

Judge Orders Strike Killed!

(By the United Press)
Indianapolis, Nov. 8.—Officials of the United Mine Workers of America were today ordered by Federal Judge A. B. Anderson to withdraw their order calling 400,000 members to strike. The judge also made a reservation order preventing them from furthering the strike. The union leaders will be allowed until 6 o'clock November 11 to withdraw the strike order.

Indianapolis, Nov. 8.—A request by Henry Warrum, chief counsel for the United Mine Workers, to postpone the hearing on the coal strike injunction proceedings for one week was made when the hearing opened in Federal Court here today. Judge C. B. Ames, representing the Government, refused to assent. The hearing proceeded.

Warrum stated that if the hearing was continued for one week he had information to show that the matter could be settled out of court. "The questions involved in the case are so important that the Government cannot consent to delay," said Judge Ames.

Washington, Nov. 8.—"The injunction proceedings will go on as scheduled," Attorney-General Palmer informed the White House today shortly before the hearing on making permanent the order restraining the miners' leaders was to begin at Indianapolis.

Judge Ames, assistant-attorney general, is in Indianapolis in charge of the Government's side of the case. Palmer's decision came, it is learned, in the face of willingness of officials of the United Mine Workers to reopen negotiations with the operators. The miners, however, still held to their determination not to call off their strike prior to opening such negotiations.

LIBRARIAN'S REPORT
FOR MONTH OCTOBER.
Following is the report of the librarian of the Kinston Public Library for October: Receipts: Appropriation, \$25; fines, 50 cents; rent for books, 60 cents; total, \$26.10. Paid out: Deficit brought forward, \$28.34; rent, \$12.50; librarian's salary, \$15; cleaning, \$1.25; total, \$57.09. Deficit, \$30.99. Library hours are from 2 to 5 p. m. All subscribers are asked to meet at the library rooms at 3 p. m. next Tuesday to elect officers for the coming year. It is important that a quorum be had.

BULLETINS

(By the United Press)
LAWYERS WRANGLE.
Charlotte, Nov. 8.—Testimony in the preliminary hearing of the 31 policemen charged with murder was resumed this morning but got only a 20 minutes' start before the attorneys began to wrangle over the direct examination procedure. The issue raised involved the part the strikebreakers played in the shooting and whether they were legally armed.

EARTHQUAKES RAZE MANY HOUSES ITALY

(By the United Press)
Rome, Nov. 8.—Two severe earthquake shocks rocked the upper Tiber Valley last night, according to dispatches from Arezzo. The towns San Sepolero and San Bartolomeo are reported to have been partly wrecked. Over 150 buildings crumbled from the quakes, dispatches today said. Whether there was loss of life has not been learned. It is feared many persons were injured. The populations of San Sepolero and San Bartolomeo are reported to be camping in the streets.

LAST SAMMY HOME BY CHRISTMAS DAY

(By the United Press)
Paris, Nov. 8.—The last American doughboy in France will be home for Christmas, General Conner announces. He said today that all activities of the American army in France will cease December 1. The American base at Brest will be continued until December 15, when the last American soldier is scheduled to be homeward bound.

LENOIR MEN AT U. OF N. C. ORGANIZE CLUB

Leo Harvey of Kinston is President. More Than Score of Members—To Compile Statistics Concerning County.
Chapel Hill, Nov. 8.—The men of Lenoir County now attending the State University, about 300 days ago and organized "The Lenoir County Club," electing the following officers: Leo H. Harvey of Kinston, president; Leonard Fields of Kinston, vice-president and M. D. Harper of LaGrange, secretary and treasurer. The work of the club, which has a membership of 23 men, has progressed rapidly and plans are being made for the best year of its existence.

Arrangements have already been made whereby the University Magazine is to be sent to the high schools of Kinston, LaGrange, and Pink Hill for this year, thus giving the high school students of the county some idea as to what is going on at the University. In addition to this a plan is on foot to work up certain social and economic statistics of the county which will be published in booklet form and distributed throughout the entire county.

It is the desire and purpose of this club not only to form closer relationships between the men from the county now at the University and work out problems which will be of benefit to the men themselves, but also to bring the people of the county to a fuller realization of the existence of these problems and to present to them some practical solution.

The members of the club are: L. E. Fields, W. F. Lewis, E. F. Hooker, Harry Bizzell, L. H. Harvey, F. P. Brooks, Barnett Naiman, E. J. Perry, R. A. Tilghman, A. M. Scarborough, A. Y. Osborn, E. B. Mewborn, J. M. Parrott, O. L. Wilson, J. W. Grainger and Ray Davis of Kinston; W. A. Hadley, G. T. Creech, Noah Rowe, J. D. Hodges and M. D. Harper of LaGrange; C. W. Howard and T. S. Mewborn of Pink Hill.

FIND STOLEN CLOTHES; ARREST TWO NEGROES.

Chief Hamilton and Patrolmen George Rouse, Frank Bursell and Norman E. Crane recovered five suits of clothes and two pairs of pants stolen from a Dover pressing club at a pressing club in South Kinston and house on Tower Hill Road Friday afternoon. Henderson Williams alias Ten-Year Shine and Harry Douglas were arrested. Both are negroes. Williams was pardoned several years ago while serving a 10-year sentence for robbery on the Lenoir County roads. He is said to have served time at Goldsboro and Greenville since. Harry Douglas had "had a \$75 suit sawed off to fit himself," according to Chief Hamilton. "The original owner was a tall, striking looking man, I deduct. Douglas is a short, sawed-off nigger. You ought to see those clothes now."

HINES NOT WISE AS TO WHEN SUGAR'LL COME NOR HOW MUCH

Anxiously Awaiting Word From Government That Sweetening is on Way to Kinston—Hopes to Get at Least Carload

Harvey C. Hines, who the past few days has been striving strenuously to get sugar into this city to relieve what he declares to be a "really serious situation," Saturday was still awaiting word from the Federal board in charge of distribution. "I expect to hear something any minute," said the community's new Santa Claus when interviewed by The Free Press Saturday. "You will be notified the moment I hear that the sugar has been or is about to be shipped," Mr. Hines stated.

WANTS MORE THAN HALF HUNDRED MEN TO ENLIST

Adjutant of First Infantry, National Guard, Endeavoring Raise Headquarters Company Here—Many Noncoms. Needed.

Col. Don E. Scott, commanding officer of the new First Infantry, North Carolina National Guard, will come here soon. More than 500 men, the majority of them overseas veterans, are already enrolled in the regiment.

Kinston is expected to furnish the enlisted personnel of the headquarters company. Capt. Charles W. Perry, adjutant, Saturday announced that the following men will be needed: One regimental sergeant-major, 3 battalion sergeants-major, 1 first sergeant, 2 color-sergeants, 1 mess sergeant, 1 supply sergeant, 1 stable sergeant, 1 sergeant, 1 horse-shoer, 2 cooks, 4 privates first-class, 12 privates, 1 band leader, 1 assistant band leader, 1 sergeant bugler, 2 band sergeants, 4 band corporals, 2 musicians first-class, 4 musicians second-class and 13 musicians third-class.

Movies Up in Air on Subject of Aviation; Promoters Boost Flying

(By the United Press)
Los Angeles, Nov. 8.—The movies are seeking a higher plane—an airplane, as it were. For some subtle reason, thus far unexplained, airplaning has strongly appealed to the movie folk. As a result Southern California now has three completely equipped commercial flying fields, all operated by motion picture magnates as a sideline and as a means of amusement, and all doing a thriving commercial business.

BIT FROM ALL WILL PUT THE RED CROSS OVER TOP IN CITY

Five Thousand Members Asked for Kinston District—No Worthier Cause Than This—Many Respond Generously

(By D. J. EDWARDS)
The Third Red Cross Roll Call began Friday morning. Solicitors met with a ready response in some quarters, but a chilling indifference in others. Down With Indifference! Just as well face the facts as they are: If our quota of 5,000 enrollment is to be secured within the jurisdiction of this chapter indifference must be thrown to the winds and some earnest, conscientious, honest effort must be put forth. And if we get anywhere this effort must be a concerted one.

The solicitation of 1920 membership cannot await the convenience of everybody; but when the time comes to push—and that time is here now—victory demands that those who would win must "hit the line hard" until the job is finished.

"A Bit From All is Necessary.
And there is no need to make this thing a hardship to anybody. Indeed it would be unreasonable to assign the task to any one or small group of persons. But if each patriotic citizen does his or her "bit" the task will be accomplished with a minimum of sacrifice, if any at all. Chairman R. F. Hill has always been conspicuous in his devotion to the ideals of the Red Cross—the "gospel in boots," as Vice-President Marshall calls it. He has answered loyalty to every call. And now since he has responded to the call of the chapter to "push across" this 3rd roll call he should have the loyal and active cooperation not only of every Red Cross worker, but of every patriotic citizen within the county.

Humanitarianism, Patriotism, Practical Christianity.
The present and contemplated work of the Red Cross is not only an exemplification of the highest ideals of humanitarianism and Christian service but it is of an intensely patriotic nature. While the glamour of war has ceased the necessities of the soldiers and sailors have not. And the Red Cross must stand by them. The Red Cross has not yet been honorably discharged.

Volunteers, and Plenty of Them, Wanted!
So every dictate of humanity and patriotism calls for loyalty to the Red Cross at this time. People are ready to join; but the workers are few. The time is now ripe and volunteers are asked to report immediately to Chairman Hill for at least a few hours service in the cause of a better and more prosperous Lenoir County, a greater America and a nobler humanity.

BAPTISTS HOLD ROUSING FELLOWSHIP GATHERING

Supper Served to Between 200 and 300 Friday Evening—First Baptist Church to Raise Indebtedness Sunday.

Between 200 and 300 members of the First Baptist Church and friends attended a fellowship supper at that edifice Friday evening at 8 o'clock. A sumptuous meal with big helpings of turkey was served by women of the congregation. Prof. Kader R. Curtis, superintendent of the City Schools, officiated as toastmaster. Messrs. W. M. Herbert, J. A. Powers, E. O. Moore, Theodore Stainback, J. W. Powell, J. A. Jones and Dr. B. W. Spilman made addresses. Mrs. J. B. Leonard rendered several violin selections, accompanied by Mrs. Joe F. Ballard. Pastor W. Marshall Craig characterized it one of the happiest meetings of the congregation during his pastorate. The church will make a determined effort to lift its indebtedness Sunday, and the supper was something in the nature of a preliminary to this.

COTTON GINNED TO NOVEMBER 1 MORE'N SIX MILLION BALES

But Decrease of More Than Million From Last Year's Report Covering 10 Months—Government Announces Figures

(By the United Press)
Washington, Nov. 8.—Cotton ginned to November 1 totaled 6,273,866 bales, counting round bales as half bales, the Census Bureau announces. Total ginnings for the same period last year were 7,777,159 bales. Round bales ginned to November 1, 1919, totalled 70,694; American Egyptian 14,081 bales, and Sea Island 3,996 bales.

Dedicate Memorial to Fathers Sidney Girls Among Heroes

Sidney, Nov. 8.—A memorial dedicated to the merchant marine men of Australia killed in the war, to be known as the "Jellicoe Hostel for the Daughters of the Mercantile Marine," in honor of Lord and Lady Jellicoe, will be located in this city, it has just been announced. There are nearly 1,000 daughters of Australians killed while engaged in manning merchantmen. Many of them have to live in apartments and boarding houses at a cost beyond their means.

ROCKY MT. HIGHS WALK OVER KINSTON ELEVEN

Score 33 Points in First Half of Game—Second Half Scoreless—First Defeat of Season for Grainger School Outfit.

The local High School football eleven met disaster at Rocky Mount Friday afternoon. The Rocky Mount highs overwhelmed the Kinston team by the score of 33-0. The visitors tightened up in the second half and Rocky Mount was held scoreless during the last two quarters. It was the first defeat of the season for the Kinston highs. It was the first time this season Kinston had even been scored on.

Eugene Sumrell, Kinston's captain, was the star of the game. The plucky Kinston youngster was taken out during the last minute or two of play by the referee for some alleged violation of rules after his opponents, admiring his work, had urged that he be permitted to remain in the game.

The Rocky Mount team will come here shortly. The local highs will remember that they have a reputation to retrieve. The Rocky Mount fans applauded Sumrell in Friday's game. He came within two inches of making a touchdown by carrying the ball from the center of the field on line plunges.

Sir Ernest Cooper Installed as Lord Mayor London City

(By the United Press)
London, Nov. 8.—Sir Edward Ernest Cooper today was installed Lord Mayor of London with the civic pomp and ceremony which has been handed down from the middle ages. Once more the hoary anachronism, the "Lord Mayor's Show," dislocated normally badly congested traffic of the city for some four hours, but as usual Londoners turned out in huge crowds for the annual pageant. The Saturday half-holiday increased the normal crowds if anything, and there was extra jollification over its being the first "show" since the armistice. The "show" contained few new features, being comprised largely of the usual detachments of London volunteer regiments. Sir Edward Cooper is a well-known musician, being chairman of the committee of the Royal Academy of Music.

MORE THAN THOUSAND RED AGITATORS REPORTED ARRESTED THROUGHOUT THE UNITED STATES ON EVE REVOLUTION

Bolsheviki Had Prepared to Observe Anniversary of Founding of Soviet Republic in Russia With Uprising in America—Department of Justice Agents Swoop Down Upon Rats' Nests at New York and Cities Throughout North, Middle West and South—Radicals at Jackson, Miss., Stirred Up in Wholesale Offensive—Washington Says Others Are to Be Taken—Some Will Have to Be Released

(By the United Press)
Washington, Nov. 8.—More arrests are expected to be made within a few hours by Department of Justice agents in their campaign to purge the country of bolshevik agitators. A number known to be anarchists have not been taken but their nests have been cleaned out, according to reports received here. The men are fugitives in the open. Many persons seized in last night's raids will be released, there not being evidence against them. The raids were conducted from New York. Detailed official reports had not reached here early today.

MORE MEMBERS FOR JOE ROUNTREE POST OF AMERICAN LEG'N

Drive Will Be Started Shortly to Enroll All Eligibles in County—About 60 Ex-Servicemen Charter Members

The membership of Joseph D. Rountree Post of the American Legion totalled 60 Friday night, when the second meeting of the new post was held, according to Ben. Foxman, the secretary. The session was an enthusiastic one. It was decided to hold a drive in the near future to enroll every ex-soldier and ex-sailor in Lenoir County who is eligible to membership.

A special meeting will be held Monday night to receive the last charter members. Armistice Day, Tuesday, will find the books closed to charter memberships. The permanent organization will be perfected soon and the post will cast about for quarters and equipment.

Democrats Want U. S. Build Embassies But Larger Posts First

(By the United Press)
Washington, Nov. 8.—Democratic opposition has caused the Republican majority of the House Committee on Foreign Affairs to kill the bill to appropriate \$130,000 for the purchase of a United States embassy building at Santiago, Chile, sufficient number of the G. O. P. members have joined in the protest against what was termed "a foolish expenditure of money." The Democratic attitude was not that of opposing the purchase of permanent American embassies, but insistence that any such expenditures should be based upon common sense. Henry D. Flood of Virginia, ranking Democrat on the Foreign Affairs Committee, voiced the sentiment of his party colleagues in protesting against the proposed Santiago expenditure. It was pointed out that embassy buildings were much more needed in the capitals of Europe than in South America, even in such a large country as Chile.

AMERICAN WOMEN OFF FOR ORIENT TO STUDY MISSIONS.

(By the United Press)
San Francisco, Calif., Nov. 8.—The second deputation of 30 prominent American women, including two college presidents, sailed from here today on the Tenyo Maru for Yokohama, where it will join the delegation that sailed from Vancouver October 30. The women will divide themselves into several commissions at Yokohama to go to various sections of the Orient to make an exhaustive study of every problem in the mission field.

Order Road Materials Early and Deficiency in Cars Can Be Overcome

Washington, Nov. 8.—While the expenditures during 1919 for hard-surfaced highways, according to estimates of the Bureau of Public Roads of the United States Department of Agriculture, will set a new record with a total of \$1,000,000,000, this figure is small in comparison with the computed available amount of \$1,200,000,000, the spending of which promises to be dependent chiefly on the quantity of materials the present limited railway facilities can transport.

Order Road Materials Early and Deficiency in Cars Can Be Overcome

It has been customary to wait until contractors' organizations were ready to begin work before starting the shipment of material. Under these conditions many thousands of open-top cars lie idle during the latter part of February, all of March and the earlier part of April. During the past spring the number of open-top cars that were idle totaled more than 260,000. This, it was partly unavoidable owing to late date at which work got away, following the signing of the armistice. By awarding contracts as early as possible, contractors will be able to ascertain their material requirements at different points, and so will be in position to place orders dependent on rail transportation a considerable time in advance.

HOW IS THIS FOR A COUNTRY SCHOOL RECORD?

Friday Rev. George B. Hanrahan, county superintendent of public welfare, made a visit to four schools in Contentnea Township. The Barwick School, taught by Misses Athlen Edwards and Mattie McArthur, reported that it enrolled on the first day every child in the district within the compulsory school low age and that everyone had been present every day since the school opened.
