**Cove City Man Hurt.**  
H. B. Watson of Cove City was badly hurt in logwoods near Fort Barnwell Friday when a wheel of a log carriage ran over one of his feet, mangling the member. He was taken to a New Bern hospital.

**Meeting State Bar Association.**  
The 20th annual convention of the North Carolina Association will be held at Wrightsville Beach June 26-27. Mr. N. J. Rozase of Kinston is one of the vice-presidents. Mr. G. V. Cowper of this city is scheduled to deliver the address of welcome for the Wilmington and East Carolina attorneys.

**Hospital at Morehead City.**  
A four-story hospital to cost \$43,000 without equipment is being erected at Morehead City. Many residents of that town are stockholders in the corporation promoting the enterprise. The institution will be equipped both as a general hospital and to care for emergency cases. Morehead City is destined to expand as a shipbuilding center. The town is experiencing a big boom now.

**Unsuccessful Experiment.**  
A well-known member of the police department is rather set in his ways. Friday night he danced, for the first time, an undershirt of the "athletic" kind. The whole story may be a little indelicate, but it won't kill. "Well, sir," he said Saturday, "I didn't sleep a dadblasted wink all night." (Gentleman probably doesn't own pyjamas.) Speaking about people, Verne's hero who ballooned to the moon brought back a person that was blue, like a blue hen, who wore a bathing suit all the time.

**Cheap Enough.**  
E. G. Wardin, Department of Agriculture poultry expert who has been boosting the growing of fowls in Lenoir County, Saturday stated that the local farmers are not taking "any too much" interest in chickens. Every chicken that cackles, said Mr. Wardin in the course of a conversation, is not necessarily "raspy." The chances are that the fowl is "buggy." The lice go on the fowl's throat and cause it to stretch its neck. Here is the expert's formula for a very effective lice powder: One-half gallon of fine, dry dirt, one-half pound of sulphur, and one 10-cent package of snuff. This should be sifted upon the chickens through a baking powder can with a "sifter" bottom.

**CHRISTIAN ENDEAVORERS HAVING BUSY TIME.**  
(Continued from page one)  
transacted, after which the delegates dined at the church.  
**Sessions to Come.**  
Features of Saturday afternoon's program will be a devotional service led by Miss Natalie Nunn, Kinston; the report of Dr. J. C. Leonard, Lexington, missionary superintendent; an address by Dr. A. Harper, Elon College; report of the intermediate superintendent, G. M. Beaty, now located at Camp Greene; address by Mrs. J. C. Boyd, High Point; efficiency report, outlined by Karl Lehmann, Chattanooga. The delegates will see Kinston as guests of the Chamber of Commerce. Mr. Lehmann will conduct a "Junior session" during the afternoon. At this Miss Ada Saunders of York, S. C., will lead a symposium, and Miss Mertie L. Harper, Atlantic Christian College, and Mrs. L. McFarland, High Point, will make addresses or read papers. Saturday evening Rev. John H. Griffith, pastor of St. Mary's Episcopal Church, Carl Lehmann and others will be on the program.  
Sunday morning at 7 a sunrise prayer service is scheduled to be conducted by Dr. A. D. McClure, Wilmington. The delegates will attend the Sunday schools and churches of their choice.  
Sunday afternoon at 3 a Junior rally will be conducted by Mrs. McFarland. At 4 denominational rallies will be held. Sunday night a union service will be held and the convention will close with a rousing finish.

**A NERVOUS WRECK**  
From Three Years' Suffering, Says Cardui Made Her Well.  
Texas City, Tex.—In an interesting statement, Mrs. G. H. Scott, of this town, says: "For three years I suffered untold agony with my head. I was unable to do any of my work.  
I just wanted to sleep all the time, for that was the only way I could get, when I was asleep, I became a nervous wreck just from the awful suffering with my head.  
I was so nervous that the least noise would make me jump out of my bed. I had no energy, and was unable to do anything. My son, a young boy, had to do all my household duties.  
I was not able to do anything until I took Cardui. I took three bottles in all, and it surely cured me of those awful headaches. That has been three years ago, and I know the cure is permanent, for I have never had any headache since taking Cardui.  
Nothing relieved me until I took Cardui. It did wonders for me."  
Try Cardui for your troubles—made from medicinal ingredients recommended in medical books as being of benefit in female troubles, and 40 years of use has proven that the books are right. Begin taking Cardui today. NC-134
