A GRADUATE NURSE

Why She Recommends Lydia E. Finkham's Vegetable Compound.

Chicago, Ill.—"I was in poor health for two years, caused by a displacement, and during six months of this time was under a doctor's care without getting any help. I decided to try Lydia E. Finkham's Vegetable Compound and it made me feel like a new woman. I am entirely relieved of the displacement and periodic pains, and am now the mother of a beautiful healthy baby. I am a graduate nurse and will be glad to recommend Lydia E. Finkham's Vegetable Compound to other women."—Mrs. R. W. SLOAN, 6026 So. Park Avenue, Chicago, Ill.

There are many women who suffer as Mrs. Sloan did and who are being benefited by this great medicine every day. It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration.

If you need special advice write Lydia E. Finkham Medicine Co. (confidential), Lynn, Mass.

prisoner.
"The man's persistence worried me. It was then I threw the pork and beans can at him. But he only burst into tears.

"I told him I couldn't help his troubles. If he chose to be born on the wrong side of a war like this he must take the consequences. And if he kept on weeping on the wire, it might cause a short circuit.

"The man's persistence finally wore me down. So I marched him off to the nearest dressing station.
"That was my first and last prisoner."

DO YOUR SHIPPING AND SHOPPING EARLY.

More of "Our Boys" will be away from home and family this year at Christmas time than ever before in our history.

On account of the enormous volume of War Materials and supplies, in addition to the usual large movement of Holiday shipments, it will require from now on every available baggage, mail and express car that can be put into service.

To meet the situation and to insure Christmas packages reaching their destination on time and thus avoid disappointment the Public is earnestly requested to ship their Christmas packages (whether by mail or express) at least ten (10) days or two weeks before Christmas.

This action will not only be appreciated by the Government but by the Railroads, whose already heavy burdens they are trying to carry with to carry with promptness and dispatch.
