

Every Month

writes Mrs. E. Fournier of Lake Charles, La., "I used to suffer from headache, backache, side ache, pressing-down pains, and could hardly walk. At last I took Cardui, and now I feel good all the time."

TAKE CARDUI

It Will Help You

Cardui is a medicine that has been found to act upon the cause of most women's pains, strengthening the weakened womanly organs, that suffer because their work is too hard for them.

It is not a pain "killer," but a true female remedy, composed of purely vegetable ingredients, perfectly harmless and recommended for all sick women, old or young. Try Cardui. Women's Relief.
