County candidates and their friends, democrats and republicans, were out in force for a sort of skirmish before the primary and convention contests today.

Death of Dr. Hines Casts Shadow Over City

Raleigh, N. C., Aug. 14.—The death of Dr. Hines casts a shadow over the city today by the death of Dr. Peter E. Hines, for nearly fifty years a prominent physician in Raleigh. He has been afflicted with paralysis for more than a year past so that his death was not unexpected. He was in his eighty-first year; his career had been most useful and honored. He was at different times president of the Raleigh academy of medicine, president of the North Carolina Medical Society and president of the North Carolina Sons of the Revolution. He was a Confederate Veteran and was a surgeon on the army and represented North Carolina as director on the army medical board. Dr. Hines married Miss Fannie Johnson, sister of Mayor James I. Johnson and Col. Chas. E. Johnson, of this city. The funeral will be held Sunday.

Mass Meeting in Raleigh

Raleigh, N. C., Aug. 14.—A largely attended mass meeting of citizens last night adopted resolutions declaring for the election of the aldermen by the vote of the entire city instead of by wards as at present. A committee of five was appointed to formulate plans for the organization of a municipal league for the betterment of the city government. An amendment to the city charter by the legislature will be necessary before the method of electing aldermen could be changed. The movement for the change is understood to be in opposition to the present city government.

GOV. HUGHES IS ENDORSED

Mr. Roosevelt Has Ordered Re-nomination

NEW YORK PRESS GIVES NEWS.

Anti-Hughes Hostiles Who Were Out With Tomahawks Are to Return to the Reservation and Smoke Pipe of Peace—His Majesty Has Spoken.

By Wire to The Sun.

New York, Aug. 15.—The Press this morning says:

"President Roosevelt has ordered the re-nomination of Governor Hughes. The racial war is over. Woodruff, Parsons, Barnes, Ward, Hendricks and the other anti-Hughes hostiles who were out with tomahawks looking for the governor's scalp are to return at once to the reservation and smoke the pipe of peace.

"As boss of the republican party the president decided that the situation in New York imperiled the election of Taft, and that immediate intervention was necessary before great damage should be done to the presidential candidate's chance of carrying the state.

"Reluctant as he was to reverse himself and cancel the O. K. that he gave to Woodruff's anti-Hughes plan of two weeks ago, President Roosevelt felt that further hesitation would be dangerous to the party interests. His instructions to the state leaders were definite, and they will not be changed.

"The anti-Hughes talk which has flowed so abundantly in organization circles for a month past is to stop and the state machine is to be put in harmony with the dominant party sentiment which Roosevelt is convinced is behind the demand for Hughes for a second term."

TO ANSWER FOR SELLING BEER

City Full of Revenue Men Who Are on a Hunt For Those Who Are Dealing in "Tidal Wave" Drinks.

Charlotte, N. C., Aug. 15.—The town is full of revenue men and as result something is going to drop before very long. The news has reason to believe that these officials have caught in the tolls a number of small dealers in the suburbs and environs of the city, as well as half dozen, more or less, in the heart of the city, who are apt to be charged in the federal court with selling beer illegally. It is not improbable that there will be some 15 or 20 scores of dealers who will have to answer for this offense.
