**No Game at Wilmington.**  
Wilmington, N. C., July 3.—There was no game here today on account of rain.

**Rain in Goldsboro.**  
Goldsboro, N. C., July 3.—There was no ball game here today as rain kept Goldsboro and New Bern from playing.

**National League.**  
New York, July 3.—Philadelphia was outplayed by the home team today. Sparks was relieved after the fifth, but Crandall displayed good staying qualities and won cleverly.  
Score: R. H. E.  
Philadelphia . . . 100 200 000—3 10 3  
New York . . . 013 031 008—9 10 3  
Batteries: Sparks, Richie and Doolin; Crandall and Bresnahan. Time, 2 hrs. Umpire, Rigler.

Pittsburg, Pa., July 3.—Pittsburg tightened their hold on first place today by shutting out Chicago by a score of 7 to 0. Overall was replaced in the fourth by Lundgren. Willis pitched a splendid game. Thomas prevented Chance from making a home run with three on bases in the third by a sensational one handed catch.  
Score: R. H. E.  
Pittsburg . . . 201 200 027—13 1 1  
Chicago . . . 000 000 000—0 5 2  
Batteries: Willis and Gibson; Overall, Lundgren and Moran. Time, 1:45. Umpires, Johnston and Emslie.

Boston, Mass., July 3.—Boston won from Brooklyn today by a batting rally in the eighth, aided by Hummel's errors. McCarthy was more effective than McIntyre.  
Score: R. H. E.  
Boston . . . 001 000 027—3 8 6  
Brooklyn . . . 100 000 000—1 5 4

## REFLECTIONS OF A BACHELOR.

New York Press.  
An easy thing to understand is what you don't understand about women.  
When a hammock is just the spot for a couple it's a sign they are single.  
A proposal never seems to a girl to taste right unless there is moonlight.  
A woman can't talk as much at a funeral as at a wedding, but she enjoys herself as much.

Ladies: N. B.—We have a complete line of white and gray enamel ware for the kitchen. J. S. Basnight Hardware Company.

## SOME IMPORTANT FEATURES.

Complete weather reports during the growing season as they exist each week at all important trucking centers.  
Conditions of all important crops in the principal growing centers, showing areas planted, effect of weather, disease, insects, probable estimates of yield, quality, etc. The whole range of produce, such as Potatoes, Onions, Onion Sets, Cabbage, Melons Cucumbers, Lettuce, Spinach, small fruits, etc. is covered. This information alone on one crop would be worth many times the price of the paper to a grower of that crop, and will be supplied by over five hundred of our own correspondents.  
Accurate market reports of the principal cities, what they require, etc.  
Complete and practical information on growing, best methods of harvesting, packing and delivery of produce and fruits for markets and canning factories, etc.  
Valuable contributed articles from experts and the best practical growers on various subjects of intense interest to all growers. A few may be mentioned as follows: Complete review of the best varieties, and what markets and localities are best suited to certain sorts. Complete description and illustrations of all new and improved sorts introduced, with their merits and demerits. Complete information concerning improved methods of culture and handling various crops. The most valuable information concerning improved implements, fertilizers and manures and their judicious uses. "Spraying" when, how, and what for, insects and remedies for all crops. Plant and fungus diseases their remedies and cure. The value of irrigation and drainage with costs, practical applications, results, etc. The most improved methods of hot bed and green house construction, their management. The best and most profitable crops to grow, and a thousand other intense and important subjects for all gardeners.  
In summary, it will give you the most practical information for improvement in our business and supplies vital information for producing larger and better crops.
