The Piano With The Sweet Tune

ON THE CRUISER "NORTH CAROLINA"

The STIEFF PLAYER-PIANO gives great pleasure to the "Boys in Blue" on the cruiser "North Carolina."

Anyone can play it, and no matter how difficult the music, a slight practise at first to "get the hang of it" and any intelligent child can render it perfectly.

The salt air of the sea soon ruins most pianos, but the STIEFF stands it indefinitely, which is very important.

The air of all tidewater section is severe on pianos, but don't affect the STIEFF. Look into this in buying an instrument.

Write for more particulars, prices, terms, etc.
