SHE COULD NOT STAND OR WORK

But Lydia E. Pinkham's Vegetable Compound Restored Her Health and Stopped Her Pains.

Portland, Ind.—"I had a displacement and suffered so badly from it that at times I could not be on my feet at all. I was all run down and so weak I could not do my housework, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do my own work and I give Lydia E. Pinkham's Vegetable Compound the credit."

Thousands of American women give this famous root and herb remedy the credit for health restored as did Mrs. Kimble. For helpful suggestions in regard to such ailments women are asked to write to Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

HOW THE INCOME TAX WORKS; 6,000,000 TO PAY IT.

(Continued from page one) place of business. Penalties.

Payment must be made on or before June 15, 1918. The penalty for failing to pay tax when due is an assessment of 5 per cent. of the

amount unpaid, plus interest at the rate of 1 per cent. a month during which it remains unpaid. For making a false or fraudulent return, the penalty is a fine not exceeding \$2,000 or not exceeding one year's imprisonment, or both in the discretion of the court and, in addition, 100 per cent. of the tax evaded. No Chance to Evade.

JUST KIDS—Two For A Nickel.

The man who thinks to evade the income tax is storing up for himself trial and tribulation. The Government has numerous way of checking up delinquents. One is through the "information at source" provision of the act of 1917 which requires every employer to file with the Commissioner of Internal Revenue a report of payments of \$800 or more paid to each employe during the calendar year 1917. It is estimated that the number of such reports filed will be 20,000,000.

People Willing. The Bureau of Internal Revenue, through various agencies, has endeavored to inform taxpayers everywhere of the requirements of the income tax laws. Ignorance of the law cannot be accepted as an excuse. To the "tax dodger" who deliberately seeks to evade his just share of the war burden no consideration will be given. Fortunately for the self-respect of the American Nation, the bureau is anticipating few such cases. The bureau has ample and conclusive proof that these taxes for the support of the war will be paid cheerfully and willingly by the great majority of the people. To do less is to confess a lack of that spirit of patriotism which has made this an enduring republic. Dollars mean victory. Whether you are a Gold-bonds or a Smithkins, remember that in paying your income tax you are helping to crush forever the fear of German dominion and to confer upon the world the boon of a lasting peace.

Kinston Man Has Miraculous Escape

"I was told by our family physician that I could not live without an operation, as my liver and gall sack were in such a condition. I set the day to go to the hospital, but then I saw the advertisement of Mayr's Wonderful Remedy. Since taking it I am feeling like a two-year-old. I am sure I never could have survived an operation." It is a simple, harmless preparation that removes the catarrhal mucous from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Sold by J. E. Hood & Co. adv.
