by the one sided margin of 6 to 2.

WOMAN AND CHILDREN MAKE GOOD LIVING ON TOY FARM NEAR HERE

Mrs. Tillie White, who with her brood of four children lives on a little farm near Wheat Swamp, told a banker here that she had cleared \$275 from their tobacco patch. She has just sold the last load. The field contains just three-quarters of an acre. Things did not go smoothly in the White family before they went on the farm not long ago. This year Mrs. White has made money. She has a bank account. The facts are eloquent.

CAR TURNED TAUBE AND TURTLE; MAN'S ESCAPE A 'MIRACLE'

Mr. E. A. Walters, a traveling salesman working out of this city, had a narrow escape from death when a runaway which he was driving went off the bridge over Stoney Creek, in Wayne county, Tuesday night about 8 o'clock, landing bottom-up in about three feet of water. Walters escaped with only trifling scratches on his hand, it is said. The car, owned by his employer, Mr. H. C. Hines of this city, was not greatly damaged. Walters was returning from Goldsboro when the accident occurred. The cause seems uncertain. A portion of the railing was torn away and the

GERMANS NOT FULLY DETERMINED ON THE SUBMARINE MATTER

Berlin, Oct. 11.—The main committee of the Reichstag today authorized the budget committee to assemble when the Reichstag reconvenes, for discussion of the Empire's foreign policy in the war.

This action apparently assures a continuation of the debate on the submarine policies before the budget committee.

PAUL FRIZZELLE WON'T RUN FOR LEGISLATURE

J. Paul Frizzelle, mayor of Snow Hill, has withdrawn as nominee of Greene county Democrats for the General Assembly. Press of private business is reported to be the reason. The executive committee will meet Monday to name another candidate. John C. Daniels of Speight's Bridge is being mentioned. Mr. Daniels is a well-known planter.

Little car tumbled off performing an evolution which airplane men have in recent years popularized. Mr. Walters was taken to a hospital. That action seems to have been unnecessary, so far as his injuries were concerned.
