POETRY.

WHERE IS THE PLACE FOR THE POOR!

[Where, in our churches, is the place for the poor? I ask this question with shame and sorrow. Where is the place tor the poor?' Admit that here and there a poor person has a seat; where is it? Is he invited to sit with us "in a good place," or do we say to him, "Stand thou there, or sit thou here under my footstool?" Bishop Ives.

"I will bring your sanctuaries into desolation."-

- Leviticus 26: 31. I trod the hallowed ground that bore A Christian temple tall and proud, When at each wide and lofty door
- Went streaming in a gorgeous crowd.

 A welcome day bid all rejoice, A fair and ancient festival, And the glad organ's mighty voice

Shook the strong roof and Gothic wall,

Full many a token marked the fold, Where rich and high believers meet The sacred volume clasped in gold, The costly robe, and drowsy seat; Priest, psople, altar, chancel, choir, Arch, column, window, porch and gate That ample fane, from vault to spire, Looked solemn all and calmly great.

But mark ! An old and weary man-A stranger clad "in raiment vile," With faltering steps and features wan, Went tottering up the fair broad aisle They cast him out -O faithless race

On a rude bench - unseen - remote, Found guilty, in that hour and place, Of-a lean purse and threadbare coat! Oh for a prophet's tongue or pen To warm the great in wealth and birth,

Who build their God a house, and then Plant there the meanest pomps of earth -To brand that church which spurns the poor From every vain and venal pew, Where "clothed in purple" herd secure, To kneel or sleep, the lordly few!

-Christian Year.

KA-TY-DID.

Katy did - what did Katy do? She kissed me a kiss that thrilled me through Out in the light

Of the stars at night -The stars, that winked and blinked at the sight Among the flowers Of the Summer hours, And the perfumed air of the leafy bowers,

Katy did-And then she hid Her eyes 'neath the veil of its fringed lid, She did, she did, Katy did.

Katy did-and what did she do? She vowed me a vow and she kept it, too; She said for life She would be my wife,

That never between us should come any strife; That for weal or woe To the priest she would go, And on me her love and faith would bestow-

Katy did And then she hid Her eye 'neath the veil of its 'ringed lid, She did, she did,

Katy did.

Katy did -what more did she do? She brought a bird to my wondering view-A lovely girl, With a golden cuil

And a heart as pure as the purest rearl; And the littli minx, With her winks and kinks, Is the merriest maid in the world methinks. Katy did,

Her eye half hid, Peeped forth from the veil of it : fringed lid She did, she did, Katy did.

Katy dld -what more could she do? She gave me - (you'll laugh, but I tell you true) A bouncing boy

To bother my pate and my heart employ; And the little rogue Is much in vogue About our house with his lisping brogue,

To be my joy,

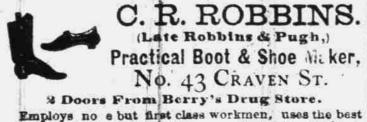

I couldn't forbid What Katy did As her eye peeped forth thro the fringe of its

What Katy did I couldn't forbid Katy did -well, what more did she do?

why, whenever my spirits became very blue She laughed in glee My sorrow to see.

And she kissed away my misery. Ah, the merry dame, It would be a great shame If in word or thought I could Katy blame, Katy did. Katy did, Her eye, half hid

Extract.

Scrofula, Syphilis, Liver Complaint, Constipation, Chronic Rheumatism, Diseases of the Kidneys and Bladder, and all Blood Impurities.

We offer to the American public a new and valuable remedy for the above-mentioned diseases. Fowler's Compound Extract is composed of the best medicines known to Materia Medica. It is perfectly pure in all its | for circular ingredients, being composed of several well-known art.cles universally used by the best Physicians; each of which, in combination, supplies what experience has shown to be wanting when singly employed; but the result of patient investigation, requiring time, labor and skill, so as to give the public a genuine article, which they can reply upon, and in place of the worthless and dangerous Patent Medicines flooding the country; and therefore enables us to warrant Fowler's Compound Extract to be the most perfect curative for discuses of the blood ever discovered.

SCROFULA.

Tale Compound is a never-falling cure for the terribia disease. How many diseases have their seat in the blood -diseases which have been treated vainly for year s. If the blood alone is purified, in most cases health and happiness will soon return. Dr. Powler's Compound acts especially upon the virus au the blood, causing in time the disappearance of the hideous sores, and restoring the skin to a healthful appearance, the eye clear and sparkling, and the whole human organization becomes

SCROFULA.

Or all diseases which flesh is hefr to none bound so much misery, moral and physical, as Syphflis. To all so afflicted we can truly say this remedy will help you. Two articles found, by experience, to be peculiarly efficaclous for this disease are contained in this compound. We ask you to try Dr. Fowler's Compound Extract, and, by giving it a fair trial, it will cure you.

We speak with much confidence of Dr. Fowler's Corupound, because we know what it is composed of, and what it will do. We know Dr. Fowler well, who is a physician of known repute, standing second to none in the country, of long experience, an honorable man, who having a reputation for character as well as ourselves, would never allow a medicine to go before the public without m rit. And we say of this Compound, if taken according to directions, after a fair trial, it will do all we We offer it as a new discovery, which it certainly is a

genuine article for Scrofula, Syphilis, and all blood impurities; and knowing the genuineness of it, as such we send it forth saying, "Go, Heal the Suffering!
