VINOL MADE THIS NURSE STRONG

Nothing Like it for Run-down and Nervous People. Van Ormy, Texas.—"I suffered from a general run-down condition—anaemia, loss of appetite and cough, so I was unfit for my work. I tried different medicines without help, and through my druggist learned of Vinol. I took it; my appetite increased, my cough disappeared, I gained in weight and I am now well and strong, so I can conscientiously endorse Vinol."—Viola Salada, R. N., Van Ormy, Tex. DO YOUR SHIPPING AND SHOPPING EARLY.

More of "Our Boys" will be away from home and family this year at Christmas time than ever before in our history. On account of the enormous volume of War Materials and supplies, in addition to the usual large movement of Holiday shipments, it will require from now on every available baggage, mail and express car that can be put into service. To meet the situation and to insure Christmas packages reaching their destination on time and thus avoid disappointment the Public is earnestly requested to ship their Christmas packages (whether by mail or express) at least ten (10) days or two weeks before Christmas. This action will not only be appreciated by the Government but by the Railroads, whose already heavy burdens they are trying to carry with to carry with promptness and dispatch. Picking a State Flower. At the State convention of the

Daughters of the American Revolution held at Winston-Salem recently the body decided to take action looking to the selection of a State flower. Mrs. William N. Reynolds was named chairman of a committee. Committees were appointed to represent various other women's societies and clubs and college women and girls, who were asked to meet on North Carolina Day and select from the State's flowers their choice. Miss Kate E. Jones, Bethania, as chairman of the committee representing the women's colleges and co-ed. colleges and schools, asks that the senior classes meet on this day, read a list of flowers grown in North Carolina and select, by written ballot, their choice, forwarding the result to Miss Jones. The flower decided upon will be named prior to the next session of the legislature, which would have to legally adopt the flower.
