POINTED PARAGRAPHS

Chicago News. Hungry poets are not satisfied with empty honors.

The less a man says the more guess ing his wife has to do. It takes an experienced elevator

boy to let a man down easy. The only way to crush an egotist is to pay no attention to him.

When one good turn begets another we shall have prepetual motion. The man who jumps at conclusions seldom lands where he expects to. It's easy to reason with a man after you have staked him to a good dinned.

REFLECTIONS OF A BACHELOR

A woman's idea of a sweet poem is for it to be tied up in lovely ribbon. A man who tries to be interesting to a girl who is engaged needs a new set of brains.

The reason a man wants to wear his best suit when he goes fishing is his wife won't let him.

A woman is always willing to ask unless she was in the wrong.

The chief reason all women would like to the actresses is because they have so many photographs taken.
