night in the building, were rescued by New York, and he was elected vice the firemen, and a search of the ruins president. is being made for several more who are said to have been in the building. It is believed the fire was started by ache? Stomach "off"?-Just a plain one of the tramps.

TAGGED RATS SET FREE.

San Francisco Makes New Fight Against Bubonic Plague. By Wire to The Sun.

San Francisco, Sept. 7 .- In order to stimulate the zeal of those who are engaged in ridding the city of rats to prevent the possible recurrence of cases of bubonic plague, twelve rats, each bearing a tag inscribed with a private mark, were turned loose today, one in each sanitary district.

For the return of each rat so tagged to the officers of the sanitary bureau. a reward of \$50 will be paid. Any regular sanitary inspector bringing in one of them will be promoted in addition to being pai dthe reward. The release and capture of the rats, it is expected, will aid the authorities in determining the direction in which the animals migrate through the city.

If your property hasn't already burned have A. M. Rountree insure h before it does.

DIAMONDS

Is the Diamond, it stands above all other gems, unrivalled for its dazzling beauty.

The beauty of Diamonds depends largely upon purity of color, and depth of cutting. Our stones, both loose and mounted, are perfect in color and finely cut.

Advantageous buying enables us to tell our gems as reasonably as is possible for the qualities.

Look at them before you decide to purchase-you will not regret it. J. O. BAXTER,

Leading Jeweler.
