FAMILY AVOIDS **SERIOUS SICKNESS**

By Being Constantly Supplied With Thedford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whittaker, of his place, "with sick headache, and stomach trouble.

Ten years ago a friend told me to try
Thediord's Black-Draught, which I did,
and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the ime now, and when my children feel a little bad, they ask me for a close, and it does them more good than any medicine they ever tried.

We never have a long spell of sick-ness in our family, since we commenced using Black-Draught."

Thedford's Black-Draugnt is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar

It has been in constant use for more than 70 years, and has benefited more than a million people.
