## A NERVOUS WRECK

From Three Years' Suffering. Says Cardui Made Her Well.

Texas City, Tex.—In an interesting statement, Mrs. G. H. Schill, of this town, says: "For three years I suffered untold agony with my head. I was unable to do any of my work. I just wanted to sleep all the time, for that was the only case I could get, when I was asleep. I became a nervous wreck just from the awful suffering with my head. I was so nervous that the least noise would make me jump out of my bed. I had no energy, and was unable to do anything. My son, a young boy, had to do all my household duties. I was not able to do anything until I took Cardui. I took three bottles in all, and it surely cured me of those awful headaches. That has been three years ago, and I know the cure is permanent, for I have never had any headache since taking Cardui. . . . Nothing relieved me until I took Cardui. It did wonders for me." ## Looks Like Real Big, Hilarious Season for the National Pastime

By H. C. Hamilton  
(United Press Staff Correspondent)  
New York, May 4.—Baseball avowedly was entering the crucial period of its two war-time seasons when it started off this year, and the result has been anything but pleasing to the pessimistic forecasters who saw nothing but woe ahead. Looking the issue squarely in the face, it appears now that baseball actually is going to have a hilarious season, instead of a season replete with woe. It has been argued ever since the war started that the Nation would be in need of sports during the period of the war. There have been sufficient recessions in salaries and other expenses to save the money that seems to be gone from the big league parks during the war. Necessary war sacrifices have been made in some quarters, while in others the magnates are operating with the same pomp as in former days. Baseball, however, will not die this season. If the worst comes to the worst, the 1919 season may be shortened, but baseball is going on just as certainly as Spring and Summer come each year. The start this season proved the standing of the National game as nothing else could have done.

Experience is Wisdom, But to experiment is Dangerous

Experienced Farmers Use FERTILIZERS Manufactured by

# The Union Guano Company

Because it has always been our policy to insist on a high standard of quality and to have nothing to do with fertilizer that has been skimmed in quality to fit the price, nor with manufacturers who run their factories on such principles. Keep these facts in mind when you are comparing the values now offered you by various sellers, and remember that guano manufactured by THE UNION GUANO COMPANY is of exactly the same standard quality which they have always maintained. For these reasons our prices represent the very lowest figures at which standard brands of fertilizer can be sold for today. Don't experiment with something cheaper, but come and get the STANDARD BRANDS which insure a standard crop. We keep a large supply on hand at all times.
